REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

U.S. Congress and General Assembly of Illinois Urged to Enact Legislation for "Fair Plan" of Insurance for All Property Owners.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, The vitality of cities, the dwelling place of the overwhelming majority of Americans, is of the utmost importance to the progress of our society; and

WHEREAS, Great efforts have been and are being expended to improve urban environment, to improve its housing, the opportunity for employment and education and recreation of its citizens, especially those citizens who most need the benefits of the planning of government and industry to provide meaningful employment opportunities; and

WHEREAS, The widespread civil disorder in our country which resulted in huge insurance losses has produced a climate in which some insurance companies would choose to eliminate entire urban areas or large segments of urban areas from the ambit of their companies' coverage; and

WHEREAS, This threatened departure from a market for insurance coverage which was not restricted would jeopardize the progress which we have made and are continuing to make in the urban centers throughout the United States and in particular in the City of Chicago; and

WHEREAS, Meaningful legislation is now pending in the Congress of the United States, in particular Senate Bill 3028 and House Bill 17003, which proposals would create a cooperative program in which the insurance industry, Federal and State governments would participate jointly in providing every property owner with insurance; and

WHEREAS, This "Fair Plan" of Insurance would be supplemented by a State program in which "pools" of insurance companies would be formed in order to insure property regardless of its location; now, therefore,

Be It Resolved, That the Members of the City Council do memorialize the Congress of the United States and General Assembly of the State of Illinois to enact programs designed to maintain a market which is not restricted in terms of insurance coverage, a market where owners of well-maintained property are not penalized or subjected to excessive rates of insurance or left without coverage; and

Be It Further Resolved, That the leadership of both political parties in the State of Illinois be called upon to include this subject matter among the priority legislative proposals awaiting action at the July 15th Session of the General Assembly and take constructive action to remove this threatened peril which faces the cities in our State, especially our own City of Chicago.

Alderman Keane moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon said proposed resolution. The motion *Prevailed.*

On motion of Alderman Keane said proposed resolution was *Adopted,* unanimously.

"GENTLEMEN—Pursuant to the provisions of paragraphs 27-434 (b) of the City Code as amended December 22, 1958, I am submitting herewith a report for the quarter ended December 31, 1967, and the twelve months ended that date, compared with the similar period ended in 1966, of traffic violation tickets issued by the Police Department of Chicago and the disposition of such tickets. There also is included a statement showing the traffic warrants and capiases issued by the Municipal Court of Chicago, 1st Municipal District of the Circuit Court of Cook County, to the Police Department for services in connection with said violations and the disposition of these warrants and capiases."

Court Decisions.

Also communications from the Department of Law, signed by Marsile J. Hughes, Howard C. Goldman, RocLyne E. LaPorte and Joseph N. Lascaro, Assistants Corporation Counsel and Marvin E. Aspen, Head of Appeals and Review Division, informing the City Council as to court decisions in the causes noted below, which were *Placed on File:*

City of Chicago, plaintiff-appellee, vs. Lowell J. Myers, defendant-appellant. Appellate Court No. 51257, Supreme Court No. 39924M. The Appellate Court of Illinois on May 14, 1968 reversed the judgment for Five Dollars against the defendant for parking violation on a public highway. The Appellate Court dismissed this suit on the grounds that the Circuit Court of Cook County had vacated the judgment and dismissed the case. The Supreme Court of Illinois thereafter ruled that, after an appeal from the original judgment had been filed, the Appellate Court had no jurisdiction to

dismiss and remanded the cause to the Appellate Court for its further decision; the Appellate Court thereupon heard the case on the merits. The record showed that no evidence had been introduced before the Circuit Court to sustain the finding that Myers had violated the ordinance.

City of Chicago, a Municipal Corporation v. George Reid, Appellate Court of Illinois-First District, Case No. 52219. The Appellate Court of Illinois, First District on May 2, 1968 sustained the judgment of the trial court finding the defendant Reid guilty of a violation of the building regulations of the City of Chicago and assessing a fine and costs. Several technical arguments relating to interrogatories, proof of ownership etc. which were raised by the defendant-appellant were summarily disposed of in the courts' opinion; the opinion reaffirmed the rule that ordinance violation prosecutions are quasi-criminal in character but are subject and tried under the rules of civil proceedings; in addition, the opinion reaffirmed the rule that correction of unsafe and dangerous conditions can be enforced in buildings erected prior to the effective date of the applicable ordinance.

City of Chicago v. Westphalen, Illinois Appellate Court No. 51834. On May 9, 1968, the Illinois Appellate Court rendered an opinion affirming in part, reversing in part and remanding a judgment of the Circuit Court of Cook County which had convicted the defendant of seven building code violations. The defendant was charged with eight building code violations relating to an apartment building. The Circuit Court allowed an oral motion to non-suit count 1 of the complaint; the defendant was found guilty on count 2 through 8 and was fined $250.00 and costs. The Illinois Appellate Court affirmed the Circuit Court of Cook County as to counts 2 and 5; it reversed the convictions as to counts 3, 4, 6, 7 and 8 stating that, "[i]n the absence of any testimony as to such specific facts or a description of the actual conditions, the statements that they were 'defective' is a conclusion, insufficient in itself to support a finding of guilty on the counts in question, ... ". The Illinois Appellate Court also reinstated count 1 of the complaint, holding that the motion for non-suit should have been denied as "[a]n oral motion alone is insufficient to comply with the requirements for consent after commencement of the suit." The cause was remanded to the Circuit Court of Cook County for further proceedings with regard to count 1 and for the assignment of fine as to counts 3 and 5.

Evans v. License Appeal Commission, Illinois Appellate Court No. 52525. The Illinois Appellate Court, on April 22, 1968 rendered an opinion which affirmed the judgment of the Circuit Court of Cook County. The Circuit Court had reversed the order of the License Appeal Commission affirming the order of the Local Liquor Control Commissioner revoking the liquor license of the plaintiff Evans for the premises at No. 1538 N. Halsted Street. Plaintiff's liquor license was revoked because her bartender allegedly permitted a female to solicit for purposes of prostitution. The Illinois Appellate Court in affirming the judgment of the Circuit Court held that the determination of the Commissioner and the License Appeal Commission was not supported by substantial evidence because there was not sufficient evidence introduced to show that the bartender heard the solicitation for prostitution by the girl, and thereby permitted her to solicit for prostitution on the licensed premises. The Court held that the verbal exchange between two officers and the bartender, Carbona, failed to establish the fact that Carbona permitted the officers to be solicited; the Court was of the opinion that the solicitation had already taken place in that no evidence was proved that Carbona was aware of the solicitation for prostitution.

Annual Audit of Office of City Treasurer.

Also a communication under date of May 13, 1968 from Marshall Korshak, City Treasurer, submitting a copy of the annual audit of all monies and securities in the office of the City Treasurer from Thomas W. Havey and Company and a condensed copy of the report as of December 31, 1967, which was *Placed on File.*

REPORTS OF COMMITTEES.

Committee reports were submitted as indicated below. ***No request under the statute was made by any two aldermen present to defer any of said reports, for final action thereon, to the next regular meeting of the Council, except where otherwise indicated.***

COMMITTEE ON HEALTH.

Action Deferred—ON PROPOSED ORDINANCE FOR AMENDMENT OF REGULATIONS TO AIR POLLUTION CONTROL ORDINANCE INTENDED TO MEET NEWLY ARISEN PROBLEMS IN AIR POLLUTION.

The Committee on Health submitted the following report, which was, on motion of Alderman Harvey and Alderman Keane *Deferred* and ordered published:

CHICAGO, May 24, 1968.

To the President and Members of the City Council:

Your Committee on Health, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on January 17, 1968) to amend The Chicago Air Pollution Control Ordinance (Chapter 17 of the Municipal Code of Chicago), begs leave to recommend that Your Honorable Body pass the said proposed ordinance, *as amended.*

This recommendation was concurred in by 8 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) WILLIAM H. HARVEY,
Chairman.

The following is the proposed amended ordinance transmitted with the foregoing committee report:

Be It Ordained by the City Council of the City of Chicago:

Section 1(a). The Municipal Code of Chicago, Chapter 17, Section 17-2, is hereby amended by adding a new definition, to be numbered 2.59A, as follows:

"(2.59A) *Indirect Heat Exchanger:* Equipment in which fuel is burned for the primary purpose of producing steam, hot water, or hot air, or other indirect heating of liquids, gases or solids, in which the products of combustion do not come into direct contact with process materials. Fuels may include, but are not limited to, coal, coke, lignite, coke breeze, gas, fuel oil and wood, but do not include refuse. When any products or by-products of a manufacturing process are burned for the same purpose, or in conjunction with any fuel, the same maximum limitation shall be governed by the most stringent limitation when refuse burning and indirect heat exchanger emissions are both considered."

(b) The Municipal Code of Chicago, Chapter 17, Section 17-2, is hereby further amended by adding certain language, which is in italic below, to definition number (2.46), "Fuel-Burning, Combustion or Process Equipment or Device", as follows:

"(2.46) Fuel-Burning, Combustion or Process Equipment or Device: Any furnace, incinerator, *compactor,* fuel-burning equipment, refuse-burning equipment, boiler, apparatus, device, mechanism, fly ash collector, electrostatic precipitator, smoke arresting or prevention equipment, stack, chimney, breeching or structure, used for the burning of fuel or other combustible material, or for the emission of products of combustion, or used in connection with any process which generates heat and may emit products of combustion; and shall include process furnaces, such as heat treating furnaces, by-product coke plants, core-baking ovens, mixing kettles, cupolas, blast furnaces, open hearth furnaces, heating and reheating furnaces, puddling furnaces, sintering plants, bessemer converters, electric steel furnaces, ferrous foundries, non-ferrous foundries, kilns, stills, dryers, roasters, and equipment used in connection therewith, and all other methods or forms of manufacturing, chemical, metallurgical or mechanical processing which may emit smoke, or particulate, liquid, gaseous or other matter."

(c) The Municipal Code of Chicago, Chapter 17, Section 17-2, is hereby further amended by deleting certain figures, which are contained in brackets below, and substituting new figures therefor, which are in italics below, with respect to definition numbered (2.76), "Ringelmann Chart", as follows:

"(2.76) Ringelmann Chart: The chart published and described in the U.S. Bureau of Mines Information Circular [6888,] *8333,* and on which are illustrated graduated shades of grey to black for use in estimating the light obscuring capacity of smoke."

Section 2. The Municipal Code of Chicago, Chapter 17, Section 17-19, is hereby amended by deleting certain language, which is contained in brackets below, and by adding certain language, which is in italic below, as follows:

"17-19. For the purpose of aiding the director in establishing a code of recommended practices and in reaching technically correct decisions on all matters pertaining to the enforcement of the provisions of this chapter, a technical advisory board, to be appointed by the mayor, by and with the consent of the city council, is hereby established. The advisory board shall consist of seven members, one of whom shall be designated by the mayor as chairman, and four of whom shall constitute a quorum. They shall be appointed for a term of four years, or until their respective successors are appointed and qualified, except that of the initially appointed board, two members shall serve for one year, two members for two years, two members for three years, and one member for four years. [All seven] *Six* members shall be

scientists, or registered professional engineers acquainted with at least one phase of air pollution and its control as well as with industrial processes and equipment, whose experience and training qualify them to give competent technical advice to the director. They shall not be interested in the sale to the public of any fuel-burning, combustion or process equipment or device. Members appointed to fill vacancies shall have the same general qualifications required for their predecessors.

"It shall be the duty of the advisory board to work with the director in the promulgation and adoption of the code of recommended practices. It shall be the further duty of the advisory board to advise the director and the appeal board with respect to the technical points concerned with the enforcement of the provisions of this chapter; but neither the director nor the appeal board shall be required to act on the advice of the advisory board if, in their respective opinions, there is good and sufficient reason to believe that such advice will not serve the best interests of the public.

"Meetings of the advisory board shall be held at such times as deemed necessary by the chairman or by the director. The compensation of each member shall be as set forth in the annual appropriation ordinance."

Section 3. The Municipal Code of Chicago, Chapter 17, Section 17-21, is hereby amended by deleting certain language, which is contained within brackets below, and by adding certain language, which is in italic below, as follows:

"17-21. Any person taking exception to and affected by any final decision, ruling, requirement, rule, regulation or order, or failure to act upon request within a reasonable period of the director, may take an appeal to the appeal board as established by this chapter. Such appeal shall be taken within thirty days after receiving notice of such decision, ruling, requirement, rule, regulation or order, or failure to act upon request within a reasonable period, by filing with the director a notice of appeal directed to the appeal board, specifying the grounds thereof and the relief prayed for. The director shall forthwith furnish to the appeal board all the papers relating to the case. [The appeal board, not less than five days and not more than ten days after the date of filing the appeal, shall set a date for the hearing, and shall give notice thereof by mail to the interested parties.] *Beginning with the date of filing of the appeal, the appeal board, not less than five days nor more than ten days thereafter, shall set a date for the hearing, which shall be held within the following twenty-one days, and shall give written notice thereof by mail to the interested parties.* The appeal board may in its discretion grant continuances. Such an appeal shall act as a stay of the decision, ruling, requirement, rule, regulation or order in question until the appeal board has taken final action on the appeal. At the hearing any party may appear in person or by agent or attorney, and present evidence, both written and oral, pertinent to the questions and issues involved, and may examine and cross-examine witnesses. [The appeal board, after the hearing, shall affirm, modify or reverse the decision, ruling, requirement, rule, regulation or order of the director, or order him to act.] *The appeal board, no later than ninety days after the filing date, shall affirm, modify or reverse the decision, ruling, requirement, rule, regulation or order of the director, or order him to act.* The decision of the appeal board shall be binding on the director.

"The provisions of the "Administrative Review Act", approved May 8, 1945, and all amendments and modifications thereof, and the rules adopted pursuant thereto, shall apply and govern all proceedings for the judicial review of final administrative decisions hereunder.

"The appeal board at its expense shall provide a stenographer to take the testimony and preserve a record of all proceedings under this chapter. The notice of appeal, the notice of hearing, all other documents in the nature of pleadings and written motions filed in the proceedings, the transcript of testimony and the findings of fact and decisions shall be the record of the proceedings. The appeal board shall furnish a transcript of such record to any person interested as a party to such hearing upon the payment thereof of seventy-five cents per page for each original transcript, and twenty-five cents per page for each carbon copy thereof. However, the charges of any part of such transcript ordered or paid for previous to the writing of the original record shall be twenty-five cents per page.

"The appeal board shall not be required to certify any record or file any answer or otherwise appear in any proceeding for judicial review unless the party filing the appeal deposits the sum of ninety-five cents per page representing costs of certification. Failure on the part of the appellant to make such deposits shall be grounds for dismissal of the action. Upon judicial review the secretary of the appeal board shall certify the record."

Section 4. The Municipal Code of Chicago, Chapter 17, Section 17-22, is hereby amended by deleting said section in its entirety, which is contained within brackets below, and substituting therefor a new section, which is in italic below, as follows:

"[17-22. Open fires other than those covered by section 17-31 of this code, diesel motor vehicles and all fuel-burning, combustion or process equipment, incinerators or devices shall meet the requirements of section 17-23.]"

"17-22. It shall be unlawful, two years after passage of this amendment, to burn refuse, garbage or other debris in any boiler or any unit which has not been specifically designed for that purpose and for which an effective Certificate of Operation has not been issued."

Section 5. The Municipal Code of Chicago, Chapter 17, Section 17-23, is hereby amended by adding certain words, which are in italic below, as follows:

"It shall be unlawful within the City of Chicago and within one mile of the corporate limits for any person, owner, agent, operator, firm or corporation to permit to cause, suffer or allow the emission of any smoke from any source whatever of a density, shade or opacity equal to or greater than that described as #2 on the Ringelmann chart as published by the United States Bureau of Mines provided that the following exceptions to the provisions of this section shall be permitted for fuel burning, *combustion or process* equipment.

"(1) For a period or periods aggregating 4 minutes in any 30 minutes of a density, shade or opacity equal to but not greater

than that described as #2 on the Ringelmann Chart.

"(2) For a period or periods aggregating 4 minutes in any 60 minutes of a density, shade or opacity equal to but not greater than that described as #3 on the Ringelmann Chart when building a new fire."

Section 6. The Municipal Code of Chicago, Chapter 17, Section 17-24, is hereby amended by deleting in their entireties subparagraphs (1), (2), (4) and (5), which are contained in brackets below, by substituting new subparagraphs similarly numbered therefor, which are in italic below, and by adding new subparagraphs (6), (7) and (8), which are in italic below, as follows:

"[(1) The basic limitation on the average emission into the atmosphere of particulate matter from any single such source of emission shall be 0.35 grains per cubic foot of gas measured at a temperature of 60 degrees Fahrenheit and a pressure of 30 inches of mercury, under steady conditions, provided that for emissions at levels 100 feet or more above grade, the basic limitation shall be increased by the amount of particulate matter of less than 10 microns in size, if any, up to a maximum increase of 0.03 (H/100) grains per scf, where H is the height of discharge in feet above grade.]"

(1) The limitation for all industrial particulate emissions shall be 0.10 grains per standard cubic foot, with the exception of indirect heat exchanger emissions and incinerator emissions."

"[(2) The limitation on the emission of that portion of the particulate matter which is 44 microns in size or larger from any single such source shall be 0.21 grains per scf.

[The foregoing requirements shall be measured by the methods for dust reporting apparatus as in current use as outlined in the Tentative Code for Dust Separating Apparatus of the American Society of Mechanical Engineers, which is hereby made a part of this chapter by reference, or in accordance with modified procedures mutually agreed upon by the director and such person. A copy of said Tentative Code shall be kept on file in the office of the department subject to examination by interested persons.]"

"(2) The emissions from indirect heat exchangers shall be limited as follows:

For equipment over 288,000 and under 10 million BTU's per hour input, the dust emissions shall be limited to 0.5 pounds per million BTU's input. If the capacity rating of the fuel burning equipment is more than 10 million BTU's per hour input, the amounts of particulate matter which may be emitted for each million BTU input shall decrease as the capacity rating of the fuel burning equipment increases as follows:

(a) No more than .50 pounds for each million BTU's input from equipment having a capacity rating of 10 million;

(b) No more than .39 pounds for each million BTU's input from equipment having a capacity rating of 50 million;

(c) No more than .34 pounds for each million BTU's input from equipment having a capacity rating of 100 million;

(d) No more than .29 pounds for each million BTU's input from equipment having a capacity rating of 1,000 million; and,

(e) No more than .18 pounds for each million BTU's input from equipment having a capacity rating of 5,000 million.

The amount of particulate matter which may be emitted from fuel burning equipment having an intermediate capacity rating shall be determined by linear interpolation when plotted on Log-Log Graph Paper. If two or more fuel burning units are connected to a single flue, the total capacity rating of all fuel burning units connected to the flue shall be the capacity rating for the purpose of computing the amount of particulate matter which may be emitted. If a single fuel burning unit is manifolded to two or more flues, the capacity rating of the single fuel burning unit shall be the capacity rating for the purpose of computing the amount of particulate matter which may be emitted. The foregoing requirements shall be measured by the methods of the American Society of Mechanical Engineers (ASME), Power Test Code 27-1957 (PTC27-1957), Determining Dust Concentration in a Gas Stream, which is hereby made a part of this chapter by reference, or in accordance with modified procedures mutually agreed upon by the Director and such person. A copy of the said Code shall be kept on file in the office of the Department subject to examination by interested persons."

"(3) A specified volume ratio, or other suitable index, or particulate bearing gas shall be established in accordance with section 17-13, subparagraph (11) for various pieces, types or classes of fuel-burning, combustion or process equipment or devices, which constitute potential sources of emission of particulate matter; provided, however, that with respect to coal burning combustion equipment the basic limitations set forth in subparagraph (1) of this section shall be adjusted to a gas volume based upon 50 per cent excess air."

"[(4) All existing coal burning combustion equipment shall meet the limitations set forth in subparagraphs (1), (2) and (3) of this section within five years from the effective date of this chapter.]"

"(4) All existing combustion equipment shall meet the limitations of this section within two years from the effective date of this amendment, and all new equipment shall meet the limitations upon installation."

"[(5) Until such time as definite standards are established and/or are applicable, emissions of particulate matter from all fuel-burning combustion or process equipment or devices shall not exceed emissions which would result from operations in accordance with existing normal good operating practice.]"

"(5) All existing process and control equipment shall meet the limitations set forth in subparagraph (1) of this section within one year of the effective date of this amendment, and all new equipment shall meet the limitations upon installation."

"(6) Emissions of particulate matter from all fuel burning combustion or process equipment or devices shall not exceed emissions which would result from operations in accordance wtih limitations set forth in this chapter."

"(7) The basic limitation on the average emission into the atmosphere of particulate matter from an incinerator shall be 0.20 grains per cubic foot of gas at standard conditions. These calculations are to be made at 50 per cent excess air

and are to be the result of tests conducted in the field under field conditions, costs of which shall be assumed by the owners if emissions exceed allowable limits. All existing incinerators shall meet the limitations set forth in this paragraph within three years of the time of the effective date of this amendment, and all new equipment shall meet the limitations upon installation."

"(8) The emissions, other than water vapor, from any sources that are liable to generate or evolve into particulate form through phase change or other transformation shall be deemed to be particulate matter at the emitted point."

Section 7. (a) The Municipal Code of Chicago, Chapter 17, Section 17-25, is hereby amended by deleting subsections (1)(a), (b) and (c), which are contained in brackets below, as follows:

"[(1) Railroad Locomotives—Steam

[(a) When a firebox is cleaned or a new fire built in locomotives, smoke of an appearance, density, or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than four minutes in any sixty minute period.

[(b) After a yard or switching locomotive is in service or ready for service, smoke of an appearance, density, or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than one minute in any fifteen minute period.

[(c) After a road or transfer locomotive is in service or ready for service, smoke of an appearance, density, or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than two minutes in any fifteen minute period.]"

(b) The Municipal Code of Chicago, Chapter 17, Section 17-25, is hereby further amended by renumbering subsection (2) thereof as subsection "(1)," with no other change, and by renumbering subsection (6) thereof as subsection "(2)," with no other change.

(c) The Municipal Code of Chicago, Chapter 17, Section 17-25, is hereby further amended by adding a new subsection numbered "(3)," as follows:

(c) The provisions of subparagraph (3)(a) of this section shall not apply to acts performed with respect to fuel owned or under contract for purchase by a purchaser who uses or intends to use such fuel in any fuel burning equipment for which a certificate of operation has been issued under subparagraph (3)(b), or where a variance has been granted pursuant to the provisions of Section 17-74(3) of this chapter.

"(2) In determining under what conditions and to what extent a variance from any of said

requirements is necessary and will be permitted, the appeal board shall exercise a wide discretion in weighing the equities involved and the advantages and disadvantages to the public health, safety and welfare and to any lawful business, occupation or activity involved, resulting from requiring compliance with any such requirement or resulting from granting a variance.

"(3) The appeal board is further given authority to grant an individual variation for fuel burning equipment from the provisions of Section 17-25(3)(a) hereof under the following conditions:

(a) Said variation shall be limited so that such equipment may be permitted to burn fuel containing percentages of sulfur by weight in excess of the limitations prescribed by said Section 17-25(3)(a) hereof whenever an applicant shall establish before the board that it can and will pursue a bona fide program restricting the quantity of fuel burned in said equipment in the aggregate owned or operated in the City of Chicago by said applicant with the effect that:

(2) Such equipment in the aggregate will not emit sulfur compounds in a percentage greater than sixty-six percent (66%) by weight of the aggregate amounts of sulfur compounds emitted in the year 1967 by said equipment, for a period of one year beginning three years from the effective date of this amendment.

(3) Such equipment in the aggregate will not emit sulfur compounds in a percentage greater than fifty-eight percent (58%) by weight of the aggregate amounts of sulfur compounds emitted in the year 1967 by said equipment, for a period of one year beginning four years from the effective date of this amendment.

(4) Such equipment in the aggregate will not emit sulfur compounds in a percentage greater than fifty percent (50%) by weight of the aggregate amounts of sulfur compounds emitted in the year 1967 by said equipment, for each year thereafter.

(b) The variance shall not permit the applicant, in meeting the percentages set forth in (1), (2), (3) and (4) of this subsection to operate his equipment in any calendar month so that the sulfur compound emissions for that month materially exceed such percentages of such emissions in the corresponding calendar month of 1967."

(4) The City shall provide services including, but not to the exclusion of other items not specified, elevator services, water, heat, light, electricity, air-conditioning, repairs and replacements, janitor cleaning and caretaking services, all at its own expense without any right of reimbursement from the Commission therefor.

Insurance premiums and administrative expenses of the Commission shall be deemed an obligation of the Lessor under the terms of this Lease.

The City further covenants that during the entire term of this Lease it will operate and keep said City Hall Building repaired and maintained in strict compliance with the recommendations of the Architect-Engineers or a Building Management Consultant Firm employed for the purpose of making the Report and recommendations required to be made annually by Section 10.5 of the Bond Resolution, a copy of which Report shall be filed with the Lessee within thirty days after said Report and recommendations are made to Lessor annually.

(5) The Commission shall, on or before seventy (70) days preceding the first day of January, 1969, and on or before seventy (70) days preceding the first day of each fiscal year thereafter during the term of this Lease, file with the City a certified copy of the annual budget of the Commission, as required by and provided for in Section 16.1 of said Bond Resolution.

(6) The City, in its sole discretion, may pay in advance any proportion of the annual rental, in which event the Commission shall

credit the City with such advanced payment and any and all advanced payments so made shall be credited against any rentals thereafter falling due as the City may direct.

(7) Upon the execution of this Lease, the City, by its governing body, shall provide by ordinance for the levy and collection of a direct annual tax sufficient to pay the annual rents payable under this Lease, as and when such rents become due and payable, and immediately file in the office of the County Clerk of Cook County, Illinois, a certified copy of this Lease and a certified copy of the aforesaid tax levying ordinance, which certified copy shall constitute the authority for the County Clerk of Cook County, Illinois, to extend the taxes annually necessary to pay the annual rents under this Lease as and when they become due and payable, in addition to and in excess of all other taxes to be levied by the said City. The funds realized by the City from such tax levies shall not be disbursed for any purpose other than the payment of the rentals reserved in this Lease.

(8) If the Commission by resolution determines that sufficient funds are not available to complete the improvement, alteration and renovation of said City Hall Building, or any part thereof, and that it will be necessary to issue additional Bonds pursuant to Article 12 of the Bond Resolution, and the City refuses to enter into a supplemental lease to increase the annual rental payments provided for herein by an amount sufficient to amortize said additional Bonds, then the Commission shall cause such work to be completed with such modifications and eliminations as may be required by such lack of funds. However, the terms and conditions of this Lease, including the annual rental payments hereunder, shall remain in full force and effect.

(9) In addition to the space presently occupied by the lessees the Commission will tender possession of portions of the remaining allocated space leased hereby in said City Hall Building as soon as such portions can be made available during the progress of the work. The Commission will use its best efforts to complete the improvement, alteration and renovation of said City Hall Building at the earliest possible date and to tender possession of all of the space in said City Hall Building leased hereby not later than the latest completion date or dates provided for in the contract or contracts let for the doing of the work, but failure to deliver possession of all of such space by such latest date shall not relieve the City of its obligation to pay the

fixed annual rentals provided for herein. Determination of the dates on which the City may assume possession of all or portions of such space shall be within the sole judgment of the Commission and written notice of such dates shall be served on the City at least sixty (60) days prior thereto. It shall be the responsibility of the Commission prior to possession by the City to clean the premises thoroughly.

(10) The City shall have access at all reasonable times to the demised premises for the purposes of planning and installing furnishings and equipment which the City may wish to install prior to taking possession of the altered, improved and renovated space in said City Hall Building.

(11) During the period of improvement, alteration and renovation, of said City Hall Building, the Commission may make changes in the plans and specifications as tenant plans are developed during the course of construction, and reserves the right to make other minor changes in the plans and specifications as the Commission deems necessary or desirable.

(12) The cost of moving into the altered, improved and renovated space in said demised premises shall be at the City's sole expense, but the actual operation of moving shall be under the direction and supervision of the Commission. The City or its agents, shall provide such moving equipment as the Commission may reasonably request and shall be responsible to the Commission for any damage or defacement of the City Hall Building caused by the City or any of its workmen during such moving. All deliveries of supplies to said City, equipment or the like, shall during the term of this Lease, be subject to such reasonable rules and regulations governing the same as the Commission may, in the future, promulgate.

(13) The City may install in the space occupied by them in accordance with the terms of this Lease such portable equipment, fixtures, or furniture as it may desire; but shall not make any structural alterations or additions to the City Hall Building leased without the written consent of the Commission.

The City shall not place a load upon any floor of the demised premises exceeding the floor load per square-foot area which such floor was designed to carry. The Commission reserves the right to prescribe

safe floor-loading regulations with respect to the weight and position of all equipment and other objects which must be placed so as to distribute the weight.

(14) The Commission shall have access into, through, and upon the demised premises at all times; said access, except in case of emergency, shall be on reasonable notice and at reasonable times so as to minimize the interference with the operation of business in the demised premises.

(15) The City covenants and agrees that it will not permit the use of the leased premises in any manner that will increase the rate of insurance thereon, or for any purpose which will result in a violation of State or Federal laws, rules, or regulations, or resolutions or ordinances of the City of Chicago, now or hereafter in force and applicable thereto. The City further covenants and agrees that it will promptly reimburse the Commission for any and all changes and alterations in and about the leased premises, which, during the term of this Lease, may be required to be made at any time by reason of the ordinances of the City of Chicago, Illinois or State or Federal laws; and will save the Commission harmless and free from costs or damage in respect thereto.

(16) The Commission shall provide liability insurance in an adequate amount protecting the Commission against loss on account of injury or damage to persons or property, imposed by reason of the ownership of the City Hall Building, or resulting from any act of omission or commission on the part of the Commission, its agents, officers, and employees in connection with the City Hall Building.

(17) The Commission will carry a special Multi-Peril Policy of Insurance in an amount equal to the full replacement value as recommended and certified by the Architect-Engineers, insuring the City Hall against physical loss or damage, including fire and extended coverage, and against such other risks as may be deemed necessary or advisable by the Commission; and that as contracts are awarded by the Commission for the doing of the work involved in the alteration, improvement and renovation of the City Hall Building, said Multi-Peril Policy will be endorsed to cover the value of said work and to have the insurer waive subrogation against all contractors, sub-contractors and material suppliers doing said work or furnishing supplies. The Commission will not carry insurance of any kind on furniture or furnishings

or on any fixtures, equipment, improvements, or appurtenances, owned by the City or leased by the City from other than the Commission and located in said City Hall Building, by the City under the provisions of this Lease; and the Commission shall not be obligated to repair any damage thereto resulting from fire or other casualty or to replace the same if destroyed by fire or other casualty.

(18) All officers and employees of the Commission authorized to receive or retain the custody of money or to sign vouchers, checks, warrants, or evidences of indebtedness on behalf of the Commission, shall be bonded for the faithful performance of their duties and the faithful accounting of all moneys and other property that may come into their hands, in an amount to be fixed and in a form to be approved by the Commission.

The Commission will maintain and keep proper books of record and accounts separate from all other records and accounts, in which shall be made full and correct entries of all transactions relating to the City Hall Building. Not later than one hundred and twenty days after the close of each fiscal year, the Commission will cause an annual audit of its books, records, and accounts for the preceding fiscal year to be made by an independent certified public accountant, and will mail a copy of such audit report to the City. Such books, records, and accounts shall be open for inspection to the City at all reasonable times.

(19) No portion of the funds paid by the City to said Commission shall be used for any purpose inconsistent with the conditions of this Lease.

(20) Any notice or any demand required or permitted by the Resolution shall be served in the following manner:

(a) By delivering a duly executed copy thereof to the Chairman or Secretary of the Commission, if the Commission is being served; or to the City Clerk, if the City is being served;

(b) By depositing a duly executed copy thereof in the United States mails, by registered or certified mail, duly addressed to the Commission or City.

Service by such mailing shall be deemed sufficient if addressed to the Commission or City at such address as the Commission or City may

(21) The leasehold rights, duties, and obligations of the City, as specified in this Lease Agreement, shall not be assigned or sublet in whole or in part during the term of this Lease Agreement, or while any City Hall Revenue Bonds, Series of 1968, of the Commission are outstanding and unpaid, except that the City may sublease all or part of the space leased by it if the Commission agrees to such sublease and if such sublease is permitted by law.

(22) This Lease Agreement shall inure to the benefit of and be binding upon the respective parties hereto, their successors and assigns, and shall also inure to the benefit of the holders of any of the Bonds of the Commission referred to herein, as their interests may appear.

WHEREAS, the relocation of the municipal division of the Circuit Court for the City of Chicago, and various other departments and agencies of the governments of the City of Chicago from the existing City Hall Building into the Civic Center building complex has left vacant, outmoded, and inadequate space in the existing City Hall Building situated in the West ½ of the block bounded by Washington, La Salle, Randolph, and Clark Streets, in the City of Chicago, and lying to the west of the new Civic Center building complex; and

WHEREAS, various departments and agencies of the government of the City are presently housed in inadequate private building facilities at widely scattered locations; and

2

WHEREAS, such inadequate and outmoded facilities, and the scattered location of various departments and agencies of the government of the City, impair the efficient, economical, and indispensable governmental functions of said departments and agencies of the City government; and

WHEREAS, there is urgent need for the alteration, renovation, and improvement of the said City Hall Building; and

WHEREAS, one of the express purposes of the Public Building Commission Act of Illinois is to eradicate the aforesaid conditions and make possible the construction, acquisition, alteration or enlargement of buildings to be made available for use by governmental agencies with the intent and purpose of centralizing, insofar as is practicable, the activities of the different branches of government; and

WHEREAS, the Board of Commissioners of the Public Building Commission of Chicago did, by proper resolution adopted on January 9, 1968, pursuant to the terms and provisions of the Act, select, locate, and designate the site of the existing City Hall Building, bounded by Washington Street on the south, La Salle Street on the west, Randolph Street on the north and the existing County Building on the east, in the City of Chicago, as a site necessary to be acquired by the Commission for the alteration and improvement of the buildings thereon, said improved site being legally described as:

West ½ of Block 39, in the Original Town of Chicago, in Section 9, Township 39 North, Range 14 East of the Third Principal Meridian, situated in the City of Chicago, County of Cook, and State of Illinois; and

WHEREAS, said site has been approved by a majority of the members of the governing body of the County Seat, being the City Council of the City of Chicago, Illinois, as required by Section 14 of said Public Building Commission Act; and

WHEREAS, the City of Chicago, will pursuant to resolution duly adopted by its governing body, being the City Council, by appropriate instrument of conveyance, duly executed, convey the fee simple title in and to the aforesaid City Hall property to the Public Building Commission of Chicago; and

WHEREAS, certain departments and agencies of government of the City, which are presently housed in either inadequate private building facilities at widely scattered locations, or in inadequate, outmoded space in the existing City Hall Building, could now be more appropriately housed in the vacated space in the City Hall Building; and

WHEREAS, Architect-Engineers have prepared plans and specifications for the alteration, improvement, and renovation of the said City Hall Building to house various branches and departments of the government of the City of Chicago, which Architect-Engineers' plans and specifications have been approved by the Commission and are now on file in the office of the Secretary of the Commission; and

WHEREAS, the Commission will enter into a lease with the City of Chicago, by which lease, in consideration of the Commission's altering, improving, and renovating of said City Hall Building for occupancy by said City, said City agrees to pay rentals commencing on the first day of January, 1970, and on the first day of January of each year thereafter to and including the first day of January, 1979, and for the payment of which rentals said City will be required to adopt proceedings for the levy of taxes against all taxable property within its boundaries sufficient to pay the rentals provided by said lease, said taxes to be levied and collected for each of the years 1968 to 1977, inclusive; and

WHEREAS, the Commission has heretofore estimated the cost of altering, improving, and renovating said City Hall Building, including the cost of equipping the same and all other expenses connected therewith, including architectual, engineering, legal, and all financing costs;

After such registration and notation, no transfer of any such Coupon Bond registered otherwise than as to bearer shall be valid unless evidenced by a written instrument of transfer, in form satisfactory to the Trustee, as Bond Registrar, duly executed by the registered owner in person or by his duly authorized agent; but any such Coupon Bond so registered may be discharged from registration, and transferability by delivery be restored, by a like transfer to bearer similarly registered and noted, and after such transfer to bearer such Bond shall be a bearer Bond. Any such Coupon Bond containing provisions for registration may again, from time to time, in like manner, be registered as to principal only, or be transferred to bearer. Registration of any such Bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely, notwithstanding such registration as to principal.

SECTION 4.3. Any Registered Bond may be transferred pursuant to its provisions at the principal office of the Trustee, as Bond Registrar, in the City of Chicago, Illinois, by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to the Trustee, as Bond Registrar, duly executed by the registered owner in person or by his duly authorized agent, and thereupon the Commission will issue, or cause to be issued, and authenticated, and deliver or cause to be delivered at the office of the Trustee in the City of Chicago (or send by registered mail to the owner thereof), in the name of the transferee or transferees, a new Registered Bond, of like form, interest rate, principal amount and maturity, dated so that there shall result no gain or loss of interest as a result of such transfer. To the extent of denominations authorized in respect of any such Bond by the terms thereof or by the terms of this Resolution one such Registered Bond may be exchanged for several such

All or any of the Bonds may also bear such an endorsement or legend satisfactory to the Trustee as may be required to conform to usage or law with respect thereto.

Whenever Registered Bonds with proper instruments of transfer shall be surrendered to the Trustee for exchange for Coupon Bonds of like interest and maturity, the Commission will issue, or cause to be issued, and deliver, or cause to be delivered, at the principal office of the Trustee in the City of Chicago (or send by registered mail to the owner thereof) in exchange, a like principal amount of Coupon Bonds of the same interest rate and maturity, in bearer form, of the serial number or numbers so reserved upon the issue of the Registered Bond

or Bonds so surrendered, bearing coupons so that no gain or loss of interest shall result from such exchange.

SECTION 4.5. In every case of an exchange of Bonds, or of a transfer of any Registered Bond, the surrendered Bonds and coupons, if any, shall be cancelled by the Trustee, and satisfactory evidence of such cancellation shall be furnished to the Treasurer. As a condition of any such exchange, or of any registration or transfer, the Commission at its option may require the payment of a sum sufficient to reimburse it for any stamp tax or other governmental charge that may be imposed thereon, and, in addition thereto in the case of exchange of Bonds or the transfer of a Registered Bond, such reasonable charge therefor to cover the expense of making such exchange or transfer. All Bonds executed, authenticated and delivered in exchange for or upon transfer of Bonds so surrendered shall be valid obligations of the Commission, evidencing the same debt as the Bonds surrendered, and shall be entitled to all the benefits and protection of this Resolution to the same extent as the Bonds in exchange for or upon transfer of which they were executed, authenticated and delivered.

Anything herein to the contrary notwithstanding, the Commission will, without any charge to the holder of any fully Registered Bond initially issued hereunder, upon written request of any such Bondholder, deliver or cause to be delivered at the principal office of the Trustee in exchange for any such fully Registered Bond, other fully Registered Bonds in any denomination provided by this Resolution, or Coupon Bonds with appropriate coupons attached of the denomination provided by this Resolution, in an equal aggregate principal amount and of the same interest rate and maturity.

SECTION 4.6. In case any Bond shall become mutilated in respect of the body of such Bond or the coupons, if any, appertaining thereto, or shall be delivered by the Commission to have been destroyed, stolen or lost, upon proof of ownership satisfactory to the Commission and upon the surrender of such mutilated Bond with its coupons, if any, at the office of the Trustee in the City of Chicago, Illinois, or upon the receipt of evidence satisfactory to the Commission and the Trustee of such destruction, theft or loss, and upon receipt also of indemnity satisfactory to the Commission and the Trustee and upon payment of all expenses incurred by the Commission and the Trustees for any investigation relating thereto and for each new Bond issued under this

Section, the Commission shall cause to be authenticated by the Trustee and issued and delivered, at the office of the Trustee in the City of Chicago, Illinois, a new Bond or Bonds of the same interest rate and maturity and for the same aggregate principal amount with the unpaid coupons, if any, appertaining thereto, of like tenor and date, bearing the same issue number or numbers, with such notations as the Commission and the Trustee shall determine, in exchange or substitution for and upon cancellation of the mutilated Bond and its coupons, if any, or in lieu of and in substitution for the Bond and its coupons, if any, so lost, stolen or destroyed.

If any such destroyed, stolen or lost Bond or coupon shall have matured, payment of the amount due thereon may be made by the Trustee on receipt of like proof, indemnity and payment of expenses.

Any duplicate Bond or coupons issued pursuant to this Section shall be entitled to equal and proportionate benefits with all other Bonds issued hereunder. Neither the Commission, nor the Trustee, shall be required to treat both the original Bond and any duplicate Bond as being outstanding for the purpose of determining the principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds outstanding hereunder, but both the original and duplicate Bond shall be treated as one and the same.

ARTICLE 5.

Bonds To Be Negotiable Instruments.

Section 5.1. All Bonds issued pursuant to this Resolution, subject to the provisions for registration and transfer herein and in the Bonds contained, shall be negotiable instruments and shall have all of the qualities and incidents of negotiable instruments under the laws of the State of Illinois. The Commission, the Trustee, the Treasurer, the Paying Agents and any other person may treat the registered owner of a Registered Bond or the bearer of a Coupon Bond (or, if such Coupon Bond be registered as to principal, the registered owner) and the bearer of any coupon appertaining thereto as the absolute owner of the Bond or coupon for the purpose of making payment thereon and for all other purposes, and neither the Commission nor the Trustee, Paying Agents, Bond Registrar nor the Treasurer shall be bound by any notice or knowledge to the contrary. All payments of or on account of interest to

any bearer of a coupon or any registered owner of a Registered Bond and of or on account of principal to the bearer of a Coupon Bond not registered as to principal, or to any registered owner of a Coupon Bond registered as to principal or to any registered owner of a Registered Bond shall be valid and effectual and shall be a discharge of the Commission, the Trustee, Paying Agents, Bond Registrar and the Treasurer in respect of the liability for interest or principal as the case may be to the extent of the sum or sums so paid.

ARTICLE 6.

Section 6.1. The Bonds shall be in substantially the following form:

(Form of Coupon Bond)

UNITED STATES OF AMERICA

PUBLIC BUILDING COMMISSION OF CHICAGO
CITY HALL BUILDING REVENUE BOND,
SERIES OF 1968

No. $5,000

Public Building Commission of Chicago, in the County of Cook, a body politic and municipal corporation of the State of Illinois (hereinafter called the "Commission"), for value received hereby promises to pay (but only out of Revenues hereinafter referred to) to the bearer, or, if this Bond be registered as to principal, to the registered owner hereof, on the first day of January, 19 ..., the principal sum of

FIVE THOUSAND DOLLARS ($5,000),

and to pay interest on such principal sum from the date hereof at the rate of .... per cent (...%) per annum, payable January 1, 1969, and semi-annually thereafter on the first day of July and the first day of January in each year until the payment of such principal sum in full, but in the case of the interest due on or before maturity of this Bond, only upon the presentation and surrender of the annexed coupons as they severally become due.

Both principal of, and interest on, this Bond are payable in lawful money of the United States of America at the principal office of the Continental Illinois National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the option of the holder hereof at the principal office of the Chemical Bank New York Trust Company, in the City of New York, New York.

This Bond is one of an issue of Public Building Commission of Chicago City Hall Building Revenue Bonds, Series of 1968 (hereinafter called the "Bonds") of the Commission (limited in aggregate principal amount except as may be otherwise provided in the Resolution hereinafter mentioned). All of the Bonds, of which this Bond is one, are issued and to be issued pursuant to the provisions of the Public Building Commission Act of the State of Illinois, approved July 5, 1955, as amended (hereinafter called the "Act") and pursuant to a Resolution adopted by the Board of Commissioners of the Public Building Commission of Chicago authorizing the issuance of the Bonds (hereinafter called the "Resolution"). A copy of the Resolution is on file at the office of the Treasurer of the Commission and at the Continental Illinois National Bank and Trust Company of Chicago (hereinafter in its several capacities called "Trustee") and reference is hereby made to the Resolution and to any and all amendments or supplements or modifications thereof adopted as therein provided and to the Act for a description of the terms on which the Bonds are issued and to be issued and Administration Expense, Sinking Fund Account and Surplus Account payments, and with regard to the nature and extent of the Revenues, and of the rights of the holders and registered owners of the Bonds and of the bearers of the appurtenant coupons. All the terms defined in the Resolution and all covenants of the Resolution shall have the same meaning herein as in the Resolution. The Resolution constitutes a contract between the Commission and the holder or registered owner from time to time of this Bond, and to all the provisions thereof the holder or registered owner hereof, by his acceptance of this Bond, consents and agrees.

The principal of and interest on this Bond and the issue of which it forms a part are payable solely out of the Revenues, as defined in the Resolution, and are secured by a charge and lien on such Revenues as provided for in the Resolution, and as and to the extent set forth in the Resolution. All such Revenues, after the payment of reasonable

administrative expenses, of the City Hall Building to be altered, improved, renovated and equipped with the proceeds derived from the sale of said Bonds are exclusively and irrevocably pledged to and constitute a trust fund in accordance with the terms hereof and the provisions of the Resolution and in accordance with the provisions of the Act, for the security and payment of, and for the security and payment of interest on, this Bond and all other Bonds that may hereafter be issued under the terms of the Resolution.

The rights and obligations of the Commission and of the holders and registered owners of the Bonds may be modified or amended at any time with the consent of the Commission and of the holders of not less than sixty-six and two-thirds per cent (66⅔%) in principal amount of outstanding Bonds in the manner, to the extent, and upon the terms provided in the Resolution, provided that no such modification or amendment shall extend the maturity or reduce the interest rate on or otherwise alter or impair the obligation of the Commission to pay the principal or interest at the time and place and at the rate and in the currency provided therein of any Bond without the express consent of the holder or registered owner of such Bond, or permit the creation by the Commission of any pledge or lien on any part of the City Hall Building, or any other lien upon any Revenues of the Commission, or permit the creation of a preference or priority of any Bond or Bonds over any other Bond or Bonds, or reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, all as more fully set forth in the Resolution.

Subject to the provisions for registration and transfer contained herein and in the Resolution, this Bond shall have all the qualities and incidents of a negotiable instrument under the laws of the State of Illinois, and shall pass by delivery unless registered as to principal in the owner's name on the books of registration to be kept by the Trustee, as Bond Registrar, at its principal office in the City of Chicago, Illinois, and such registration noted hereon, after which no valid transfer hereof can be made, except at such office by the registered owner in person or by duly authorized attorney and similarly noted hereon, until after registered transfer to bearer, but after such registered transfer to bearer this Bond shall be again transferable by delivery. Such registration, however, shall not affect the negotiability of the coupons which shall remain payable to bearer and transferable by delivery. The Com-

mission, its Treasurer, and the Trustee, Paying Agents, Bond Registrar and any other person may treat the bearer of this Bond (or, if this Bond be registered as to principal, the registered owner) and the bearer of any coupon hereunto appertaining, whether or not this Bond has been registered as to principal, as the absolute owner hereof and thereof for the purpose of receiving payment hereof and thereof and for all other purposes and shall not be affected by any notice to the contrary, whether this Bond or such coupon be overdue or not.

The Bonds are issuable as Coupon Bonds, registrable as to principal only, in the denomination of $5,000, and as Registered Bonds without coupons in the denomination of $5,000 and multiples thereof. The Coupon Bonds and Registered Bonds without coupons are interchangeable as provided in the Resolution upon presentation thereof for such purpose by the holder or registered owner at the principal office of the Trustee, in the City of Chicago, Illinois, as Bond Registrar.

The Commission covenants and agrees that so long as any of the Bonds remain outstanding it will establish and collect rentals and other charges for the use of all of the space in said City Hall Building so that its Revenues will be sufficient to provide for the payment of the Bonds through the Sinking Fund Account, and the payments into the Administration Expense Account, Sinking Fund Account and Surplus Account.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed, precedent to and in the issuance of this Bond, exist, have happened and have been performed in due time, form and manner as required by the Constitution and Statutes of the State of Illinois. Neither the principal of nor interest on this Bond is an indebtedness or obligation of the City of Chicago or any other political subdivision of or municipality within the State, or an obligation or an indebtedness or a claim against any of the property of the Commission within the purview of any statutory or constitutional limitation or provision.

The execution by the Trustee of its Certificate of Authentication hereon is essential to the validity of this Bond, and is conclusive evidence of the due execution and issue hereof under the aforesaid Resolution.

18

IN WITNESS WHEREOF, the Public Building Commission of Chicago, by its Board of Commissioners, has caused this Bond to be signed by its Chairman, with the seal of the Commission affixed hereto, attested by its Secretary, and has caused the annexed interest coupons to be executed with the facsimile signatures of said Chairman and Secretary, all dated the first day of June, 1968.

Custody and Application of Construction Account.

Section 7.1. The proceeds derived from the sale of the Bonds authorized hereby, at the time of the delivery of the Bonds or any part thereof to a purchaser, shall be promptly deposited by the Treasurer with the Trustee, (the Trustee being hereby designated as the Depositary therefor), and held by the Trustee in an account, to be designated "Public Building Commission of Chicago City Hall Building Construction Account" (hereinafter sometimes called "Construction Account"), which is hereby created, and all of the said funds deposited in said Account shall be used and applied to the cost of altering, improving, renovating, and equipping the City Hall Building as defined in Section 7.2 subject to the restrictions and transfers provided for in Section 7.3, and, pending their application as provided by this Resolution, all such funds shall be subject to a lien and charge in favor of the holders of the Bonds issued and outstanding under this Resolution and for the further security of such holders until paid out or transferred as herein provided.

Section 7.2. For the purpose of this Resolution the cost of altering, improving, renovating, and equipping the City Hall Building shall include all appurtenances in connection therewith and, without intending to limit or restrict any definition of such altering, improving, renovating and equipping under the provisions of the Act, shall include the following:

(a) Obligations incurred for labor, materials, supplies and services and to architects, engineers, contractors and materialmen and suppliers in connection with the alteration, improvement, renovation and equipping of the City Hall Building:

(b) Interest accrued and to accrue on Bonds prior to the commencement of and during the alteration, improvement, and renovation of the City Hall Building at any time there are no other funds available for that purposes;

(c) The fees and expenses of the Paying Agents and the Trustee for all of its services under or in connection with this Resolution until the filing of the Certificate of Completion of the City Hall Building;

(d) The cost of preliminary investigations to determine the feasibility or practicability of altering, improving, and renovating the City

Hall Building, and all fees and expenses of Architect-Engineers for making reports, estimates, plans and specifications, and other engineering services, and fees for any other consulting surveys and reports in connection with such work and the issuance of Bonds therefor, surveys and estimates of costs of Revenues and other estimates and for supervising the construction as well as the performance of all other duties of Architect-Engineers set forth herein in relation to the alteration, improvement, and renovation of the City Hall Building or the issuance of Bonds therefor;

(e) Legal expenses and fees, financing charges, costs of audits and of preparing and issuing the Bonds, wages of office and clerical employees, general administrative expenses, pension requirements and health, hospitalization and other necessary insurance;

(f) All other items of expense not elsewhere in this Section specified incident to the alteration, improvement, renovation and equipping of the City Hall Building, the financing thereof, the placing of the same in operation (including the initial premiums on any insurance required or obtained under the provisions of this Resolution), and the acquisition of property rights and franchises and including title insurance, if any, and cost of surveys, appraisals and other expenses in connection with such acquisition; and

(g) Any expense heretofore or hereafter incurred by the Commission for any of the foregoing purposes, and also any amounts necessary for administrative expenses during the period of altering, improving, renovating, enlarging and equipping the City Hall Building, and any other expenses reasonably necessary or incident to the alteration, improvement, renovation, and equipping of the City Hall Building and the placing of the same in operation.

SECTION 7.3. The Trustee shall promptly, after receiving the funds referred to in Section 7.1 hereof, set aside therefrom and credit to the Sinking Fund Account, provided for in Section 8.3 hereof, an amount sufficient to pay interest accrued and to accrue on said Bonds up to and including January 1, 1970. The balance of the proceeds derived from the sale of the Bonds shall be held in the Construction Account and used and applied, as defined in Section 7.2 hereof, for the alteration, improvement, renovation, and equipping of the City Hall Building.

SECTION 7.4. Transfers or payments from the Public Building

Commission City Hall Building Construction Account referred to in Section 7.1, except those authorized and directed to be made under the provisions of Section 7.3, shall be made for payment of the cost of altering, improving, renovating, and equipping the City Hall Building in accordance with the provisions of this Section.

All payments shall be made by check of the Trustee upon written order of the Board, signed by the Chairman and countersigned by the Treasurer, and each such order shall state in respect of such payments:

1. The item number of the payment;
2. The name of the person, firm or corporation to whom the payment is due;
3. The amount to be paid and the purpose for which the obligation is to be paid;
4. That obligations in the stated amounts have been incurred by the Commission, for the payment of cost of altering, improving, renovating, and equipping the City Hall Building and that each item thereof is a proper charge against the Construction Account and has not been paid; and
5. The amount of any notice of lien or liens on public funds made pursuant to the Illinois Mechanics' Lien Law which has not been released or will not be released simultaneously with the payment of such obligations. If such notice of lien on public funds will not be so released with the payment referred to in said order, the Trustee shall deduct the amount stated in such notice of lien on public funds (if not theretofore reserved from payment under a previous order) and reserve the same for the period required under the provisions of the Illinois Mechanics' Lien Law relating to liens on public funds (currently Section 23 of Chap. 82, Ill. Rev. Stat. 1965), and upon the expiration of such statutory period, as certified by the Treasurer of the Commission, to forthwith make payment of the same to the party or parties entitled thereto.

If such order directs payment for work or materials stated therein to be under the supervision of the Architect-Engineers, it shall be accompanied by a certificate signed by the Architect-Engineers certifying that the obligations in the amounts stated have been incurred by the Commission and that each item thereof is a proper charge against the Construction Account and has not been paid.

Upon receipt of any such order and accompanying certificate, if required, the Trustee shall pay such obligation to the party named in the order and charge the same against the Construction Account.

In addition to the foregoing, the Trustee shall, upon order signed by the Chairman and countersigned by the Treasurer, at one time or from time to time until the Certificate of Completion is filed with the Trustee, pay to the Treasurer by check of the Trustee from the Construction Account a sum or sums aggregating not to exceed $25,000, such sum or sums to be used by the Commission as the City Hall Building Revolving Fund (herein referred to as "Revolving Fund") for payment of items of expense during construction which cannot be conveniently paid as herein otherwise provided. Such Revolving Fund shall be replenished from time to time upon written order of the Treasurer, countersigned by the Chairman, directed to the Trustee, accompanied by certificate signed by the Treasurer setting forth an itemized statement of the purposes for which such funds were expended and the balance remaining and that they were all proper charges against and payable from the Construction Account, it being the intent of this paragraph to provide a Revolving Fund for the Commission to be maintained at all times in an amount not to exceed $25,000.

SECTION 7.5. All orders, certificates and other papers received by the Trustee, as required in this Article 7 as conditions of payment from the Construction Account, may be relied upon by the Trustee, without any investigation, and shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Commission, the City Comptroller, the Architect-Engineers, any Bondholder and the agents and representatives thereof.

SECTION 7.6. After all obligations of any kind or character, including all liens on public funds, have been fully paid on account of the alteration, improvement, renovation, and equipping of the City Hall Building, there shall be filed with the Trustee a certificate executed by the Chairman and Treasurer stating that all obligations, including liens on public funds for the alteration, improvement, renovation, and equipping of the City Hall Building have been paid and satisfied, accompanied by a certificate of the Architect-Engineers that said alteration, improvement, renovation, and equipping of the City Hall Building has been fully completed. Upon receipt of such certificates, the Trustee shall, without further order or direction, transfer the remaining funds in the Construction Account to the Sinking Fund Account.

SECTION 7.7. Moneys held by the Trustee for the credit of the Construction Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in direct and general

obligations of the United States Government and in short term discount obligations of the Federal National Mortgage Association which shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by the Chairman and approved by the Executive Director, when said moneys will be required for the purpose intended. It shall be the duty of the Chairman and Executive Director to file with the Trustee from time to time the estimated dates when such funds will be required and the Commission covenants that it will cause to be filed such estimates and cause the Trustee to make investments of the moneys to the credit of the Construction Account as provided by this Section.

All interest accruing thereon and any profit or proceeds realized from any such investment shall be credited to the Construction Account and any loss resulting from the sale of such investments shall be charged to such account. The, Trustee shall sell at the best price reasonably obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from such account. Neither the Trustee, the Treasurer nor the Commission shall be liable or responsible for any loss resulting from any such investment or from the sale of securities delivered to the Trustee by the Commission.

ARTICLE 8.

All sums so deposited by the Treasurer with the Trustee shall be credited by the Trustee to the "Public Building Commission of Chicago City Hall Building Revenue Fund" (hereinafter referred to as "Revenue Fund").

Section 8.2. The Trustee in each fiscal year shall first, without further order or direction, transfer from said Revenue Fund to the Treasurer, to be deposited by him with the Depositary in a separate commercial account which is hereby created and designated the "City

Hall Building Administrative Expense Account of the Public Building Commission of Chicago" (hereinafter referred to as the "Administrative Expense Account"), an amount which, together with the unencumbered balance to the credit of the Administrative Expense Account as of the beginning of each fiscal year (as evidenced by the certificate of the Treasurer), will equal the amount budgeted for such year as provided by Section 16.1 of this Resolution; provided that in no event shall the Trustee transfer to the Treasurer for deposit to said Administrative Expense Account in any fiscal year more than the amount for that particular fiscal year set forth in the schedule in Section 16.1 of this Resolution plus any additional funds that may be transferred from the Surplus Account as authorized by Section 9.3 of this Resolution for such fiscal year. The funds in said Administrative Expense Account shall be used by the Commission to pay the reasonable administrative expenses in connection with said City Hall Building for the current fiscal year as provided in the annual budget adopted in accordance with the provisions of Section 16.1 of this Resolution.

SECTION 8.3. After making the transfer of funds to the Treasurer as required by Section 8.2 hereof, the Trustee shall credit the balance of the Revenues referred to in Section 8.1 hereof in the following order of priority to the following respective account, that is:

City-Hall Building Sinking Fund Account (hereinafter referred to as "Sinking Fund Account")

City Hall Building Surplus Account (hereinafter referred to as "Surplus Account")

Each of said accounts is hereby created and the Commission hereby covenants and agrees to cause each of them to be maintained and all moneys credited to each account shall be held in trust by the Trustee and applied, used, and withdrawn only for the purposes and as hereinafter authorized:

(a) There shall be credited in each fiscal year to the Sinking Fund Account an amount sufficient to pay the principal of and interest on all Revenue Bonds (including all Bonds that may be issued in the future to share rateably and equally in the earnings of the City Hall Building with the Bonds herein authorized and for the purposes of brevity such Bonds to be issued in the future being hereinafter referred to as "Parity Bonds") provided to be issued hereunder which will become due on July 1 of such fiscal year and January 1 of the succeeding fiscal year. All

(b) All moneys remaining in the Revenue Fund as established by this Resolution, after crediting the requirements in each fiscal year to the respective accounts hereinabove provided for, shall be credited as soon as, and as often as, received to the Surplus Account and shall be used in the order and for the purposes as follows:

(1) to credit the Sinking Fund Account in order to make up or prevent any deficiency therein.

(2) to credit the Administrative Expense Account with any additional funds that the Commission may direct be transferred from the Surplus Account to the Administrative Expense Account, as authorized by Section 9.3.

(4) If for any reason the alteration, improvement, renovation, enlargement, and equipping of the City Hall Building provided for in this Resolution shall not have been fully completed as contemplated by the plans and specifications therefor, then, at the discretion of the Commission, money in this account may be credited to the Construction Account and used for the completion thereof in accordance with such plans and specifications or as such plans and specifications may have been modified.

(5) Within thirty (30) days prior to the end of each fiscal year, if there are funds remaining in the Surplus Account after making up any deficiency existing in the Sinking Fund Account, the Board shall adopt a resolution directing that said sum so remaining in the Surplus Account be credited to the next annual rental payment due from the City of Chicago, and a certified copy thereof shall be filed with the City Clerk of the City of Chicago, as notice of the credit on the next succeeding rental payment due from the City of Chicago. An additional certified copy of such resolution shall be filed with the Trustee and upon receipt of such the Trustee shall, without further order or direction, transfer said sum remaining in the

Surplus Account at the end of such fiscal year to the Public Building Commission of Chicago City Hall Building Revenue Fund for credit to the accounts as provided by Sections 8.2 and 8.3.

SECTION 8.4. Money in the Administrative Expense Account created in Section 8.2 may be invested by the Treasurer, and money in any of the accounts hereinabove created in Section 8.3 shall be invested by the Trustee, from time to time, in direct and general obligations of the United States Government which shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, prior to the date on which the moneys in said account will be needed, but in no event later than two years from the date of any such investment. Such securities shall be sold from time to time without further direction from the Commission whenever funds are needed for the purpose for which said respective accounts have been created. All earnings received on any funds so invested, or profit or loss resulting from the sale of any such investments, shall be credited or charged to the account for which the investment was made. The Board, the Treasurer, or the Trustee shall not be liable or responsible for any loss resulting from any such investment.

SECTION 8.5. All Revenues derived by the Commission from the ownership and operation of the City Hall Building, and all income, interest, and profits thereon, and all other moneys and securities under the terms of this Resolution paid or to be paid to or held or to be held by the Treasurer, or the Trustee, are, until paid out or transferred as provided by this Resolution, hereby pledged to and charged with and subjected to a lien for the payment of the principal of and interest on all Bonds in accordance with their terms and the provisions of this Resolution and are hereby subjected to a lien and charge in favor of all present and future holders of all Bonds and of the coupons as security for the performance and observance of all of the covenants, agreements, and conditions in the Bonds and herein contained for the equal and proportionate benefit, protection, and security of all present and future holders of any and all of the Bonds and coupons issued and to be issued under this Resolution, without preference, distinction, or priority as to lien or otherwise of any one Bond or coupon over any other of the Bonds or coupons authorized by this Resolution, by reason of priority in time of authorization, issue, sale, or negotiation thereof or otherwise.

Rev. Stat., 1967) and upon the expiration of such statutory period, as certified by the Treasurer of the Commission, to forthwith make payment of the same to the party or parties entitled thereto.

The Treasurer, in making such disbursements, may rely upon the orders and certificates required in this Section and the Depositary shall have no liability with respect to said disbursements nor any duty to inquire into the propriety or application thereof.

ARTICLE 10.

Covenants with Bondholders

Section 10.1. The Commission covenants that it will fix and establish rentals and other charges for the use of the City Hall Building so that the Revenues of the Commission will be sufficient at all times to pay the Bonds and the interest thereon, as the same shall become due and payable, and all other requirements herein provided.

The Commission further covenants that it will promptly pay the principal of, and the interest on, all Bonds issued under the provisions of this Resolution at the place, on the dates, and in the manner provided herein, and in said Bonds and in any coupons appertaining to said Bonds.

Section 10.2. The Commission covenants that it will forthwith proceed to alter, improve, renovate, and equip the City Hall Building as described in Section 2.2 according to the Architect-Engineers' report based on preliminary plans and specifications dated April 1, 1968 heretofore approved and placed on file in the office of the Commission, and in conformity with the Act, and that it will complete such work with all practicable expediency, free and clear of all liens.

The Commission covenants that the Commission will acquire a fee simple title to the City Hall Building with uninterrupted rights of possession in the Commission sufficient to alter, improve, renovate, equip, maintain, and operate the City Hall Building until all of the principal of and interest on the Bonds issued hereunder shall have been paid in full.

The Commission covenants that all of its contracts for the alteration, improvement, and renovation of the City Hall Building (but not for the purchase of equipment) shall be submitted to the Architect-Engineers and that no such contracts shall be entered into and no partial or final payments on such contracts will be made without the approval of the Architect-Engineers.

The Commission covenants that, except as otherwise provided in this Resolution, each such contract for labor or materials of construction will also provide that payments thereunder shall not be made by the Commission in excess of ninety per cent (90%) of current estimates approved by the Architect-Engineers until the aggregate amount of

payments withheld equals five per cent (5%) of the contract price, which amount shall be payable as follows:

(a) Upon certification by the Architect-Engineers of "substantial completion" of the work, payment may be made upon certification and approval by the Architect-Engineers of such portion of such withheld funds as will not reduce such withheld funds below an amount representing 2% of the adjusted contract price; and

(b) The balance shall be payable upon "final acceptance" of the work by the Architect-Engineers.

Nothing in this Section 10.2 shall be interpreted as in any way affecting the right or obligation of the Commission to withhold funds in addition to the retained percentage provided for in this paragraph, on account of notices of lien on public funds as provided in this Bond Resolution.

SECTION 10.3. The Commission covenants that it will establish and enforce reasonable rules and regulations governing the use of the City Hall Building; and that it will require that the City keep said City Hall Building repaired and maintained in strict compliance with the recommendations of the Architect-Engineers or a Building Management Consultant Firm employed for that purpose. The Commission also covenants to require the City to provide services, including, but not to the exclusion of other items not specified, elevator service, water, heat, light, electricity, air conditioning, repairs, replacements, janitor, cleaning and caretaking services, all at the City's expense and without right of reimbursement from the Commission therefor; and that it will observe and perform all of the applicable terms and conditions contained in the Act, in this Resolution, the Lease and any other leases covering the premises upon which the City Hall Building is located.

SECTION 10.4. The Commission covenants that it will not issue any bonds or other evidences of indebtedness, except pursuant to the provisions of this Resolution, secured by a pledge of the Revenues of said Commission from the City Hall Building; and that it will not create or suffer to be created any lien or charge upon the City Hall Building or any part thereof or upon the Revenues therefrom except the lien and charge of the Bonds secured hereby upon such Revenues, or such additional bonds that may be issued pursuant to the provisions of this Resolution, and that, from such Revenues or other avail-

able funds, it will pay or cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects; provided, however, that nothing in this Section contained shall require the Commission to pay or cause to be discharged, or make provision for, any lien or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings which stay the enforcement thereof.

SECTION 10.5. The Commission covenants that it will, for the purpose of performing and carrying out the duties imposed upon the Architect-Engineers by this Resolution, employ Architect-Engineers from time to time to perform the duties required by this Resolution, each having nationwide and favorable repute for skill and experience in such work.

The Commission further covenants that it will cause the Architect-Engineers or a Building Management Consultant firm employed for that purpose, to make an inspection of the City Hall Building at least once each year, and submit to the Commission a report not later than ninety days preceding the beginning of each fiscal year setting forth their findings whether the City Hall Building has been maintained by the City, as required in this Resolution and in said Lease, in good repair, working order and condition, and their recommendations as to:

(a) Proper maintenance, repair and operation of the City Hall Building to be performed by the lessee during the ensuing fiscal year;

(b) Any other recommendations they deem in their judgment should be carried out by the lessee to keep the City Hall Building in proper repair in order to assure an efficient operation thereof;

(c) The insurance to be carried by the Commission under the provisions of this Resolution.

A copy of such report shall be filed with the Trustee and the City of Chicago.

SECTION 10.6. The Commission covenants that, except as in this Resolution otherwise permitted, it will not sell or mortgage the City Hall Building or any part thereof. The Commission may, however, from time to time sell any of its machinery, fixtures, apparatus, instruments

or other movable property, if the Commission shall determine that such articles are not longer needed or are no longer useful in connection with the alteration, improvement, or renovation of the City Hall Building and the net proceeds thereof shall, as soon as practicable, be applied to the replacement of the articles so sold or disposed of, or shall be deposited to the credit of the Sinking Fund Account; provided that prior to the completion of the alteration, improvement, and renovation of the City Hall Building the net proceeds of any such sale of machinery, fixtures, apparatus, tools, instruments or other movable property acquired by the Commission from the proceeds of Bonds issued on account of the City Hall Building or from other income or Revenues shall not be so applied or deposited, but shall be credited to the Construction Account.

SECTION 10.7. The Commission covenants that it will faithfully, diligently and punctually do all things required of it, and will comply with all reasonable requests, and will file all schedules and reports provided by this Resolution.

SECTION 10.8. The Commission covenants that all payments under the Lease entered into by and between the Commission and the City of Chicago, and pertaining to the City Hall Building referred to in this Resolution, shall inure to the benefit of the holder of any of the Bonds authorized hereunder and the Commission further agrees that it will properly enforce all obligations of the tenants of said City Hall Building and it will not make or consent to any change or modification of the aforesaid Lease which would reduce the rates, rentals, fees or charges of the tenants thereunder, extend the time for payment of rentals provided therein, nor permit any change in operation or occupancy which would reduce the required payments under said Lease to the Commission, except as herein provided.

ARTICLE 11.

INSURANCE AND RECORDS.

SECTION 11.1. The Commission covenants that:

It will insure and at all times keep such City Hall Building insured under a Special Multi-Peril Insurance Policy with a responsible insurance company or companies, qualified to assume the risk thereof, against physical loss or damage, including fire and extended coverage,

vandalism, malicious mischief, and against other risks as may be deemed necessary or advisable by the Board, with such exceptions as are ordinarily required by insurers of structures or buildings of similar type, in an amount equal to the full replacement value thereof, as certified by the Architect-Engineers in writing filed with the Commission and with the Trustee; and that as contracts are awarded by the Commission for the doing of the work involved in the said alteration, improvement and renovation of the City Hall Building said Special Multi-Peril Policy will be endorsed to cover the value of said work and to have the insurer waive subrogation against all contractors, sub-contractors and material suppliers doing said work or furnishing supplies; and provided further, that if at any time the Commission shall be unable to obtain such insurance to the extent above required, either as to amount of such insurance or as to the risks covered thereby, it will not constitute an event of default under the provisions of this Resolution if the Commission shall maintain such insurance to the extent reasonably obtainable. The Commission will not carry insurance of any kind on furniture or furnishings or on any fixtures, equipment, improvements, or appurtenances owned by the City or leased by the City from other than the Commission and located in said City Hall Building; and the Commission shall not be obligated to repair any damage thereto resulting from fire or other casualty or to replace the same if destroyed by fire or other casualty.

All such policies shall be for the benefit of the Commission, shall be made payable to the Commission, and shall be received by the Treasurer and by him forthwith deposited with the Trustee. The Commission shall have the sole right to receive the proceeds of such insurance and to receipt for and settle claims thereunder and shall deposit the same with the Trustee. The proceeds of any and all such insurance shall be held by the Trustee as security for the Bonds issued hereunder until paid out as hereinafter provided.

The Commission covenants that, immediately after any substantial damage to or destruction of any part of the City Hall Building, it will cause the Architect-Engineers to prepare plans and specifications for repairing, replacing or reconstructing the damaged or destroyed property (either in accordance with the original or a different design) and an estimate of the cost thereof, and to file copies of such estimate with the Trustee.

The proceeds of all insurance referred to in this Section 11.1 received by the Trustee during the alteration, improvement and renovation of the City Hall Building shall be held by the Trustee, credited to the Construction Account, and shall be available for and disbursed by the Trustee in the manner and on the showings provided in Section 7.4 for payments from the Construction Account. The proceeds of all insurance referred to in this Section 11.1 received by the Trustee after the alteration, improvement, renovation and equipping of the City Hall Building has been fully completed, shall be credited to a special account to be designated City Hall Building Insurance Account of the Public Building Commission of Chicago by the Trustee and shall be available for, and shall to the extent necessary be applied to, the repair, replacement, or reconstruction of the damaged or destroyed property, and shall be disbursed by check of the Trustee in the manner and upon the showings so far as reasonably applicable, provided in Section 7.4 for payments from the Construction Account. The Trustee shall not be liable for disbursement so made. If such proceeds are more than sufficient for such purpose, the balance remaining shall be by order of the Board deposited by the Trustee to the credit of the Surplus Account. If such proceeds shall be insufficient for such purpose, then the deficiency shall be supplied by the Commission from any moneys available for that purpose in the Surplus Account.

The Commission covenants that, in the case of any substantial damage to or destruction of any part of the City Hall Building, it will cause the City Hall Building to be renewed, replaced or reconstructed to the extent possible from the proceeds of insurance and other moneys available for such purpose, and that it will forthwith commence and diligently proceed with such renewal, replacement or reconstruction of the damaged or destroyed property according to plans and specifications prepared or approved by the Architect-Engineers.

The proceeds of any such insurance not applied within eighteen months after their receipt by the Commission to renewing, replacing or reconstructing the damaged or destroyed property (unless it has been prevented from so doing because of conditions beyond its control) shall be credited by the Trustee upon order of the Commission to the Sinking Fund Account.

SECTION 11.2. The Commission covenants that it will at all times

carry or cause to be carried with a responsible insurance company or companies qualified to assume the risk thereof:

(a) Rents insurance covering loss of Revenue from the City Hall Building by reason of necessary interruption, total or partial, in the use thereof resulting from damage to or destruction of any part thereof however caused, with such exceptions as are ordinarly required by insurers writing similar insurance, in such amount as the Commission shall estimate is sufficient to provide a full normal income during the period of suspension of use; provided, however, that such insurance shall cover a period of suspension of not less than twelve months and such longer period as the Commission shall approve, and that such insurance may exclude loss sustained by the Commission during the first seven days of any total or partial interruption of use; and provided, that if at any time the Commission shall be unable to obtain such insurance to the extent above required, either as to the amount of such insurance or as to the risk covered thereby it will not constitute an event of default under the provisions of this Resolution if the Commission shall carry such insurance to the extent reasonably obtainable.

In estimating full normal income for rents insurance, the Commission shall give consideration to the expected as well as current and prior Revenues from the operation of the City Hall Building. All policies providing rents insurance shall be payable to the Commission and the Commission shall have the sole right to receive any proceeds of such policies and to collect and receipt for and settle claims thereunder. Any proceeds of rents insurance shall be deposited promptly with the Trustee and credited to the respective accounts created by the Resolution as other Revenues are so credited.

(b) Such workmen's compensation or employers' liability insurance as may be deemed necessary or advisable under law.

(c) Public and other liability insurance of such character and amount as shall be adequate, in the judgment of the Commission, to insure the Commission against risks to which it may reasonably be or become subject to in the operation of, or in the work of altering, improving and renovating the City Hall Building, but the Commission shall not be required to maintain any such insurance to the extent such insurance is carried for its benefit by any lessee, licensee or other person

operating any of the City Hall Building or by contractors. The proceeds of any such insurance not applied directly in settlement of such liability shall be promptly deposited with the Trustee and by it credited to the Administrative Expense Account in case of risks to which the Commission is subject in operation, and credited to the Construction Account in case of risks to which it is subject in the alteration, improvement and renovation of the City Hall Building.

(d) All officers and employees of the Commission authorized to receive or retain the custody of money or to sign vouchers, checks, warrants, or evidences of indebtedness on behalf of the Commission, shall be bonded for the faithful performance of their duties and the faithful accounting of all moneys and other property that may come into their hands, in an amount to be fixed and in a form to be approved by the Commission.

The Commission covenants that it will, if obtainable in the judgment of the Commission at a reasonable cost, carry war risk insurance covering direct physical loss or damage and loss of Revenues of such portions of the City Hall Building and in amounts as may be appropriate. The proceeds of any insurance shall be applied in the same manner as the proceeds of insurance under Section 11.1.

SECTION 11.3. Within ninety days after the passage of this Resolution and within the first three months of each subsequent fiscal year the Commission shall file with the Trustee a schedule of all insurance policies referred to in Sections 11.1 and 11.2 which are then in effect, stating with respect to each policy the name of the insurer, the amount, number and expiration date, and the hazards and risks covered thereby. All such insurance policies shall be open to the inspection of the Trustee, the Bondholders and their agents and representatives.

Any appraisement or adjustment of any losss or damage under any policy payable to the Commission and any settlement or payment of indemnity under any policy in which the Commission is interested, which may be agreed upon between the Commission and any insurer shall be evidenced to the Trustee by a certificate, signed by the Chairman and Secretary, which certificate may be relied upon by the Trustee as conclusive. The Trustee shall not in any way be liable or responsible for any breach by the Commission of insurance requirements of this Resolution or for the collection and applications of insurance

moneys in case of any loss or damage or liability and the Trustee need make no inquiry with respect to the performance of such requirements or such collections and applications.

SECTION 11.4. The Commission covenants that it will keep an accurate record of the total cost of altering, improving, renovating, and equipping the City Hall Building, of the Revenues collected and of the application of such Revenues, and that it will maintain the following records which shall be open at all reasonable times at the office of the Treasurer to the inspection of the Trustee, City Comptroller, the purchasers of the bonds, and their agents and representatives:

(a) An income and expense account.

(b) Record of all deposits to the credit of and withdrawals from each account created under the provisions of this Resolution.

(c) The details of all Bonds issued, paid, purchased or redeemed.

(d) A balance sheet as of the end of each such year.

(e) Record of revisions (if any) in rentals and other charges.

The Commission further covenants that not later than one hundred and twenty days after the close of each fiscal year it will cause an audit to be made of its books and accounts relating to the City Hall Building, including a detailed report and financial statement of its operations and of its assets and liabilities, by the Independent Public Accountant. Promptly thereafter copies of each such audit report shall be filed with the Trustee, and also with the Secretary. Copies of such audit report shall also be mailed to the City and all Bondholders who shall have filed their names and addresses with the Commission for such purpose. Each such audit report shall set forth the findings of the Independent Public Accountant whether the moneys received by the Commission under the provisions of this Resolution have been applied in accordance with the provisions of this Resolution, and whether any payments or liabilities for administrative expense in the preceding fiscal year were in excess of the annual budget for such fiscal year.

Such audit report shall be open at all reasonable times to the inspection of the Bondholders and their agents and representatives.

The Commission further covenants that it will cause any additional reports or audits relating to the City Hall Building to be made

as required by law and that, as often as may be requested, it will furnish to the Trustee, and the holder of any Bond issued hereunder, such other information concerning the City Hall Building or the operation thereof as any of them may reasonably request. The cost of such reports and audits shall be treated as a part of the administrative expense of the City Hall Building.

ARTICLE 12.

Additional Bonds.

Section 12.1. To the extent necessary to pay the cost of altering, improving, renovating and equipping the City Hall Building, funds shall be advanced and disbursed from the Construction Account as provided in and by this Resolution, to the end that the work provided for and authorized by Section 2.2 of this Resolution shall be completed according to said plans and specifications therefor, provided, that if sufficient funds are not available to complete such work and the equipping of any part of the City Hall Building provided for in said Section 2.2 for which Bonds have been issued under the limitations prescribed by this Resolution, additional bonds to the extent necessary to provide additional funds for completing payment of the cost of such work and the equipping of the City Hall Building may be issued under and secured by this Resolution at any time or from time to time ranking on a parity with the Bonds then outstanding and issued under this Resolution. Such additional Bonds shall be designated "Public Building Commission of Chicago, City Hall Building Revenue Bonds" with such appropriate particular designation added to said title as the Commission may determine, and shall be dated and bear such interest rate or rates (not in excess of six per cent (6%)) payable on January 1 and July 1 of each year as may be determined by the Commission, and shall mature serially. Such additional Bonds shall be authorized by supplemental resolution or resolutions to be adopted by the Commission, and shall direct their issue, execution, authentication and delivery to a purchaser, and such additional Bonds shall be in the form as provided for in this Resolution, but before such Bonds shall be issued or authenticated there shall be filed with the Trustee the following:

(a) A certificate signed by an Independent Public Accountant set-

ting forth the amounts set aside from the Construction Account that were required to be set aside for purposes other than altering, improving, renovating, and equipping under Section 7.3, the amounts expended for altering, improving, renovating and equipping the City Hall Building described in Section 2.2 to date of such certificate, and the amount of money in the Construction Account then available for such work and equipping of said City Hall Building.

(b) A certificate signed by the Architect-Engineers stating that additional funds are necessary to complete the alteration, improvement, renovation and equipping of said City Hall Building and that the balance of the funds in the Construction Account are insufficient to pay the cost of completion of said work, and setting forth the amount of additional funds that will be required and that said additional funds will be sufficient to pay the balance of the cost of completion of such work.

(c) A certificate signed by Counsel for the Commission that Supplemental Leases have been executed between the City of Chicago and the Commission providing for additional annual payments for space in said City Hall Building sufficient to amortize the additional Bonds that are to be issued.

SECTION 12.2. The Commission further covenants that except for the issuance of additional Bonds to complete such work and the equipping of the City Hall Building as provided for in Section 12.1, no additional Bonds to share rateably and equally in the income and revenue of said City Hall Building may be issued.

ARTICLE 13.

CONCERNING THE TRUSTEE, PAYING AGENT AND BOND REGISTRAR, APPOINTMENT.

The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Resolution as Trustee and Bond Registrar, by executing a Certificate of Authentication endorsed upon the Bonds, and by executing such certificate upon any Bond the Trustee shall have been

deemed to have accepted such duties and obligations not only with respect to the Bonds so authenticated, but with respect to all Bonds authorized to be issued by this Resolution, but only, however, upon the terms and conditions set forth in this Resolution. The Trustee shall also signify its acceptance of the duties and obligations imposed upon it as Trustee and Bond Registrar by this Resolution by executing and delivering to the Commission a written acceptance thereof.

Any right or immunity conferred upon, and any reference in this Resolution to, the Trustee shall be deemed to be a right or immunity conferred upon or a reference to the Trustee in its capacity as Trustee, Bond Registrar and Paying Agent unless the context clearly makes such reference inapplicable to the Trustee acting in one or more of such capacities.

SECTION 13.2 Continental Illinois National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, and Chemical Bank New York Trust Company, in the City of New York, New York, are hereby designated and appointed as Paying Agents.

SECTION 13.3. The recitals, statements, covenants and representations contained in this Resolution or in the Bonds or coupons (exclusive of the Trustee's certificate on the Bonds) shall be taken as the recitals, statements, covenants and representations of the Commission and the Trustee assumes no responsibility and shall not be liable for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Resolution or of any supplemental resolution directing the issue of any Bonds hereunder, or of any Bonds issued thereunder or as to the application of proceeds of the Bonds or of the Revenues or other funds of the Commission or of the moneys paid by the Trustee to or for the account of the Commission, or in respect of the lien or security or availability of remedies afforded by this Resolution, and shall not incur any responsibility in respect thereof or with respect to performance by the Commission of its covenants and agreements in this Resolution set forth. The Trustee shall be under no responsibility or duty with respect to the issuance of the Bonds for value. The Trustee shall not be liable for any interest on moneys deposited with it pursuant to the provisions of this Resolution except interest actually collected by it from investments made pursuant to this Resolution.

In the absence of a written notice to the Trustee from the holders of not less than ten per cent (10%) in principal amount of all Bonds then outstanding, which states that they have information or other reasons which lead them to suspect the existence of a default and which states such information or other reasons, the Trustee shall be under no duty to make any investigation or inquiry regarding defaults by either the Commission or the Treasurer or any other employee of the Commission in any of the matters or things to be done or performed by any thereof, and, further, the Trustee may conclusively assume that there has been no default by either the Commission or the Treasurer or any other employee of the Commission in any of the matters or things to be done or performed by any of them (except for default in payment of moneys to the Trustee which the Commission or the Treasurer is required to pay or transmit to the Trustee on or before a specified date or the failure to file audits or reports of insurance policies required to be filed with the Trustee) unless and until the Trustee is notified in writing of a default by the holders of not less than ten per cent (10%) in principal amount of all Bonds then outstanding, specifying the default.

The Trustee shall be under no obligation or duty to make any investigation or inquiry regarding defaults, or to commence any action or suit or to perform any remedial act which would involve it in any expense or liability, or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless in each case indemnified to its reasonable satisfaction.

The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence.

SECTION 13.4. The Trustee shall, without making any investigation or inquiry, be protected (a) in relying and acting upon, and in assuming the correctness and truth of, any statement contained in any notice, ordinance, resolution, request, consent, order, certificate, estimate, report, opinion, bond, budget or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties, either in his, her or their own behalf or believed to be duly authorized and empowered to do so in a fiduciary or representative capacity and (b) in assuming that any amounts paid to it by the Commission or Treasurer are the amounts required to be paid to the Trustee pursuant to the provisions of this Resolution and that the amounts and kinds of insurance required to be taken out by the

Commission pursuant to the provisions of this Resolution have been taken out and are in force. The Trustee may consult with counsel, who may be counsel to the Commission, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance with such opinion of counsel.

Whenever the Trustee shall deem it necessary or desirable that a matter with respect to the Commission be proved or established prior to taking or suffering any action under this Resolution, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an authorized officer of the Commission and such certificate shall be full warrant for any action taken or suffered in good faith in accordance with the provisions of this Resolution upon the faith of such certificate.

Except as otherwise expressly provided in this Resolution, any request, consent, order, notice, certificate, estimate, report, opinion, budget or other paper or other document required or permitted to be furnished pursuant to any provision hereof by the Commission to the Trustee shall be sufficiently executed if executed in the name of the Commission by an authorized officer thereof.

SECTION 13.5. The Trustee may become the owner of any Bonds and coupons or act as bank or depositary (otherwise than under this Resolution) for or loan money to the Commission or any contractor or other person dealing with the Commission, or any owner of Bonds, or otherwise deal therewith in each case with the same rights it would have if it were not Trustee or acting in any other capacity hereunder. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Resolution, whether or not any such committee shall represent the holders of a majority in principal amount of the Bonds then outstanding.

SECTION 13.6. The Commission shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges and other

disbursements, including those of its attorneys and agents and experts retained by it, incurred in and about the performance of the Trustee's powers and duties under this Resolution and the Trustee shall have a lien therefor on any and all funds at any time held by it under this Resolution prior to the lien of the Bonds or coupons. The Commission further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its own negligence or default.

All compensation, expenses, charges and other disbursements of the Trustee paid during the alteration, improvement, renovation, and equipping of the City Hall Building shall be paid from the Construction Account and thereafter all compensation, expenses, charges and other disbursement of the Trustee shall be paid from the Administrative Expense Account provided by Section 8.2 of this Resolution.

SECTION 13.7. The Trustee may at any time resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty days' written notice to the Commission and publishing notice thereof specifying the date when such resignation shall take effect, once in each week for two successive calendar weeks in a daily newspaper published in the English language and of general circulation in the City of Chicago, Illinois, and such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed by the Commission.

SECTION 13.8. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, upon sixty days' notice, filed with the Trustee and signed by the holders of a majority in principal amount of the Bonds then outstanding, or by their attorneys-in-fact duly authorized.

SECTION 13.9. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor may be appointed by the Board or, if the Board does not act within thirty days, then by the holders of a majority in principal amount of the Bonds then outstanding, by an

instrument in writing signed and acknowledged by the Board or by such Bondholders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification thereof being given to the predecessor Trustee. The Commission shall publish notice of any such appointment made by it once in each week for two consecutive calendar weeks, in one daily newspaper published in the English language and of general circulation in the City of Chicago, Illinois, and in the City of New York, New York, the first publication to be made within twenty days after such appointment.

If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article 13 within forty-five days after the Trustee shall have given to the Commission written notice as provided in this Article 13 or after a vacancy in the office of the Trustee shall have occurred by reason of removal or its inability to act, the Trustee or the holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee appointed under the provisions of this Article 13 in succession to the Trustee shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association, doing business and having its principal office in the City of Chicago, Illinois, and having a capital and surplus aggregating at least $10,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed on it by this Resolution.

SECTION 13.10. Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Commission, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties, and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, and the predecessor Trustee shall promptly furnish an accounting to and permit the successor Trustee to secure from the records of the predecessor Trustee, such information as may be required by the successor Trustee to perform its duties and obligations as such successor, and shall deliver

to the successor Trustee instruments then in its possession for the inspection of the holders of Bonds; but the Trustee ceasing to act shall nevertheless, on the written request of the Commission, or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property held by it under this Resolution subject to the trusts and conditions herein set forth, including all records and books of registry.

SECTION 13.11. Any company into which any Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association and shall have an office for the transaction of its business in the City of Chicago and State of Illinois, and shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act.

SECTION 13.12. In case any of the Bonds contemplated to be issued under this Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the Certificate of Authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is in said Bonds or in this Resolution provided that the certificate of the Trustee shall have.

SECTION 13.13. The Commission shall promptly notify the Trustee, in writing, of the names and signatures of those of its officers and employees who are authorized by law and this Resolution to sign,

countersign or execute all orders, certificates and other documents required to be signed, countersigned or executed by this Resolution.

All orders, certificates and other documents required by this Resolution to be signed, countersigned, executed or attested by a designated officer or employee of the Commission shall be equally effective if signed, countersigned, executed or attested by any other officers or employees of the Commission who may now or hereafter be authorized by law to sign, countersign, execute or attest to such orders, certificates and other instruments, upon submission to the Trustee of satisfactory evidence of such authority.

SECTION 13.14. Any moneys held by the Paying Agents which have not been disbursed in the payment of the principal of or interest on the Bonds within ten years from the final maturity of the Bonds issued under this Resolution shall be transferred to the Commission by the Paying Agents, and at the time of making such transfer the Paying Agents shall furnish the Commission with a schedule of the matured Bonds and the aggregate amount of the matured interest for each applicable interest maturity for the payment of which such moneys were being held. Upon making the transfer of such moneys, together with a schedule of unpaid or unredeemed Bonds or interest coupons, the Paying Agents shall be relieved of any further duty with respect to said matured Bonds or coupons; provided, however, the Paying Agents before paying over such moneys may require publication of notice in a newspaper published in the English language and of general circulation in the City of Chicago, Illinois, that on a date specified such moneys will be turned over to the Commission pursuant to the provisions of this Section and thereafter holders of outstanding Bonds and coupons shall look only to the Commission for payment.

ARTICLE 14.

EVENTS OF DEFAULT.

SECTION 14.1. The Commission shall be in default under this Resolution if one or more of the following events (herein called "events of default") shall happen, to-wit:

(a) Failure to make due and punctual payment of the principal of any Bond when and as the same shall become due and payable;

(b) Failure to make due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable, and such default shall have continued for a period of thirty days;

(c) Failure to make due and punctual payment or satisfaction of any required payments to the Sinking Fund Account within the fiscal year within which such payments shall become due and payable, and such failure shall have continued for a period of one hundred eighty days;

(d) The Commission shall unreasonably delay or fail to carry on with reasonable dispatch or discontinue the alteration, improvement, renovation and equipping of the City Hall Building;

(e) The Commission shall for any reason be rendered incapable of fulfilling its obligations hereunder;

(f) Any substantial part of the City Hall Building shall be destroyed or damaged to the extent of impairing its efficient operation and adversely affecting its gross revenues and shall not with reasonable promptness be repaired, replaced or reconstructed (whether the failure to so repair, replace or reconstruct the same be due to the impracticability of such repair, replacement or reconstruction or to lack of funds therefor or for any other reason);

(g) Judgment for the payment of money shall be rendered against the Commission as a result of its ownership of the City Hall Building and any such judgment shall not be discharged within ninety days from the entry thereof or an appeal shall not be taken therefrom or from the order, decree or process upon which or pursuant to which such judgment shall have been granted or entered, in such manner as to set aside or stay the execution of or levy under such judgement, order, decree or process or the enforcement thereof;

(h) Any proceeding shall be instituted, with the consent or acquiescence of the Commission, for the purpose of effecting a composition between the Commission and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any Federal or State statute now or hereafter enacted, if the claims of such creditors are under any circumstances payable from the Revenues of the City Hall Building; or

(i) The Commission shall fail in the due and punctual performance of any other of the covenants, conditions, agreements or provisions contained in the Bonds or in this Resolution on the part of the Commission to be performed, and such failure shall have continued for a period of ninety days after written notice specifying such failure and requiring same to be remedied shall have been given to the Commission by the Trustee, which may (but need not) give such notice in its discretion, and shall give such notice at the request of the holders of not less than ten per cent (10%) in aggregate principal amount of the Bonds then outstanding.

SECTION 14.2. If an event of default shall happen and be continuing, then and in each and every such case the holders of not less than twenty-five per cent (25%) in aggregate principal amount of the Bonds at the time outstanding shall be entitled, upon notice in writing to the Commission and to the Trustee, to declare the principal of all of the Bonds then outstanding hereunder and the interest accrued thereon to be due and payable immediately, and upon such declaration the same shall be immediately due and payable, anything in this Resolution or in the Bonds contained to the contrary notwithstanding.

SECTION 14.3. From and after the date of notice in writing of a default as hereinabove provided in Section 14.2, all of the Revenues and all sums then held or thereafter received by the Treasurer hereunder, shall be applied by the Treasurer and, to the extent then held or thereafter received by the Trustee, shall be applied by the Trustee in the order following and, if payment is made upon Bonds, upon presentation of the several Bonds and coupons, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of current obligations incurred by the Commission for administrative expenses prior to said written notice of default, including all compensation claims and expenses of the Trustee in carrying out the provisions of this Section 14.3 and all other services performed under this Resolution including reasonable compensation to its agents, attorneys and counsel, and then to the payment of the costs and expenses of the holders of the Bonds in declaring such event of default, including reasonable compensation to their agents, attorneys and counsel;

Second, in case the principal of the Bonds shall not have matured

by their terms, or by declaration, to the payment of the interest in default in the order of the maturity of the installments of such interest, with interest on the overdue installments at the rate specified in the Bonds, such payments to be made ratably to the persons entitled thereto without preference or priority;

Third, in case the principal of the Bonds shall have matured by their terms, or by declaration, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, with interest on the overdue principal at the rate of interest specified in the Bonds and on installments of interest at the rate specified in the Bonds, and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds then to the payments so far as may be of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

SECTION 14.4. Subject to any contractual limitations binding upon the holders of any of the Bonds (including the provisions of Section 14.1, 14.2 and 14.5 hereof and any other limitations herein upon the exercise of any remedy to holders holding a specific proportion or percentage of the Bonds), any holder of Bonds shall have the right, for the equal benefit and protection of all holders of Bonds similarly situated:

(a) By suit at law or proceedings in equity to compel observance by the Commission or by any of its officers, agents and employees of any contract or covenant made by the Commission with the holders of Bonds and coupons as provided in this Resolution, and to compel the Commission and any of its officers, agents, and employees, to perform any duties required to be performed for the benefit of the holders of the Bonds or coupons as provided by this Resolution and the Act, and to enjoin the Commission and any of its officers, agents or employees from taking any action in conflict with any contract or covenant with the holders of the Bonds and coupons as provided by this Resolution and the Act;

(b) By action or suit in equity to require the Commission to account as if it were the trustee of an express trust; or

(c) By action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of Bonds.

No remedy conferred hereby upon the Trustee or any holder of Bonds is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred hereby. No waiver of any default or breach of duty or contract by the holder of any Bond shall extend to or shall affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Trustee or the holder of any Bond to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every right and every remedy conferred upon the Trustee or the holders of Bonds may be enforced and exercised from time to time and as often as may be deemed expedient. In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and then discontinued or abandoned, or shall be determined adversely to the Trustee or the holders of Bonds, then, and in every such case, the Commission, the Trustee and the holders of Bonds shall be restored to their former positions and rights and remedies as if no such suit, action or proceeding had been brought or taken.

SECTION 14.5. The Trustee appointed hereunder may, but need not, act as a trustee to represent the Bondholders in the matter of exercising and prosecuting on their behalf such rights and remedies as may be available to such holders under the provisions of the Bonds and this Resolution as well as under the Act or other provisions of applicable law (and the successive respective holders of the Bonds and interest coupons, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee). Upon the event of any default or other occasion giving rise to a right in such trustee so to represent the Bondholders, such trustee may, but need not, take such action on behalf of the Bondholders as may seem appropriate to it and, upon the request in writing of the holders of not less than twenty-five per cent (25%) in principal amount of all the Bonds then outstanding, which request shall specify such default or occasion and the action to be taken by the trustee, and upon being furnished with indemnity satisfactory to it, such trustee shall take such action on behalf of the Bondholders as may have been so requested.

Except as in Section 14.4 provided, no holder of any Bond or of

any interest coupon pertaining to any Coupon Bond shall have any right by virtue or by availing of any provision of this Resolution or the Act or other provisions of applicable law to institute any suit, action or proceeding, at law or in equity, for the appointment of any trustee in bankruptcy, receiver, liquidator or custodian of the Revenues and other funds pledged or held hereunder, unless such holder shall previously have given to the Trustee written notice of an existing default, and unless, also, there shall have been tendered to the Trustee security and indemnity satisfactory to it against all costs, expenses and liabilities which might be incurred in or by reason of such action, suit or proceeding, and unless, also, the holders of not less than twenty-five per cent (25%) in aggregate principal amount of all the Bonds then outstanding shall have requested the Trustee in writing to take action with respect to such default and the Trustee shall have declined (and the Trustee may decline) to take such action or failed so to do within thirty days thereafter; it being intended that no one or more holders of Bonds or interest coupons shall have any right in any manner to institute or prosecute any action, suit or proceeding for the appointment of a trustee in bankruptcy, receiver, liquidator or custodian of the Revenues and other funds pledged or held hereunder, except in the manner herein provided, and for equal, proportionate benefit of all holders of outstanding Bonds and interest coupons; provided that nothing contained in this Resolution or in the Bonds shall affect or impair the obligation to pay the principal of and the interest on the Bonds as in this Resolution provided, or shall affect or impair the right of action, which is absolute and unconditional, of the holders of the Bonds otherwise to enforce payment thereof by virtue of the contract embodied in the Bonds and in this Resolution and the Act and other applicable statutes and provisions of law, or to enforce any of the covenants or provisions in the Bonds, this Resolution, the Act, or other applicable statutes or provisions of law, except as hereinabove provided with respect to suits, actions or proceedings for the appointment of any trustee in bankruptcy, receiver, liquidator or custodian of the Revenues and other funds pledged or held hereunder.

SECTION 14.6. The Trustee is hereby appointed (and the successive respective holders of the Bonds and interest coupons issued hereunder, by taking and holding the same, shall be conclusively deemed to have so appointed it) the true and lawful attorney-in-fact of the respective holders of the Bonds and interest coupons, with authority,

which it may but need not exercise, to make or file, irrespective of whether the Bonds or any of them are in default as to payment of principal or interest, in the respective names of the holders of the Bonds or interest coupons, or in behalf of all holders of the Bonds, or of interest coupons pertaining to the Bonds, as a class or classes, any proof of debt, amendment of proof of debt, petition or other document, to receive payment of any sum or sums becoming distributable on account thereof, and to execute any and all other papers and documents and to do and perform any and all acts and things for and in behalf of the respective holders of the Bonds or interest coupons, or in behalf of such holders as a class or classes, as may be necessary or advisable in the opinion of any such attorney-in-fact in order to have the respective claims of such holders of Bonds or interest coupons allowed in any equity receivership, insolvency, liquidation, bankruptcy or other similar proceedings to which the State of Illinois or the Commission may at any time be a party, and to receive payment of or on account of such claims; and each and every receiver, assignee or trustee in bankruptcy is hereby authorized by each of the respective holders of the Bonds and interest coupons to make such payments to such attorney-in-fact, and, in the event that such attorney-in-fact shall consent to the making of such payments directly to such holders, to pay to such attorney-in-fact any amount which may be due to it for compensation and expenses, including counsel fees, incurred by it up to the date of such distribution.

Anything in the foregoing to the contrary notwithstanding, the Trustee need not act or advance it own moneys unless in each case indemnified to its reasonable satisfaction.

ARTICLE 15.

Modification and Amendment.

Section 15.1. This Resolution and the rights and obligations of the Commission and of the holders of the Bonds may be modified or amended at any time by resolution supplemental hereto adopted by the Board pursuant to an affirmative vote at a meeting of the Bondholders held in accordance with this Section, or with the written consent, without a meeting, of the holders of sixty-six and two thirds per cent (66⅔%) of the principal amount of all of the Bonds then outstanding; provided that no such modification or amendment shall

extend the maturity of or reduce the interest rate on, or otherwise alter or impair the obligation of the Commission to pay the principal or interest at the time and place and at the rate and in the currency provided therein of any Bond, without the express consent of the holder of such Bond, nor permit the creation by the Commission of any mortgage or pledge or lien upon the City Hall Building, or upon the Revenues held or pledged hereunder, other than the lien and pledge created by this Resolution, nor permit the creation of a preference or priority of any Bond or Bonds over any other Bond or Bonds, nor reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment of modification, nor, without the written assent of the Trustee thereto, modify any of the rights, immunities or obligations of the Trustee at any time acting hereunder.

SECTION 15.2. The Commission may at any time call a meeting of the holders of the Bonds. Every such meeting shall be held in the City of Chicago, State of Illinois, at such time and place as may be specified in the notice calling such meeting. Written notice of such meeting, stating its time and place and in general terms the business to be submitted, shall be given by the Secretary of the Commission to the Trustee who shall mail a copy of such notice, postage prepaid, not less than thirty nor more than sixty days before such meeting, (a) to each registered owner of Bonds then outstanding, at his address, if any, appearing on the books of registration, and (b) to each holder of any Bond payable to bearer who shall have filed with the Trustee as Bond Registrar an address for notices, and such notice shall be published by the Secretary at least once a week for two successive calendar weeks in a daily newspaper having a general circulation in the City of Chicago, Illinois, and in New York City, New York, the first publication to be not less than thirty nor more than sixty days prior to the meeting; provided, however, that the mailing of such notice shall in no case be a condition precedent to the validity of any action taken at such meeting.

SECTION 15.3. Attendance and voting by Bondholders at such meeting may be in person or by proxy. Owners of Registered Bonds may, by an instrument in writing under their hands, appoint any person as their proxy to vote at any meeting for them.

SECTION 15.4. The Commission may with the consent of the Trustee make and from time to time vary such rules and regulations

as it shall deem proper for the authentication of proxy voters, including rules and regulations covering authentication of Bondholders' consents by fiduciaries and other representatives, and shall keep copies of such rules and regulations on file in the office of the Trustee and of the Secretary. Representatives of the Commission and the Trustee may attend such meetings and take part therein, but shall not be entitled to vote thereat.

SECTION 15.5. Persons named by the Commission shall act as temporary chairman and secretary of any Bondholders' meeting. A permanent chairman and secretary shall be selected by the Bondholders and proxies present by a majority vote of the aggregate principal amount of Bonds represented. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting, except votes on the election of chairman and secretary as aforesaid, and who shall make and file with the secretary of the meeting their verified written report of the votes so cast at the meeting. The ballots, if any, cast at the meeting shall not be attached to such election report but shall be filed separately with the Commission.

SECTION 15.6. The holders of not less than sixty-six and two-thirds per cent (66⅔%) in principal amount of all Bonds outstanding shall constitute a quorum for the transaction of business. Less than a quorum, however, shall have power to adjourn from time to time without any other notice than the announcement thereof at the meeting; provided, however, that if such meeting is adjourned by less than a quorum for more than thirty days, notice thereof shall forthwith be mailed by the Secretary at least seven days prior to the adjourned date of the meeting, in the manner provided in Section 15.2 and such notice shall be published by the Secretary in the manner provided in said Section 15.2 at least once in each thirty-day period of such adjournment. The failure to mail such notice as aforesaid shall in no case affect the validity of any action taken at any meeting held pursuant to such adjournment.

SECTION 15.7. A record, in duplicate, of the proceedings of each meeting of Bondholders shall be prepared by the permanent secretary thereof and shall have attached thereto the original reports of the inspectors of votes and affidavits by a person or persons having knowledge of the facts, showing a copy of the notice of the meeting and setting forth the facts with respect to the mailing and publication thereof

under the provisions of Section 15.2 and, in a proper case, under the provisions of Section 15.6. Such a record shall be signed and verified by the affidavits of the permanent chairman and the permanent secretary and shall be delivered to the Trustee and the Secretary. Any records so signed and verified shall be conclusive proof of the matters therein stated. Copies of any resolution adopted by such meeting shall be furnished to and mailed by the Trustee, to each registered owner of Bonds and to the holders of any bearer Bonds who shall have filed with the Trustee an address for notices (but failure so to mail copies of such resolution shall not affect the validity of such resolution) and notice of the fact of the adoption of such resolution (stating that a copy thereof is available for inspection at the office of the Trustee) shall be published by the Secretary at least once a week for two successive calendar weeks in a daily newspaper published in the English language and having a general circulation in Chicago, Illinois, and also by like publication in a newspaper published in New York City, New York, the first publication in each case to be made not more than ten days after the date of the adoption of such resolution. Proof of such mailing and publication by the affidavit or affidavits of a person or persons having knowledge of the facts shall be filed with the Trustee and the Secretary. No such resolution adopted by such meeting shall be binding unless a valid resolution of the Commission be passed containing the modifications or amendments authorized by the resolution adopted by such meeting. A copy of said resolution of the Commission, certified by its Secretary, shall be filed with the Trustee. If such resolution of the Commission is adopted, then it shall be deemed conclusively to be binding upon the Commission, and the holders of all Bonds and coupons (except as otherwise hereinabove specifically provided in this Section) at the expiration of sixty days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside the resolution adopted by such meeting of Bondholders or annulling the action taken thereby in a legal action or equitable proceeding for such purpose commenced within such sixty-day period. Nothing in this Section shall be deemed to authorize or permit, by reason of any call of a meeting of Bondholders or of any right expressly impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee, or to the Bondholders, under any of the provisions of

this Resolution or of any resolution amendatory hereof or supplemental hereto or of the Bonds issued hereunder.

SECTION 15.8. The Commission may at any time adopt a valid resolution amending the provisions of the Bonds or of this Resolution or of any resolution amendatory hereof or supplemental hereto to the extent that such an amendment is permitted by the provisions of Section 15.1, to take effect when and as provided in this Section. A copy of such resolution, together with a request of the Commission to Bondholders for their consent thereto, shall be mailed by the Trustee to each registered owner of Bonds and to the holders of any Bonds who shall have filed with the Trustee and address for such notices, and notice of the adoption thereof shall be published in the manner provided in Section 15.2 for the mailing and publication referred to in that Section (but failure to mail copies of such resolution and request shall not affect the validity of this resolution when assented to as in this Section provided). Such resolution shall not be effective unless and until there shall have been filed with the Trustee the written consents of the percentage of holders of outstanding Bonds specified in Section 15.1, and a notice shall have been published as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 15.4. Any such consent shall be binding upon the holder of the Bonds giving such consent and on any subsequent holder of such Bonds (whether or not such subsequent holder has notice thereof) unless such consent is revoked in writing by the holder giving such consent or a subsequent holder by filing such revocation with the Trustee prior to the first date when the notice hereinafter in this Section provided for has been published. After the holders of the required percentage of Bonds shall have filed their consents to the resolution, the Trustee shall mail and the Secretary shall publish a notice to the Bondholders in the manner provided in Section 15.2 for the mailing of notice of the resolution adopted at a meeting of Bondholders and publication of a notice of adoption thereof referred to in said Section (but failure to mail copies of said notice shall not affect the validity of the ordinance or consents thereto) stating in substance that the resolution has been consented to by the holders of the required percentage of Bonds and will be effective as provided in this Section. A certificate of the Trustee reciting compliance with

the provisions hereof shall be filed with the Commission and shall be conclusive proof of the matters therein stated and the resolution shall be deemed conclusively binding upon the Commission, the Trustee and the holders of all Bonds and coupons at the expiration of sixty days after the filing with the Commission of the certificate as aforesaid, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

SECTION 15.9. Bonds authenticated and delivered after the effective date of any action taken as provided in this Article 15 may bear a notation, by endorsement or otherwise, in form approved by the Commission and the Trustee as to such action, and in that case, upon demand of the holder of any Bond outstanding at such effective date and presentation of his Bond for the purpose at the office of the Trustee, a suitable notation shall be made on such Bond by the Trustee as to any such action. If the Commission shall so determine, new Bonds so modified as to conform to such Bondholders' action shall be prepared and authenticated, and upon demand of the holder of any Bond then outstanding shall be exchanged at the principal office of the Trustee in the City of Chicago, Illinois, without cost to any Bondholder, for Bonds then outstanding, upon surrender of such Bonds with all unmatured coupons appertaining thereto.

SECTION 15.10. Bonds owned or held by or for the account of the Commission shall not be deemed outstanding for the purpose of any vote or consent or other action or any calculation of outstanding Bonds in this Article provided for, and shall not be entitled to vote or consent or take any other action in this Article provided for.

ARTICLE 16.

ADMINISTRATIVE EXPENSE BUDGET.

SECTION 16.1. The Commission, not less than seventy-five (75) days preceding the beginning of each fiscal year, commencing with the fiscal year January 1, 1969 and continuing thru the fiscal year commencing January 1, 1979, shall prepare and adopt a budget covering administrative expenses for the ensuing fiscal year in an amount not to exceed $50,000.00 for each of said fiscal years, plus any unencum-

bered amount the Commission may reasonably estimate will remain to the credit of the Administrative Expense Account at the end of the current fiscal year and plus any additional funds that may be transferred from the Surplus Account as authorized by Section 9.3 of this Resolution.

A certified copy of such annual budget as adopted shall be filed not less than seventy (70) days prior to the beginning of the fiscal year with the City and the Trustee, and be mailed by the Commission to any Bondholder who shall have filed his name and address with the Secretary for that purpose.

Expenses in any fiscal year shall not be incurred in excess of the sum of any balance remaining to the credit of the Administrative Expense Account at the beginning of said fiscal year plus the amount credited to said account during said fiscal year according to the provisions of Sections 8.2 and 9.3.

ARTICLE 17.

Sale of Bonds.

Section 17.1. After this Resolution becomes effective, the Bonds herein authorized shall be sold by the Board in such manner as it may thereafter determine and the award of the sale of said Bonds shall be made to the acceptable bidder on the basis of the lowest interest cost to the Commission; provided, however, that the price for such Bonds shall be not less than par and accrued interest to date of delivery. Resolution Adopted on Death of Senator Robert F. Kennedy.

Alderman Keane moved that the Clerk read the following proposed resolution (presented by Mayor Richard J. Daley, on behalf of himself and the other members of the City Council):

WHEREAS, Almighty God in His Infinite Wisdom has taken from our midst a young man of great vitality and uncommon leadership. The gallant and courageous Senator Robert F. Kennedy is dead—the victim of an assassin; and

WHEREAS, The official record of Senator Robert F. Kennedy, the record of Attorney General Robert F. Kennedy, the record which chronicles the role of a key advisor and cabinet official of the President of the United States, the record of organizational genius that put together the formidable campaign on behalf of his brother, reflect his extraordinary ability and leadership; and

WHEREAS, The adjectives "Great American", "selfless champion of the poor", "leader of a new generation of Americans" and the thousands of others are much too inadequate an attempt to characterize the life and death of this truly noble man; and

WHEREAS, Robert F. Kennedy personified all that is good in public life—the brilliant intellect, the deep-rooted moral convictions, the boldness and tenacity to fight for what he called " . . . A Newer World"; and

WHEREAS, His quest for national excellence and his keen understanding of International affairs drove him to question the status quo—plead for greater efforts—and fight to sharpen our country's awareness of the issues of our day, and to pose alternatives for the direction our country might pursue; and

WHEREAS, The philosophy of the young idealist, the fighter for justice were embodied in the great programs of the new frontier. The Peace Corps on its mission to help the underprivileged people of the entire world, the domestic programs to eradicate the ills of American society, to put an end to joblessness and hopelessness, to provide an America in which every family has a decent home in which to live, an opportunity for the maximum amount of education possible, chances for success limited only by ability and energy, with no artificial hindrance; and

WHEREAS, The great concern of Senator Kennedy was the physical and social problems of America's cities and he manifested his understanding of the problems and the people who dwell in the American city by his fight for social justice; and

WHEREAS, The Kennedy family has manifested to the world the deep inner resources that have allowed this family to rise above tragedy time and time again to continue its journey through life with the paramount desire to serve their fellow Americans, especially those Americans endowed with the least; and

WHEREAS, Our prayer should be that the heritage of the Kennedy family to comfort each other and always be united, envelop our country so that this great nation becomes one family with love and compassion and concern for each other; and

WHEREAS, Senator Robert F. Kennedy was a loving husband and devoted father whose personal and family life carried with it the same pride, vigor and compassion which he displayed in his public service. His love of sports and his participation in athletics of all sorts were typical of his personal involvement, his boundless energy and his combative spirit; and

WHEREAS, It can truly be said about Senator Robert F. Kennedy that he " . . . fought the good fight . . . finished the course . . . kept the faith . . . and that . . . there is laid up for him a crown of justice, with the Lord . . . the Just Judge"; now, therefore,

Be It Resolved, That the members of the City Council of the City of Chicago here assembled in special session do express the grief and sadness which is in their hearts as a result of the death of this outstanding American; and

Be It Further Resolved, That we extend our sympathy, both officially and personally, to the wife and family of Senator Robert F. Kennedy; and

Be It Further Resolved, As a mark of respect all Chicagoans participate in appropriate memorial services on Sunday, June 9, 1968, the day officially proclaimed by the President of the United States as the day of mourning the death of Senator Robert F. Kennedy.

Committee consideration was dispensed with by unanimous consent, and on motion of Alderman Keane the foregoing proposed resolution was *Adopted,* unanimously, by a rising vote.

SUMMARY OF EULOGIES.

Alderman Keane and Aldermen Harvey, Holman, Despres, Cousins, Danaher, Simon, O'Rourke, and Sperling in seconding the foregoing proposed resolution spoke with regret about the tragedy which once more had befallen the late Senator's family.

Each expressed his admiration of the services he performed in the many problems facing our country today. They spoke of his deep interest and concern which he expressed on many occasions for the underprivileged, the hungry and the poor people in their endeavors to obtain a better life; each urged that all citizens re-examine their thoughts in the light of the many conditions that exist in today's modern world; the hatred, the lack of respect for lawful procedures and the wanton destruction of property; each commended the late Senator's courage, wisdom and compassion in the interest of his fellow human beings. They expressed their condolence and sympathy to the members of the bereaved Kennedy family.

Honorable Richard J. Daley, Mayor, then addressed the Council recalling the many associations with our late president, John F. Kennedy, and Senator Robert F. Kennedy, and pointed out that this was another tragedy that has occurred to the gallant family. He pointed out that it was Joseph Kennedy who had urged his sons to become interested in public service. He commented on the love and fortitude of this wonderful family and he extended his sincere sympathy to all of them.

PRESENTATION OF DISTINGUISHED GUESTS.

Honorable Richard J. Daley, Mayor, then called the attention of the members of the City Council to the presence among them of the following distinguished guests who were attending the meeting out of deference to the memory of the late Senator:

A. The Grantee shall comply, and require each of its contractors and subcontractors employed in the completion of the project to comply with all applicable Federal and State or Territorial laws. In compliance with these laws, the Grantee agrees that, among other things, it will take all positive steps necessary to conform to the requirements of the following statutes and Executive Orders and the respective regulations issued thereunder:

The Grantee hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the rules and regulations of the President's Committee on Equal Opportunity, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance or guarantee, the following equal opportunity clause:

"During the performance of this contract, the contractor agrees as follows:

"(1) The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

"(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, or national origin.

The contractor will take such action with respect to any subcontractor or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the contractor may request the United States to enter into such litigation to protect the interest of the United States."

B. If the Project includes sewer or other waste disposal facilities, no Government funds will be disbursed unless the Secretary of Health, Education, and Welfare issues a certificate as required by Section 106 of the Public Works and Economic Development Act of 1965 (P.L. 89-136).

C. When applicable, the Grantee shall file the certification and agreements required by Section 711 of the Public Works and Economic Development Act of 1965 (P.L. 89-136).

D. If compliance with any of the provisions of the Agreement would require the grantee to violate any applicable Federal, State or Territorial law, the Grantee shall, as soon as possible, in writing notify the Government, so that appropriate modifications to the Agreement may be made to allow the Grantee to proceed as soon as possible with construction of the Project.

II. Prior to any solicitation of bids for construction work or for material or equipment acquisition, the Grantee shall, in addition to any other steps required by this Agreement, obtain approval by the Government of (a) its final plans and specifications and (b) the bidding procedures for all construction work and for all material and equipment acquisitions.

IV. The Government reserves the right to require the grantee to submit, prior to the commencement of construction, an independent appraisal or appraisals, by an appraiser or appraisers acceptable to the Government of the current fair market value of any or all of the land and facilities (including buildings, machinery and equipment) to be included as part of the aggregate cost of the project.

V. In addition to the other requirements of this Agreement, the Grantee agrees to follow the following procedures during construction:

A. The Grantee shall perform all construction work and make all material and equipment acquisitions by contracts which have the prior approval of the Government, except as otherwise specifically authorized by the Government.

B. The Grantee shall require each contractor and subcontractor engaged in the performance of work on the Project to furnish a performance bond as security for the faithful execution of his contract in an amount equal to at least the total amount of his contract price and such payment bond as may be required by Federal, State or Territorial law as security for the payment of all persons performing labor on the Project in a form and with surety approved by the Government.

C. The Grantee agrees that it will not, without the prior written consent of the Government, order or permit any change in the plans and specifications which would entail any substantial variance in the Project, or increase the cost thereof.

D. The Grantee shall provide and maintain on its behalf competent and adequate architectural or engineering services to supervise the development and construction of the Project.

E. The Grantee shall establish a construction account, satisfactory to the Government, into which shall be deposited funds for the financing of the Project.

F. The Grantee shall cause to be erected at the site of the Project, and maintained during construction, signs satisfactory to the Government identifying the Project and indicating the fact that the Government is participating in the development of the Project.

G. The Grantee agrees that it will not, without the prior written consent of the Government, order or permit any change in the line items in the cost estimates approved by the Government for the Project.

H. The Government shall be under no obligation to disburse funds under this offer of Grant unless the Grantee includes in all contracts and subcontracts, in language acceptable to the Government, provisions requiring the maximum feasible employment of local labor for work which is or reasonably may be done as on-site work,

and unless the Grantee takes reasonable steps to assure continuing compliance with such contract provisions.

VI. General Requirements:

A. The Grantee shall maintain and preserve, and require each of its contractors and subcontractors to maintain and preserve, such books, records, and other data as the Government may require.

B. The Grantee shall provide with each of its contractors and subcontractors for the right of the Government to inspect and monitor all work, materials, payrolls, records and personnel, invoices and other relevant data and records pertaining to the development and construction of the Project.

C. The Grantee covenants that each of its officials or employees having custody of Project funds during acquisition, construction, development and operation, shall be bonded at all times in an amount at least equal to the total funds in his custody at any one time.

D. The Grantee shall carry insurance, and require each contractor and subcontractor to carry insurance, of such types and in such amounts as the Government may specify with insurance carriers acceptable to the Government.

E. By Acceptance of the Offer for Government assistance, the Grantee represents that it has not paid, and also, agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its application for this assistance.

VII. Disbursement of Government funds will ordinarily be made only after completion of the Project unless the Government upon request agrees to partial disbursements prior to completion.

VIII. A. If the actual costs of the Project exceed the estimated costs, the Grantee will provide the funds for such excess costs.

B. If the actual costs of the Project are less than the estimated costs, the Grant will be reduced to the extent necessary to comply with the percentage limitation set forth in the Offer.

IX. The Government shall have the right to cancel all or any part of its obligations hereunder if:

X. In the event that the work intended to be financed by the Project shall not have been accomplished or committed by contract within 24 months of the date of acceptance of the Offer of Grant, the Government may, at its option and without cause, terminate all or any part of its obligation hereunder.

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 13, 1968.

To the Honorable, The City Council of the City of Chicago:

GENTLEMEN—I transmit herewith a proposed ordinance renewing the designation of the Chicago Committee on Urban Opportunity as the official agency for carrying out the programs of community action authorized by the Economic Opportunity Act of 1964. This designation is required by the amendment to Title II of the Economic Opportunity Act of 1964 which was passed December 23, 1967.

Your favorable consideration of this matter will be appreciated.

Very truly yours,
(Signed) RICHARD J. DALEY,

Referred—PROPOSED ORDINANCE TO AUTHORIZE VACATION OF STREETS AND ALLEYS FOR ALL GOVERNMENTAL AGENCIES WITHOUT COMPENSATION.

Honorable Richard J. Daley, Mayor, submitted the following communication, which was, together with the proposed ordinance transmitted therewith, *Referred to the Committee on Local Industries, Streets and Alleys:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 19, 1968.

To the Honorable, The City Council of the City of Chicago:

GENTLEMEN—I transmit herewith for your consideration a proposed ordinance which would authorize the vacation of streets and alleys for the benefit of the United States, State of Illinois, County of Cook, or any political or municipal subdivision, agency or instrumentality of any of them without compensation.

If adopted, this ordinance would obviate the need for expenditures of governmental funds for appraisal reports, relieve the time of many employees, and provide a better basis for mutual cooperation with governmental bodies. In the ultimate analysis, whether the taxpayers funds are transferred from one governmental subdivision to another, the costs are finally borne by the citizen taxpayers and the elaborate procedure entirely justified for protecting the City's interest in vacations for private parties is not justifiable, in our opinion, for other governmental subdivisions.

Your favorable consideration of this proposed ordinance will be appreciated.

Very truly yours,
(Signed) RICHARD J. DALEY,
Mayor.

Honorable Richard J. Daley, Mayor, submitted the following communication, which was, together with the proposed ordinance transmitted therewith, *Referred to the Committee on Police, Fire, Civil Service, Schools and Municipal Institutions:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 19, 1968.

To the Honorable, The City Council of the City of Chicago:

GENTLEMEN—I transmit herewith for your consideration a proposed amendment to the Municipal Code to authorize a so-called stop and frisk law for the City of Chicago. The essence of the proposal is to permit a police officer, who reasonably suspects that he is in danger, to make a search for dangerous weapons. This procedure, if carefully administered, will not subject any person to serious inconvenience and may very well save the lives of police officers and other citizens.

Your favorable consideration is requested.

Very truly yours,
(Signed) RICHARD J. DALEY,
Mayor.

Referred—PROPOSED AMENDMENTS TO CHICAGO FAIR HOUSING ORDINANCE TO BECOME APPLICABLE TO OWNERS OF REAL ESTATE AS WELL AS LICENSED REAL ESTATE BROKERS IN PURCHASE, SALE, LEASE, ETC. OF PROPERTY.

Honorable Richard J. Daley, Mayor, submitted the following communication together with a proposed ordinance (presented in behalf of himself and Aldermen Harvey, Metcalfe, Holman, Shannon, Campbell, Frost, Collins, Biggs, Goldberg, Jambrone, Janousek, Keane, Danaher, Marzullo, Roti (and for Alderman Sain)):

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 19, 1968.

To the Honorable, The City Council of the City of Chicago:

GENTLEMEN—I transmit herewith for your consideration proposed amendments to the Chicago Fair Housing Ordinance which if adopted will have the effect of making the ordinance applicable to owners of real estate, as well as those persons licensed as real estate brokers in the City of Chicago. In addition, the amendments provide that the Commission on Human Relations shall hold hearings to achieve conciliation or recommend court action for an ordinance violation. The final amendment provides for a fine in a sum not to exceed $500 for violation of this ordinance.

On June 17, of this week, the Supreme Court of the United States in *Jones* v. *Alfred H. Mayer Company, et al.* sustained the constitutionality of an 1866 reconstruction era Federal Statute holding that the language "all citizens of the United States shall have the same right in every State and territory as is enjoyed by white citizens thereof to inherit, purchase, lease, sell, hold and convey real and personal property" meant not only that State action condoning discriminatory practices are illegal but held that all private transactions which seek to discriminate on the basis of race are also illegal.

In an effort to assure all citizens that the fullest enjoyment of constitutional rights is the utmost concern of all of us in the City of Chicago, I urge early and favorable consideration of this proposal.

Very truly yours,
(Signed) RICHARD J. DALEY,
Mayor.

Alderman Despres (seconded by Alderman Bohling) moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the proposed ordinance submitted with the foregoing communication. The motion was *Lost.*

Whereupon, on motion of Alderman Keane, the proposed ordinance was *Referred to a Special Committee composed of the members of the Committee on Judiciary and the members of the Committee on Planning and Housing.*

In 1948 and 1949, while serving as head of the Museum, Major Lohr undertook the responsibilities of President of the Chicago Railroad Fair; and

Wilson, Illinois Appellate Court No. 52110,* dismissed the plaintiff's complaint which had sought injunctive and declaratory relief to prevent the Superintendent of Police from ordering plaintiff dismissed from the police force pursuant to a decision of the Police Board. On September 11, 1962 the Police Board ordered plaintiff discharged from the police force; on that date plaintiff was on disability status having been injured in the line of duty; on February 9, 1966 he was found medically fit for active duty and was discharged from the police force in accordance with the Police Board decision. Plaintiff brought this action in equity to prevent the discharge. The Circuit Court of Cook County dismissed the complaint, finding that the court did not have jurisdiction of the cause as the relief sought was governed by the Administrative Review Act. The Illinois Appellate Court affirmed the judgment of the Circuit Court of Cook County finding that the Administrative Review Act precludes equitable review of Police Board decisions. The Appellate Court refused to find equitable grounds for dispensing with the requirements of the Administrative Review Act. —*Placed on File.*

LEASE AND AGREEMENT

This Lease and Agreement made this ..... day of ....., 1968, between City of Chicago, a municipal corporation of Illinois (hereinafter called "Lessor"), and Fred Harvey, a New Jersey corporation (hereinafter called "Lessee").

WITNESSETH:

1. Demise. Lessor, for and in consideration of the covenants and agreements hereinafter contained, does hereby demise and lease to Lessee the space and areas hereinafter referred to as "demised premises" in the buildings referred to in Section 2 hereof now being remodeled and constructed at the Chicago-Midway Airport (hereinafter sometimes called "Midway Airport") for the rent and upon the terms herein set forth.

2. Demised Premises. The demised premises consist of all space and areas to be used by Lessee for restaurant operations, as hereinafter defined, in the Terminal Buildings at Midway Airport, the specific areas and description of the demised premises being more particularly shown by shading and outlining on plans which are attached to and hereby are made a part of this Lease and Agreement, being "Exhibit A" (showing the location of the entire demised premises), Exhibits A-1, A-2, and A-4 (showing the leased space described as the Basement Service Area, Coffee Shop, Cocktail Lounge and Restaurant), Exhibits A-5 through A-10 (showing the leased space to be used for fast bars and snack bars), and Exhibit A-11 (showing the leased space in the South Terminal Building). For the purposes of this lease there is no Exhibit A-3.

3. Term. The initial term of this Lease and Agreement shall commence on the date when the Commissioner of Public Works of the City of Chicago certifies in writing to the Lessor that construction of the demised premises has been completed by Lessor, and shall terminate on December 31, 1974, unless the term is extended as hereinafter provided.

4. Use. (a) Permitted Uses. The demised premises shall be occupied and used by Lessee in the locations and to the extent and manner contemplated by the Exhibits attached to this Lease for Restaurant Operations as hereinafter defined and for such other purposes as hereinafter or hereafter may be authorized, from time to time in writing by the Commissioner of Aviation, but for no other purposes.

(b) "Restaurant Operations" defined. The term "Restaurant Operations" as used in this Lease and Agreement shall mean and shall be limited to:

(1) The operation of restaurants or dining

rooms for the service of food and alcoholic beverages;

(2) The operation of snack bars to serve sandwiches, hamburgers, snacks, coffee, milk and soft drinks (but not alcoholic beverages);

(3) The operation of cocktail lounges or fast bars for the sale and consumption of alcoholic beverages, soft drinks and food (wherever used in this lease "fast bar" means a bar designed for quick service of alcoholic beverages, soft drinks and food);

(4) The sale of tobacco products and miscellaneous sundry food items for consumption off of the premises;

(5) The sale of box lunches;

(6) The sale of any and all items customarily sold at retail in restaurants.

(c) Lawful Use. Lessee agrees that in its use of the demised premises Lessee will comply with all present and future valid laws, ordinances and regulations of the Federal Government, State of Illinois, County of Cook, City of Chicago, and agencies thereof relating to the occupancy or use of the demised premises (including but not limited to those relating to safety and fire prevention) and that it will not use the demised premises or allow them to be used for any illegal, unsafe or immoral purposes.

5. Rent. Lessee, in consideration of the leasing of the demised premises and the performance by Lessor of the covenants and agreements herein provided to be performed by it, hereby covenants and agrees to pay rent to Lessor at the office of the City Comptroller of the City of Chicago in accordance with the following provisions:

(a) Minimum Rent. For each and every year of the term hereof, commencing January 1, 1970, Lessee shall pay the Lessor a fixed minimum rent (hereinafter called "Minimum Rent"). The Minimum Rent during the initial term shall be an amount equal to seventy-five per cent (75%) of the total yearly rent paid by Lessee during the calendar year 1969. During any renewal term the Minimum Rent per year shall be a sum equal to eighty per cent (80%) of the average yearly rent paid by Lessee during the last two years of the initial term or during the last two years of the preceding renewal term, as the case may be. Minimum Rent shall be payable in twelve (12) equal installments in advance on the first day of each and every calendar month. For any fractional calendar month the Minimum Rent herein provided for a full calendar month shall be payable on a proportionate basis.

(b) Percentage Rent. For each and every year of the term Lessee shall pay to Lessor, and in addition to the Minimum Rent commencing in the third year of the Lease Term, a sum of money (hereinafter called "Percentage Rent") computed and determined by deducting the Minimum Rent, if any, for each calendar year or fractional calendar year from a sum of money equal to the sum of the following percentages of Lessee's and its sublessees' Gross Receipts from Sales during each such calendar year or fractional calendar year:

(1) On sales of food, miscellaneous sundry food items, non-alcoholic beverages, tobacco products, and services:

8% of gross sales up to $2,500,000;

9% of gross sales over $2,500,000 to $5,000,000; and

10% of gross sales over $5,000,000.

(2) On sales of alcoholic beverages:

14% of all gross sales.

(3) On sales of other commercial items:

10% of gross sales.

For any fractional calendar year during the term Lessee shall pay to Lessor a Percentage Rent computed as above provided upon Gross Receipts from Sales during such fractional calendar year except that the dollar figures appearing in subsections (1) and (2) above shall be proportionately reduced.

(c) Rent when premises Untenantable. Lessee shall not be obligated to operate the demised premises or to pay Minimum Rent therefor during any time when all of the demised premises shall be untenantable through no fault or negligence of Lessee, its employees and agents. In the event the demised premises are partially untenantable through no fault or negligence of Lessee, its employees and agents the Lessee shall not be obligated to operate such part of the demised premises and the Minimum Rent, if any, shall be proportionately and equitably abated. In the event that the Airport shall be closed for any period of time by any order or direction of the City or any other government authority or agency, or by any order or direction of any court of competent jurisdiction, the Minimum Rent, if any, shall abate for the period of such closing.

(d) Gross Receipts. The term "Gross Receipts from Sales" shall mean the sales price of all food, miscellaneous sundry food items, non-alcoholic and alcoholic beverages, tobacco, tobacco products, and other commercial items sold, and the charges made for all services performed for which a charge is made, by Lessee, or its Sublessees in or upon any part of the demised premises, whether for cash or on credit (whether collected or not). There shall be excluded or deducted, as the case may be, from "Gross Receipts from Sales" the following:

(1) Federal, state, municipal or other governmental excise taxes (except federal manufacturer's excise taxes), use, sales, privilege or retailer's occupation taxes now or hereafter imposed and collected by Lessee or its Sublessees directly from patrons or customers, or as a part of the price of any goods, wares, merchandise, services or displays and paid over in turn by the party so collecting to any governmental agency; (but this provision shall not excuse Lessee or its Sublessees from paying to governmental agencies all taxes for which it may be liable to them);

(2) Receipts from the sale of grease or other scrap material resulting from the operation of Lessee's business conducted from or at the demised premises;

(3) Receipts from the sale or trade in value of any equipment used on the demised premises and owned by Lessee;

(4) Payments made to Lessee by Sublessees for the right to sublease; (but this provision shall not relieve Lessee from its full obligation to pay to Lessor the agreed Percentage Rent on all Gross Receipts from Sales of Sublessees);

(5) Receipts in the form of refunds from or the value of merchandise, supplies or equipment returned to shippers, suppliers or manufacturers;

(6) The cost or value of free meals given to persons for public relations' reasons, or to employees of Lessee, employed at or serving the demised premises or Lessee's restaurant operations. Whenever free meals are furnished for public relations' reasons Lessee agrees to and will supply a full accounting thereof to the Lessor at the time each monthly report is made. In

the event Lessor shall give notice to Lessee, within twenty (20) days after receipt of such accounting, that the Lessor considers the Lessee to have rendered improper or an excessive amount of free meals for public relations' reasons, then, and in that event, Lessee agrees to abide by the judgment of the Lessor to the end that such portion of the free meals for public relations' reasons which the Lessor considers to be improper or excessive will be determined and added to the Gross Receipts from Sales of the Lessee and for which payment will be due to the Lessor under the appropriate provisions hereof.

(7) The amount of any cash or quantity discounts received from sellers, suppliers or manufacturers;

(8) The amounts of any tips paid or given by patrons or customers to employees of Lessee;

(e) Rent Payments. The Percentage Rent required to be paid hereunder shall be paid monthly and shall be due and payable on the fifteenth day of the calendar month succeeding the month for which such rental installment is applicable.

(f) Monthly Periods. In computing the Percentage Rent to be paid by Lessee, the first monthly period shall commence on the date Lessee opens for business and shall end at the close of business on the last day of the same calendar month. Thereafter, the monthly period shall be coextensive with the calendar month. In determining the Percentage Rent to be paid monthly by Lessee the amount thereof shall be computed on the basis of Gross Receipts from Sales and monthly Minimum Rents, if any, paid by Lessee both accumulated from the next preceding January 1st, or in the case of the first fractional calendar year, the day on which the term of this Lease commences. The last monthly period, however, shall commence on the first day of the last calendar month of the term and shall end on the last day of such term.

(g) License Fees. In addition to the rents above specified, Lessee shall obtain all permits and licenses required by any and all laws of any Federal, State or other governmental agency and the ordinances of the City of Chicago and pay all fees therefor.

6. Books, Records and Audits. (a) Books and Records. Lessee agrees to keep accurate books and records in accordance with recognized accounting practices concerning all Gross Receipts from Sales as herein defined and to keep and preserve in the City of Chicago for a period of three (3) years following the end of each lease year full, complete and true records thereof. All books and records maintained by Lessee relating to Gross Receipts from Sales shall be available at all reasonable hours to the inspection of Lessor and its agents.

(b) Reports. On or before the fifteenth day of each calendar month of the term Lessee shall deliver to the City Comptroller and to the Commissioner of Aviation of the City of Chicago a statement in writing, certified by an officer of the Lessee to be correct, showing Gross Receipts from Sales during the preceding month. On or before the ninetieth (90th) day after the end of each lease year, Lessee shall deliver to the City Comptroller and to the Commissioner of Aviation a certified statement prepared by Lessee's independent certified public accountants, showing Gross Receipts from Sales for the preceding lease year.

(c) Finality of Reports. Unless notice of dissatisfaction shall be served by Lessor on Lessee within three (3) years after the receipt of any statement submitted by Lessee as herein provided, such statement shall be deemed final and binding upon the parties.

7. Construction of Facilities: (a) Detailed Working Plans and Specifications. Exhibits A, A-1 through A-11 and Exhibits B-1 and B-2, all attached to and made a part of this Lease, constitute the outline plans showing the floor plans for each floor and the summarized basic specifications of the demised premises to be constructed in the Terminal Buildings. Lessor agrees to deliver to Lessee detailed working plans and specifications based on all of said Exhibits, except the leasehold improvements referred to therein as being constructed by Lessee, as promptly as the same shall become available. Lessee agrees to deliver to Lessor detailed working plans and specifications of said leasehold improvements based on said Exhibits as promptly as the same shall become available. All of said detailed working plans and specifications referred to in this Section 7 shall be in accord with the basic concepts expressed in the exhibits attached to this Lease and shall meet with the mutual approval of both parties. In the event of a dispute concerning any of them, the Commissioner of Public Works for Midway Airport shall within his sole discretion decide any such dispute, and his decision shall be binding upon both parties.

(b) Utilities. The detailed working plans and specifications shall provide for the construction and installation by Lessor and Lessee of utilities and utility connections within and without the demised premises as provided in the summarized basic specifications mentioned in the preceding paragraph (a).

(c) Restaurant Building. Lessor shall remodel and construct the Terminal Building, in accordance with the detailed working plans and specifications.

(d) Snack Bars and Fast Bars. Lessor at its sole cost and expense shall construct the permanent improvements required for the snack bars and fast bars in accordance with the detailed working plans and specifications. Lessee agrees at its sole cost and expense to construct the leasehold improvements as shown on the detailed working plans and specifications for said snack bars and fast bars and Lessee shall complete the installation of such leasehold improvements and the fixturing, decorating and equipping of such areas to be performed by it under Section 8 within one hundred and eighty days from the date Lessor approves the detailed working plans and specifications therefor, and in all other respects have said bars in operation serving the public within said one hundred and eighty days.

(e) Permanent Improvements. The permanent improvements referred to in the exhibits attached to and made a part of this Lease, including the leasehold improvements described in Exhibit B-2 attached hereto, shall become the sole property of the Lessor progressively as built. Nothing contained in this subparagraph (e) shall affect the right of Lessee to remove in accordance with Section 23 all equipment and fixtures installed by it as provided in Section 8.

8. Fixtures and Decoration. At the time the parties submit to each other their respective detailed working plans and specifications herein above provided for Lessee shall at its own expense submit to Lessor for Lessor's approval detailed working plans, and specifications concerning fixtures and decorations to be constructed by Lessee in all of the restaurant and bar facilities to be operated by Lessee and a schedule of the restaurant and bar and heavy equipment (which is herein referred to as "equipment and fixtures") to be used in con-

nection therewith. Lessee shall, at its expense, furnish the equipment and fixtures and all personal property necessary or convenient for the operation of restaurants, bars, and the other businesses to be conducted by Lessee from or at the demised premises. Equipment, fixtures and personal property to be furnished by Lessee shall include but not be limited to: stoves, refrigerators, freezers, dish washers, cooking utensils, silverware, linens, dishes, dining room tables, chairs, coffee makers, meat slicers, cream dispensers, toasters, deep fryers, coffee warmers, malted milk machines, roll warmers, store room equipment, scales, office equipment, draperies, carpets, and other interior furnishings. It is mutually agreed that the total cost to Lessee of furnishing fixtures, equipment and personal property and decorating the demised premises and putting them in the condition of a fully equipped, fully operating restaurant and fully equipped, fully operating bars, and other facilities hereby provided for, shall be not less than Five Hundred Thousand Dollars ($500,000.00) nor more than Six Hundred Fifty Thousand Dollars ($650,000.00). After the plans and specifications concerning fixtures and decorations above provided for have been prepared, Lessee shall secure estimates of the cost to it of all fixtures, equipment, and personal property required and all decorating to be done by Lessee in conformity with this Lease and Agreement, and if the aggregate cost of all such items exceeds Six Hundred Fifty Thousand Dollars ($650,000.00), the plans and specifications shall be revised by the parties hereto in such manner as to cause the cost of such items to be not more than Six Hundred Fifty Thousand Dollars ($650,000.00).

Lessee shall not suffer or permit any mechanic's liens to be filed against the demised premises or the leasehold estate hereby created, or any part thereof, by reason of work, labor, services or materials supplied or claimed to have been supplied to Lessee or any Sublessee or suffer or permit any other lien to attach to the demised premises or any part thereof or the leasehold estate hereby created.

The Lessee shall have the right at any time and from time to time during the term of this Lease to remove any fixtures, equipment or personal property it may erect or install or use in the demised premises pursuant to this Section 8 subject, however, to any valid lien which Lessor may have thereon; and provided, that upon removal of any fixtures, equipment or other personal property, the Lessee shall restore the premises to a condition satisfactory to the Commissioner of Aviation and provided further, the Lessee shall at all times at its expense maintain adequate and first class fixtures and equipment and other personal property installed and in operation in the demised premises to fully service the needs of the traveling public and to comply with all the other provisions of this Lease.

9. Possession. At least thirty (30) days before the demised premises are ready for delivery to the exclusive possession of Lessee, Lessor shall give written notice to Lessee setting forth Lessor's estimate of the date upon which Lessor expects to deliver full possession to Lessee. From and after the date of receipt of such notice, Lessee, its agents and employees shall have access to the demised premises for the purpose of installing furniture, fixtures and equipment and otherwise preparing the demised premises for the commencement of Lessee's Restaurant Operations, provided, however, that such privilege of installation and preparation shall not be exercised by Lessee, its agents or employees in such manner as to hinder the completion of construction or other work to be performed by Lessor.

10. Opening for Business. Lessee agrees to commence its Restaurant Operations within one hundred fifty (150) days after Lessor delivers full possession thereof to Lessee in accordance with the provisions of this Lease and Agreement.

11. Sale of Food and Beverages. (a) Restaurant Operations. Lessor hereby confers upon the Lessee the right to sell from the demised premises all of the food and alcoholic and non-alcoholic beverages hereinbefore specified in Section 4 of this Lease and Agreement. Lessor hereby agrees that during the terms of this Lease, within the entire Midway Airport site, Lessor will not operate on any property owned or leased by Lessor, nor give rights to or permit any person, firm or corporation, other than Lessee, to operate, a restaurant to serve or sell food or beverages, including alcoholic beverages, excepting therefrom items described in Sections 4 (b) (4) (5) and (6) of this lease and such other items customarily sold in vending machines.

The foregoing covenants of this Section 11 are subject to the following exceptions and limitations:

(i) The provisions of Section 33 of this Lease.

(ii) Nothing in this Lease and Agreement shall be construed as limiting the right of Lessor to authorize anyone to sell food and alcoholic and non-alcoholic beverages to scheduled and non-scheduled airlines, chartered, military, private, and any other aircraft, for use and consumption while in flight.

(iii) The serving of food, beverages including alcoholic beverages by the Air Lines or other Lessees within their respective demised premises for promotional or public relations' purposes and without making any direct or indirect charge therefor shall not be deemed a violation of Lessee's rights hereunder.

(b) Exclusive Possession. Lessor agrees that Lessee, performing its obligations hereunder, shall be entitled to and shall have the exclusive possession and enjoyment of the premises, rights and privileges leased to it hereunder to the extent of and subject to the provisions of this Lease.

12. Services to be Offered by Lessee. (a) Hours of Service. Subject to the provisions of this Section 12, Lessee agrees to keep open to the public and operate during the term of this Lease restaurant operations in each of the facilities shown on the attached Exhibits. Lessee shall provide reasonable and adequate service of food and non-alcoholic beverages and alcoholic beverages during a reasonable number of hours each day. Lessee shall be excused from operating in the demised premises at any time during the term of this Lease when Lessee is so prevented by strikes, fires, labor trouble, needed repairs, the default of Lessor, inability to procure food, or other causes beyond the reasonable control of Lessee.

(b) Prices. The prices to be charged by Lessee from time to time for food, beverages, including alcoholic beverages, tobacco and tobacco products, miscellaneous sundry food items and merchandise shall be fixed solely by Lessee, provided, however, such prices and quality of service may vary in the various facilities to be operated by Lessee but in each case the prices shall be reasonable and quality of service shall be commensurate with the quality of service furnished in first-class major airports in the United States.

(c) Temporary Service. Prior to the commencement of the term of this Lease and Agreement, Fred Harvey is hereby given the concession to furnish to the public and to employees working at Midway and for Air Lines such limited interim food and beverage service as may be agreed upon by Fred Harvey and the Commissioner of Aviation, upon such terms as may be agreed to in writing by them, but the furnishing of any interim food or beverage service shall not be construed as affecting the commencement of the term of this Lease as herein provided. In no event shall said concessionaire pay to the City for such rights less than 8% of gross receipts from sales of food and 14% of gross receipts from sales of alcoholic beverages, as "gross sales" as defined herein.

13. Public Access to Facilities. Lessor and Lessee each covenants and agrees that at all times the public shall have easy, convenient, and unobstructed access to the demised premises and the use of all facilities of Lessee provided for by this Lease and Agreement.

14. Display of Merchandise. Lessee shall have the right to display merchandise and to install display advertising in the demised premises subject to the approval from time to time of the Commissioner of Aviation.

15. Utility Services. At all times during the term of this Lease and Agreement, Lessor shall furnish in and to the demised premises, at no cost to Lessee, heat, ventilation and air conditioning as may be required by Lessee in the reasonable conduct of its restaurant operations in accordance with the design specifications set forth in Exhibit B and the detailed working plans and specifications which are hereafter to be approved by the parties hereto. Lessor agrees to furnish to Lessee steam in the Terminal Building.

Lessee shall pay for all steam and water which it may use and pay Lessor therefor at the same rates charged by Lessor to other comparable tenants at the Airport. All bills for utility services furnished to Lessee by Lessor, if any, shall be paid promptly by Lessee. Lessee also agrees to pay when due all bills for utility services furnished directly to Lessee by utility companies and used by Lessee for Lessee's purposes on or about the demised premises. The obligation of Lessor to furnish heat, hot water, steam, or any other service, which Lessor may from time to time have agreed to furnish to Lessee, shall be excused during any period when Lessor shall be prevented from furnishing heat, hot water, steam, or other service by strikes, fires, labor troubles, accidents, inability to procure fuel or other cause beyond the reasonable control of Lessor and while Lessor shall in good faith be in the process of making necessary repairs to apparatus or equipment necessary for the furnishing of such heat, hot water, steam, or other service. Lessor shall not be liable to Lessee in damages or for abatement of rent (except insofar as Percentage Rent may be affected) on account of the failure to supply heat, hot water, steam, electricity or other services so long as Lessor shall promptly and in good faith commence and proceed with the restoration of such services. If during the term of this Lease and Agreement the Lessor shall establish fees or charges for the use of the airport sewage system, such fees or charges shall be acceptable to the Lessee at the same rates or charges established for other comparable airport users.

16. Maintenance. (a) By Lessor. Lessor shall at all times maintain in good order and repair all heating, ventilating and air conditioning equipment, pipes and conduits, both inside and outside the demised premises. Lessor shall at all times maintain in good order and repair all trunk sewers insofar as such sewers are outside of the demised premises to the points of entry into the demised premises as shown on Exhibits A-1 through A-11.

(b) By Lessee. The Lessee agrees to provide the necessary management and labor, and continuously maintain the demised premises, including all operating equipment, utility services and connections on the demised premises, janitorial and custodian services, trash and garbage removal services, and any and all other related services necessary to maintain the demised premises in good, safe, sanitary condition and repair throughout the term of this Lease and Agreement, ordinary wear and tear excepted. Lessee shall be responsible for painting and decorating the interior of the demised premises and maintaining its equipment and fixtures, furnishings and other property in good condition and repair.

17. Repairs. (a) By Lessor. Lessor, at Lessor's expense, shall make all exterior and structural repairs (not made necessary by the fault of Lessee) to the demised premises, all heating, ventilating and air conditioning equipment as shown on the detailed working plans and specifications which are to be approved by the parties serving the demised premises and the building of which such premises are a part and in addition the necessary repairs to all wires, pipes, conduits and other equipment or facilities for supplying heat, light, power, hot and cold water services to the premises, all drainage and waste pipes or facilities leading from the premises, and those portions of all utility lines supplying said premises which are located outside said premises unless such utility lines are maintained or repaired by utility companies. The provisions of this paragraph shall be complied with by Lessor when necessary from time to time, but Lessor shall not be liable to Lessee for damages or for abatement in rent on account of Lessor's failure to perform the work required of Lessor hereunder unless and until Lessee shall have notified Lessor (such notice to be confirmed in writing) of the necessity of the performance of such work, and Lessor shall have had a reasonable time to so perform.

(b) By Lessee. Lessee shall keep all equipment and fixtures, furnishings and other property installed by it in good condition and repair, ordinary wear and tear excepted.

18. Alterations. Lessee shall have the right to make such alterations to the demised premises as Lessee shall elect, provided that Lessee shall not make structural alterations without the prior written consent of the Commissioner of Aviation, and provided further that all alterations to the demised premises as Lessee shall elect to make shall be in conformity with the general architectural criteria established by the Lessor for the said airport and shall be in keeping with the design criteria of the buildings in which such alterations may be made.

19. Insurance. (a) Liability and Property Damage. Lessee, at the expense of Lessee, shall keep in force, during the term of this Lease, insurance, issued by responsible insurance companies and in form acceptable to the Comptroller of the City of Chicago, for the protection of Lessor against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recovered from Lessor, by reason of damage to the property of, injury to or death of any person or persons on account of any matter or thing which

may occur on the demised premises, in a policy or policies in the amount of Five Hundred Thousand Dollars ($500,000) with respect to any one person and One Million Dollars ($1,000,000) with respect to any one accident or disaster and One Hundred Thousand Dollars ($100,000) with respect to property damage, provided that such coverage may be limited by the usual and customary limitations and conditions contained in Standard Owners-Landlord-and-Tenant policies written by the majority of stock or mutual insurance companies doing business in the City of Chicago, Illinois and provided such policies shall protect Lessor from claims under the Scaffolding Act and shall protect Lessor against products liability in the amounts set forth above.

(b) Dram Shop. Prior to the storage, sale, use or giving away of alcoholic beverages on or from the premises by Lessee or any other person, Lessee at its expense shall obtain a policy or policies of insurance issued by responsible insurance companies and in form acceptable to the Comptroller of the City of Chicago saving harmless and protecting Lessor and the demised premises against any and all damages, judgments, claims, liens, costs and expenses arising under the Illinois Liquor Control Act or under any present or future law, statute or ordinance of the State of Illinois or other governmental authority having jurisdiction of the premises, by reason of any such storage, sale, use or giving away of alcoholic beverages on or from the premises, such policy or policies of insurance to be in the following limits:

(i) Bodily injury, fatal or nonfatal, to any one person Two Hundred Thousand Dollars ($200,000), and to more than one person arising out of any one accident One Million Dollars ($1,000,000);

(ii) Injury to means of support of any one person Two Hundred Thousand Dollars ($200,000);

(iii) Injury to property of any person One Hundred Thousand Dollars ($100,000).

(c) Fire Insurance. Each party hereto shall keep its interest in the demised premises, the buildings in which the demised premises are located, and the equipment and fixtures and other property located in the demised premises, insured at its own expense against fire, extended coverage and such other risks as it may choose in an amount equal to the full replacement value, by policies issued by responsible insurance companies and in form acceptable to the Comptroller of the City of Chicago. All policies of fire insurance required to be carried by Lessee shall contain a waiver of subrogation by the insurer against Lessor. All such policies carried by Lessor shall provide that, in the event of a loss, all payments thereunder shall be made solely to Lessor. All policies carried by Lessee shall provide that, in the event of a loss, all payments thereunder shall be made solely to Lessee.

(d) Workmen's Compensation. Lessee shall procure and obtain Workmen's Compensation insurance during the entire term of this Lease in the maximum amounts required by law.

(e) Policies. The original of all insurance policies required to be carried by Lessee pursuant to this Section 19 shall be submitted to Lessor on request at all reasonable hours for its inspection and certificates of such insurance shall be delivered to the City Comptroller from time to time as such policies are written, and all such certificates shall contain a provision that the respective insurers will not cancel such insurance coverage required under this Lease without first giving ten (10) days prior written notice to Lessor. At all times that Lessee is operating any of its restaurant operations hereunder it shall maintain in full force and effect valid insurance policies of the kind and in the amounts and with the type of companies required by this Lease. All insurance policies required to be furnished by Lessee hereunder may be blanket policies covering the demised premises and other properties and premises owned and operated by Lessee.

20. Fire or Other Casualty. (a) In the event the demised premises or the building of which the demised premises are a part shall be partially damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by Lessor at its expense as soon as funds are available but Lessor shall not be obligated to repair or rebuild any fixtures, equipment and other property installed by Lessee pursuant to Section 8 of this Lease.

(b) In the event the demised premises or the building of which the demised premises are a part shall be substantially damaged or destroyed by fire or other casualty, the Lessor may elect not to repair or rebuild the demised premises, provided that in such event the Lessor shall within 90 days following the date of such damage or destruction so notify the Lessee.

In the event of any damage or destruction by fire or other casualty to the demised premises, and Lessor elects to repair and rebuild, then Lessee shall immediately at its expense replace and repair any and all fixtures, equipment and other property installed by it pursuant to Section 8 of this Lease.

21. Taxes. (a) Real Estate Taxes. Lessor shall pay any and all taxes or special assessments which may be levied or assessed upon the demised premises leased hereunder; provided, however, that the foregoing shall not apply to any taxes on any personal property or leasehold of Lessee located on or pertaining to such demised premises. Lessee shall pay all taxes on its own personal property and leasehold.

(b) Licenses and Permit Fees. The cost of necessary licenses and permits shall be paid by Lessee.

22. Signs. Lessee shall not attach, affix or permit to be attached or affixed upon the inside or outside of the demised premises, without the consent in writing of the Commissioner of Aviation of the City of Chicago, first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae or fixtures.

23. Disposition of Equipment. (a) Revomal by Lessee. Upon the termination of this Lease by lapse of time or otherwise, except for Lessee's default, Lessee shall have the right (subject only to the preemption herinafter stated) and on direction from Lessor shall be obliged to remove all equipment and fixtures and personal property installed or located within the demised premises by Lessee pursuant to Section 8 (but not pipes, conduit and wiring which Lessee may have installed and which may be affixed to or imbedded in walls, ceilings or floors), and whether or not such equipment shall be deemed real or personal property. Lessee shall have a reasonable time, not to exceed fifteen (15) days, to remove such equipment and fixtures and personal property and shall within said fifteen (15) days restore the premises to the condition in which they were in when originally

delivered to Lessee ordinary wear and tear excepted. Lessee shall be deemed to have abandoned to Lessor any of such equipment and fixtures and personal property which it has failed to remove from the demised premises within said fifteen (15) days, unless Lessor shall grant a further period in writing for this purpose.

(b) Purchase by Lessor. Lessee agrees that on the termination of this Lease by lapse of time or otherwise, if Lessor is not in default hereunder, Lessor shall have the option by notice in writing to Lessee of at least thirty (30) days prior to the expiration of the term of purchasing from Lessee Lessee's equipment and fixtures and personal property installed pursuant to Section 8, including any replacements thereof, within any one or more self contained restaurant or beverage facilities at actual cost less actual "observed" depreciation as determined by American Appraisal Company.

24. Assignment and Subletting. Lessee shall not assign or sublease this Lease and its rights hereunder, in whole or in part without the prior written consent of the corporate authorities of the Lessor provided, however, the foregoing shall not prevent the assignment of this Lease and of Lessee's rights hereunder to any corporation into or with which Lessee may merge or consolidate, or which may succeed to the business and assets of Lessee provided that after any such assignment the business operated on the demised premises shall continue to be operated in the name of "Fred Harvey" or any other name containing the name "Fred Harvey" and that no such assignment shall release Lessee from its obligations in this Lease and Agreement contained. Before any such assignment shall become effective, the assignee shall by written instrument, assume and agree to be bound by the terms and conditions of this Lease during the remainder of the term hereof.

25. Defaults. In any of the following events Lessor, at any time hereafter, shall have the right at Lessor's election immediately to terminate this Lease and Agreement:

(a) Failure to Pay Rent. In the event Lessee shall fail to pay the rent in the amounts and at the times and in the manner herein provided and such failure shall continue for fifteen (15) or more days after written notice thereof shall have been given to Lessee.

(b) Violation of Covenant. In the event Lessee shall fail to keep and perform or shall violate the terms, covenants and conditions of this Lease and Agreement on its part to be kept and performed, and Lessee shall not have cured or corrected such failure or violation within thirty (30) days after written notice thereof shall have been given to Lessee (except that Lessee shall have such additional time to cure or correct such failure or violation as any act described in Section 30 hereof may require).

(c) Insolvency. If Lessee shall make an assignment for the benefit of creditors, or shall file a petition in bankruptcy or shall be adjudged a bankrupt, or the interest of Lessee under this Lease shell be levied upon and sold upon execution or shall by operation of law become vested in another person, firm or corporation because of the insolvency of Lessee; or in the event that a Receiver or Trustee shall be appointed for Lessee or the interest of Lessee under this Lease.

(d) Abandonment. In the event Lessee shall vacate or abandon said premises, or shall permit the same to remain vacant or unoccupied without the consent of Lessor first had and obtained.

26. Remedies. (a) Repossession by Lessor. Upon the occurrence of any one or more of the events of default specified in Section 25 hereof Lessee's right to possession of the demised premises shall terminate and Lessee shall surrender possession thereof immediately. In such event Lessee hereby grants to Lessor full and free license to enter into and upon said premises, or any part thereof, to take possession thereof with or without process of law, and to expel and remove Lessee or any other person who may be occupying the said premises, or any part thereof, and Lessor may use such force in and about expelling and removing Lessee and said other person as may reasonably be necessary; and Lessor may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause a forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise in said lease contained, to be performed by Lessee. Lessee shall make no claim of any kind against Lessor, its agents and representatives by reason of such termination or any act incident thereto.

(b) Damages. In addition to terminating this Lease and Agreement Lessor may sue for and recover all damages and rent accrued or accruing under this Lease and Agreement or arising out of any breach thereof.

(c) Other remedies. Lessor may, if it so elects, pursue any other remedies provided by law for the breach of this Lease and Agreement or any of its terms, covenants, conditions or stipulations. No right or remedy herein conferred upon or reserved to Lessor or Lessee is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder, or now or hereafter existing at law or at equity or by statute.

(d) Removal of property. Any and all property which may be removed from the demised premises by Lessor pursuant to the provisions hereof or of law, may be handled, removed or stored by Lessor at the sole risk, cost and expense of Lessee, and Lessor shall in no event be responsible for the value, preservation or safekeeping thereof. Lessee shall pay to Lessor upon demand any and all expenses incurred in the removal of said property and all storage charges against such property so long as the same shall be in Lessor's possession or control.

(e) Access. Lessee shall allow Lessor, its officers, agents or employees free access to the demised premises for the purpose of examining the same to ascertain if they are in a safe, sanity and sightly condition and good repair, to make repairs, renewals or restorations to the extent required to be made by Lessor under other sections of this Lease and Agreement, and near the end of the term hereof to exhibit the same to prospective tenants, and for the last mentioned purpose, to place in and upon said premises notices of "For Rent" ninety (90) days prior to the final expiration of the term of this Lease or any extension thereof.

27. Waiver of Default. The acceptance of rent by Lessor, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Lessee, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express waiver in writing, shall not be construed as a waiver of Lessor's right to act or of any other right hereby given Lessor, or as an election not to proceed under the provision of this Lease.

28. Effect of demands. The obligation of Lessee to pay the rent reserved hereby during the balance of the term hereof, or during any extension hereof, shall not be deemed to be waived, released or terminated by the service of any five (5) day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Lessee's right to possession of the demised premises. Lessor may collect and receive any rent due from Lessee, and payment or receipt thereof shall not waive or affect any such notice, demand or suit, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Lessor may have by virtue hereof.

29. Addresses. (a) Lessor. In every case where under the provisions of this Lease it shall be necessary or desirable for Lessee to give to or serve upon Lessor any notice or demand, it shall be sufficient to send a written or printed copy of said notice or demand by registered mail, postage prepaid, addressed as follows:

Commissioner of Aviation
City of Chicago

Chicago, Illinois

with copy of said notice or demand to:

City Comptroller

(b) Lessee. Fred Harvey
80 East Jackson Boulevard
Chicago, Illinois 60604

30. Force Majeure. The performance of all covenants herein contained (except for the payment of rent which shall be paid as and when provided in Section 5 of this Lease), and particularly those contained in Sections three (3), twelve (12) and fifteen (15) hereof, shall be postponed and suspended during such period as the performance thereof is prevented by acts of God, accidents, weather and conditions arising therefrom, strikes, boycotts, lockouts and other labor troubles, riot, fire, earthquake, flood, storm, lightning, epidemic, insurrection, rebellion, revolution, civil war, hostilities, war, the declaration or existence of a national emergency and conditions arising therefrom, the exercise of paramount power by the Federal Government, either through the taking of the demised premises or the imposition of regulations restricting the conduct of business therein, acts of enemies, sabotage, interference, restriction, limitation or prevention by legislation, regulation, decree, order or request of any Federal, State or Local Government or any instrumentality or agency thereof, including any court of competent jurisdiction, inability to secure labor or adequate supplies of materials, products or merchandise or any other delay or contingency beyond the reasonable control of Lessor or Lessee.

31. Rights of Renewal. Lessee shall have the right, to be exercised as hereinafter provided, to extend the term of this Lease for an additional five years, on the following terms and conditions:

(a) That at the time of the exercise of each such right Lessee shall not be in default in the performance of any of the terms, covenants and conditions herein contained, and shall have exercised any options to renew which it may have had prior to such date;

(b) That such renewal terms shall be upon the terms, covenants and conditions as in this Lease contained;

(c) That this Lease shall have not been terminated during the initial term or any renewal term and shall be in full force and effect and with no existing defaults at the date of such exercise or the right to renew; and

If Lessor's lease from the Board of Education of the City of Chicago is renewed and extended upon the same terms and conditions then the term of this Lease may likewise be extended for an additional term of eight years.

Lessee shall exercise its right of renewal for each renewal term only in the following manner: at least one year prior to the expiration of the initial term or any extended term of this Lease, Lessee shall notify Lessor in writing of its election to exercise the right to renew the term of this Lease for one or more consecutive additional periods from the date of the expiration of such initial term or extended term. Such notice of election shall be given in the manner in this Lease provided for the giving of notices.

32. Miscellaneous, (a) Not Joint Venture. It is mutually understood and agreed that nothing contained in the Lease and Agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of co-partners or joint venturers between the parties hereto or as constituting the Lessee as the agent or representative of the Lessor for any purpose or in any manner whatsoever.

(b) Duty of Impartiality. Lessee agrees that in performing under this Lease and Agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Lessee further agrees that this article will be incorporated by Lessee in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this Lease and Agreement. gated by the Commissioner of Aviation or other lawful authority for the care, operation, maintenance and protection of the Airport.

(c) Right of Access. Lessor hereby grants to Lessee the right of access and ingress to and egress from the demised premises by Lessee and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress are at all times exercised in conformance with any and all regulations promulgated by the Commissioner of Aviation, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public and applicable to all users of said Airport.

(e) Development of Business. Lessee agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this Lease and Agreement and increase same, and not to divert or cause, or allow to be diverted any business from said Airport.

(f) Risks. The Lessee shall assume all risks incident to or in connection with its business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport, and shall indemnify, defend and save harmless the Lessor, its authorized agents and representatives, from any penalties for violation of any law, ordinance, or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence, or improper conduct of the Lessee or any of its agents or employees.

(g) Right of Inspection. Operations to be conducted by the Lessee under this Lease shall be done at the sole expense of the Lessee and shall be subject to general inspection by the Lessor to insure a continuing quality of services commensurate with the standards provided for in this Lease.

(h) Definition of "Persons." The term "persons" as used in this Lease and Agreement includes individuals, partnerships, corporations and any other legal entity.

(i) Commissioner of Public Works. The "Commissioner of Public Works" shall mean the Commissioner of Public Works of the City of Chicago (or if at any time the present jurisdiction of the Commissioner of Public Works over construction at Midway Airport shall be transferred to some other department or office, then the head of such department or office) and his duly authorized assistants.

The "Commissioner of Aviation" shall mean the Commissioner of Aviation of the City of Chicago (or if at any time the present jurisdiction of the Commissioner of Aviation over maintenance and operations at Midway Airport shall be transferred to some other department or office, then the head of such department or office) and his duly authorized assistants.

33. Subordinate to Federal and State Agreements with City. This Lease and Agreement shall be subject, and subordinate, to (a) any existing or future Federal or State statute or any existing or future lease or agreement between Lessor and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of Midway Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation, or maintenance of said Airport;

(b) Any lease and agreement heretofore executed by Lessor with Air Lines operating at Midway Airport, or any future lease and agreement which Lessor may enter into with other Air Lines, provided such future lease and agreement shall be limited to the scope and character of the leases and agreements now in existence with Air Lines:

(c) Lessee shall have no rights under Section 11 or otherwise in any landing areas, aircraft taxiways and aircraft parking aprons or ramps.

34. Lessor shall not be liable to Lessee, or to Lessee's agents, representatives or employees for any injury to, or death of any of them or of any other person or for any damage to any of Lessee's property or loss of revenue, caused by any third persons in the maintenance, construction or operation of said Midway Airport, its appurtenances, facilities and equipment, or caused by any third persons using said Airport or its appurtenances, facilities and equipment, or navigating any aircraft on or over said Airport, whether such injury, death or damage is due to negligence or otherwise. Third persons as used herein shall include the United States of America, State of Illinois or any of their agencies and all persons other than the City of Chicago.

Except as to the demised premises the Lessor reserves the right to regulate, police, and further develop, improve, reconstruct, modify, or otherwise alter said Midway Airport and any portion thereof, including the buildings in which the demised premises are located, in such manner as Lessor sees fit, regardless of the desires or views of the Lessee.

36. Inurement. This instrument shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, legal representatives and assigns. This paragraph shall not be deemed to authorize Lessee to make an assignment of its interest in this Lease except as hereinabove expressly provided for.

37. The descriptive headings appearing upon this Lease and Agreement are for convenience only, and are not to be construed either as a part of the terms and conditions hereof or as any interpretation thereof.

38. Execution.    (c) carry out and complete the Project in accordance with the plans and specifications and property map, incorporated herein, as they may be revised or modified with the approval of the FAA.
3. The allowable costs of the project shall not include any costs determined by the FAA to be ineligible for consideration as to allowability under Section 151.41 (b) of the Regulations.
4. Payment of the United States share of the allowable project costs will be made pursuant to and in accordance with the provisions of Sections 151.57—151.63 of the Regulations. 6 The FAA reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This Offer shall expire and the United States shall not be obligated to pay any part of the costs of the Project unless this Offer has been accepted by the Sponsor on or before June 30, 1968, or such subsequent date as may be prescribed in writing by the FAA.

8. In addition the Sponsor shall:

(a) Incorporate or cause to be incorporated in each contract for construction work under the project, or any modification thereof, the equal opportunity clause as set forth in Section 202 of Executive Order No. 11246 of September 24, 1965, or such modification thereof as may be approved by the Secretary of Labor.

9. It is understood and agreed that each contract awarded for construction work under this project is subject to the provisions of the Work Hours Act of 1962, Public Law 87-581. It is further understood and agreed that each such contract will contain stipulations requiring the contractor or subcontractor to pay wages to all laborers and mechanics employed on the work in conformance with the provisions of the Act and that the Sponsor may withhold or cause to be withheld from the contractor or subcontractor so much of the accrued payments as may be considered necessary to pay laborers and mechanics employed by any such contractor or subcontractor on the work the full amount of wages required by the contract and such sums as may administratively be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for liquidated damages as provided by the Act. It is also understood and agreed that, in the event of failure of any contractor or subcontractor to pay any laborer or mechanic employed or working on the site of the work all or part of the wages required by the contract, the FAA may, after written notice to the Sponsor, withhold from the Sponsor so much of the accrued payments or advances representing unpaid wages and liquidated damages.

10. The Sponsor hereby covenants and agrees that its financial records of the project, established, maintained and made available to personnel of the FAA in conformity to Section 151.55 of the Regulations of the Federal Aviation Agency (14 CFR 151) will also be available to representatives of the Comptroller General of the United States.

11. 12. By its acceptance hereof, the Sponsor hereby covenants that to the extent it has or may have either present or future control over each area identified on the Exhibit "A" as "clear zone", and unless exceptions to or deviations from the following obligations have been granted to the Sponsor in writing by the FAA, it will clear said area or areas of any existing structure or any natural growth which constitutes an obstruction to air navigation within the standards established by Section 77.23 as applied to Section 77.27, Part 77 of the Federal Aviation Regulations; and the Sponsor further covenants that it will control the subsequent erection of structures and control natural growth to the extent necessary to prevent the creation of obstructions within said standards.

13. The Sponsor hereby further covenants that it will not permit any permanent-type structures, other than structures required for aids to air navigation and such other structures as may be specifically excepted in writing by the FAA, to be erected on, and that it will cause

any existing structures to be removed from, each area identified on the Exhibit "A" as "clear zone" or any portions thereof, concerning which the Sponsor has acquired a fee interest with Federal financial assistance, irrespective of whether such structures constitute an obstruction to air navigation. The Sponsor hereby further covenants that, to the extent the land concerned is presently or hereafter owned or controlled by the Authority, it will not cause or permit any structure or object of natural growth to extend above the plane of the light path within the area comprising the site of any Approach Light System serving the aforesaid airport (an ALS site being an area extending 3200 feet outward from the approach end of the runway served and 400 feet in width located symmetrically about the projected runway centerline).

14. It is hereby understood and agreed by and between the parties hereto that Paragraph 7 of Part III—Sponsor's Assurances of the aforesaid Project Application shall be considered to be amended by deletion of the words "Section A of FAA Technical Standard Order No. N18 or Advisory Circular (AC) No. 150/5300.1, whichever is applicable according to the currently approved Airport Layout Plan", and by substitution therefor of the following: "Section 77.23 as applied to Section 77.27, Part 77 of the Federal Aviation Regulations.

In furtherance of the policy of the FAA under this covenant, the Sponsor agrees that, unless authorized by the Administrator, it will not, either directly or indirectly grant or permit any person, firm, or corporation the exclusive right at the airport or at any other airport now or hereafter owned or controlled by it, to conduct any aeronautical activities, including, but not limited to, charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their relationship to the operation of aircraft can be regarded as an aeronautical activity. The Sponsor further agrees that it will terminate any such exclusive right (including any exclusive right to engage in the sale of gasoline or oil, or both) now existing at the airport, or at any other airport now or hereafter owned or controlled by it, at the earliest renewal, cancellation, or expiration date applicable to the agreement that established the exclusive right, and certifies that there is no exclusive right not subject to termination under this provision.

16. It is understood and agreed that the terms "Administrator of the Federal Aviation Agency", "Administrator", "Federal Aviation Agency" or FAA wherever they appear in this Agreement, in the aforesaid Project Application, plans and specifications or other documents constituting a part of this Agreement shall be deemed to mean the Federal Aviation Administrator or the Federal Aviation Administration, as the case may be.

17. The Sponsor, the City of Chicago, hereby covenants and agrees with the United States, as follows:

    The Sponsor, in the operation and use of the Chicago Midway Airport will not on the grounds of race, color or national origin discriminate or permit discrimination against any person or group of persons in any manner prohibited by Title VI of the Civil Rights Act of 1964 and Part 15 of the Federal Aviation Regulations.

    The Sponsor will include, or require the inclusion, in every lease, agreement or concession pursuant to which any person, persons or concerns, other than the Sponsor, operates or has the right to operate any facility on the Chicago Midway Airport providing services to the public a covenant obligating such lessee or concessionaire in like manner, and a provision granting the Sponsor the right to take such action as the Federal Government may direct to enforce such covenant.

    Noncompliance with the foregoing assurance will constitute a material breach, and in the event of noncompliance, the Federal Government may take appropriate action to enforce compliance, may terminate this Grant Agreement to which this covenant relates, or seek judicial enforcement.

    This covenant shall become effective upon execution for and on behalf of the Sponsor of this Grant Agreement to which it relates and shall remain in full force and effect so long as the Chicago Midway Airport continues to be used and operated as a public airport.

18. It is understood and agreed by and between the parties hereto that any reference herein or in the aforesaid Project Application to plans and specifications shall mean the plans and specifications approved on May 3, 1968 by the Airports Branch, Chicago Area Office, Central Region, FAA.

19. The Sponsor hereby covenants and agrees that the United States shall not make, nor shall it be obligated to make, any grant payment under this project until an Agreement of Limited Agency has been entered into by and between the City of Chicago, as Principal, and the State of Illinois, Department of Aeronautics, as Agent, and the same has been determined by the FAA to be consonant with the applicable statutes of the State of Illinois.

20. It is understood and agreed by and between the parties hereto that the United States shall not make, nor shall it be obligated to make, final grant payment hereunder until

    a. The Sponsor has submitted a currently-revised and approvable Airport Layout Plan, and

    b. The Sponsor has submitted to the FAA copies of the leases and agreements as listed on Sheet 2 of 2 of the list of leases and agreements attached to the aforesaid Project Application and the same have been determined to be nonobjectionable.

21. The Federal Government does not plan or contemplate providing during the current year for the construction of any additional struc-

tures pursuant to the provisions of Paragraph 9 of Part III—Sponsor's Assurances of the aforesaid Project Application, and, therefore, it is understood and agreed that the Sponsor is under no obligation under the terms of this Grant Agreement to furnish any such area or rights without cost to the Federal Government. However, nothing contained herein shall be construed as altering or changing the rights of the United States and/or the obligations of the Sponsor under previous Grant Agreements respecting being furnished and furnishing of rent free building space for the activities specified in such Agreements.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and said Offer and Acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

(a) Any existing or future Federal or State statute or any existing or future lease or Agreement between Landlord and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation or maintenance of said Airport.

Article II

As compensation for the privileges granted hereunder, Tenant agrees to pay to Landlord during each lease year of this Agreement, as hereinafter defined, and based on such lease year, a fee (hereinafter referred to as "Percentage Fee") equal to two per cent (2%) of the total annual gross revenues, as hereinafter defined, derived by Tenant from its operations, in, on, or from the Demised Premises. The aforesaid Percentage Fee shall be due monthly and paid on or before the 10th day of the calendar month next succeeding each and every calendar month of the term or portion thereof, on the basis of the Tenant's gross revenues for the preceding month. Each such monthly payment shall be made to the City Comptroller of the City of Chicago (hereinafter referred to as "Comptroller") and shall be accompanied by a report to Landlord showing Tenant's gross revenues for said month and cumulatively for the lease year inclusive of said month. A duplicate copy of such report shall be sent to the Commissioner of Aviation of the City of Chicago (hereinafter referred to as "Commissioner of Aviation") at the same time.

In addition to the percentage fee hereinabove mentioned Tenant shall pay to Landlord at the Office of Comptroller on or before the first day of each calendar month during the term hereof and any extensions thereof, a monthly rental of One Thousand Three Hundred Forty and 50/100 Dollars ($1,340.50) in advance, predicated on an annual rate of ten cents (10¢) per square foot of ground area within the Demised Premises. The first and last monthly payment may be pro-rated.

In addition to the rent and charges hereinabove outlined, Tenant shall pay all fees, charges, including utilities, license fees and taxes including personal property, leasehold and real estate taxes, and other taxes of whatever nature, if necessary, lawfully levied or assessed upon the demised premises and as otherwise required by law or ordinance of the City of Chicago.

"Gross Revenues", as used herein shall mean and include the total gross receipts derived by Tenant from any and all sales on and at the Airport, including, but not limited, to the sales of all foods, beverages, and services to aircraft using the Airport; said food and food products shall not be consumed at the Airport. Said term shall not include, however, the receipts, if any, from the sale or exchange of Tenant's trade equipment, automotive vehicles, furniture, fixtures, furnishings, or leasehold improvements.

"Lease Year", as used herein, shall mean a full year beginning with the first lease year commencing on the first day of the term hereof. Each succeeding and consecutive lease year shall begin on the anniversary of said date.

The Commissioner of Aviation and City Comptroller, or such representatives or public accountants as may be designated by them, are hereby given and granted the right at all reasonable times to examine and inspect the records and books of account of Tenant which shall be made available for examination on the Demised Premises and to make copies and excerpts therefrom that may be necessary to make a full, proper, and complete audit of all business transacted by Tenant in connection with its operation hereunder.

Article III

Landlord hereby grants to Tenant a non-exclusive privilege, in common with others that Landlord may from time to time so authorize, to operate at the Airport a business of preparing, handling, and selling meals, food and beverages to be served as in-flight meals on aircraft and for services related thereto but for no other purpose whatsoever.

In connection therewith Tenant is granted the exclusive use of the Demised Premises, subject to the terms and provisions hereof and to rules and regulations promulgated by Landlord, for the foregoing privileges and for the operation of related administrative offices, parking, loading, unloading of aircraft trucks, delivery trucks or automobiles of employees and others having business with Tenant, and for no other purpose whatsoever. It is understood that parking on the Demised Premises will be at all times without charge and will only be permitted for and in connection with Tenant business.

Landlord covenants that it shall not during the term hereof grant to any other individual, firm, or corporation, occupying space on the Airport, a similar privilege on terms or conditions more favorable than those granted to Tenant by the provisions of this Agreement.

Article IV

Tenant, after securing necessary permits therefor, shall, at its own cost and expense, erect and install on the Demised Premises structures and improvements (hereinafter referred to as "Flight Kitchen") at a total capital expenditure of not less than Six Hundred Thousand Dollars ($600,000.00), including architect's and engineer's fees, cost of plans and specifications, and other costs incidental to such erection and installation. Plans and specifications, and changes thereto, for all such structures and improvements shall be subject to the advance approval in writing of the Commissioner of Aviation and Commissioner of Public Works of the City of Chicago (hereinafter referred to as "Commissioner of Public Works").

During the period of construction, all construction work, workmanship, materials and installations involved in or incidental to the construction of the Flight Kitchen shall be subject at all times to inspection by Landlord, without additional cost to Tenant. Tenant shall give or cause to be given to the Commissioner of Aviation and Commissioner of Public Works advance notice before starting any new work, and shall provide and cause its contractors and subcontractors to provide reasonable and necessary facilities for inspection. Tenant shall cause all construction, work, workmanship, materials, and installations to be in full compliance with plans and specifications.

Landlord has constructed roadways and lines for water, sewage, electricity, gas and storm drainage in the vicinity of the Demised Premises and Tenant is granted the right and privilege, at its own expense, to continue the construction of such roadways, lines, and drainage ditches to serve the facility to be constructed on the Demised Premises, all in accordance with plans and specifications as outlined and approved by the Commissioner of Aviation and the Commissioner of Public Works.

It is understood and agreed that prior to commencement of construction, the plans of Flight Kitchen shall be submitted to the Federal Aviation Administration, pursuant to Title 14 CFR Part 77. Evidence of such submission and action thereon shall be attached hereto.

Upon completion of building it shall thereafter not be enlarged without in each case the approval of the City Council of the City of Chicago first had and obtained and permits received therefor.

Tenant shall at all times throughout the term hereof maintain the Flight Kitchen and all other portions of the Demised Premises in good and serviceable condition and repair.

The Tenant shall cause to be removed any and all liens of any nature arising out of or because of any construction performed by the Tenant or any of its contractors or sub-contractors upon the Tenant's premises or arising out of or because of the performance of any work or labor to it or them at said premises or the furnishing of any materials to it or them for use at said premises.

Article V

Tenant shall have the right, throughout the term of this Agreement and for use on the Demised Premises hereunder, to lease certain restaurant trade equipment, furniture, and fixtures which will in fact be owned by a reputable equipment rental company approved by the Commissioner of Aviation and be rented to Tenant either directly from such rental company or by way of an equipment sublease or assignment of an equipment sublease from an equipment sublessor. If Tenant elects to exercise such right, Landlord agrees to recognize in such equipment the property rights therein of the equipment lessor, sublessor or assignee. *Provided,* (1) that prior to installation or use of any leased equipment, Landlord shall be furnished with a listing thereof which shall be kept current by appropriate writen notice of amendment by Tenant to Landlord; and (2) that all such leased equipment shall bear a permanently affixed identification indicating its ownership by the particular lessor, sublessor, or assignee.

Landlord agrees that all such items of leased equipment shall be and remain personal property notwithstanding the fact same may be attached or affixed to real property. Tenant, and the lessor, sublessor, or assignee to the extent of their respective interests in such equipment, shall have the right at any time to remove or replace any and all such equipment, regardless of whether attached or affixed to real property; provided, that any damage caused to real property by such removal or replacement, shall be repaired to the satisfaction of Landlord by and at the expense of Tenant.

Except as herein provided, Landlord expressly waives any claim arising by reason of any Landlord's lien or otherwise, with respect to leased trade equipment. With respect to trade equipment installed or used by Tenant which are not under lease, Tenant shall have the right at any time during the term or upon termination of this agreement to remove or replace such non-leased trade equipment; *subject, however,* to any valid lien which Landlord may have thereon for unpaid fees or charges, and provided, that upon removal of any such facilities, Tenant shall at its sole expense, restore the premises to a condition satisfactory to Landlord.

Tenant shall be deemed to have abandoned to Landlord any trade equipment and other property of Tenant which it has failed to remove from such premises within fifteen (15) calendar days after the end of the period of this Agreement or effective date of termination thereof, unless Landlord shall grant in writing a further period for this purpose.

"Trade equipment" as used herein shall mean furniture, furnishings, special lighting fixtures, draperies, decorations, appliances, trade fixtures, and equipment, furnished and installed or used by Tenant.

Article VI

Tenant shall also install, maintain, and operate such obstruction or warning lights on structures in or constituting part of the Demised Premises as may from time to time be required to conform to Federal Aviation Agency standards or to conform to standards prescribed by any other governmental agency having jurisdiction.

Tenant shall not install, erect or place, or permit others to so do, any illuminated signs, placards, displays or other advertising media on Flight Kitchen or elsewhere on Airport, without the prior written consent of the Commissioner of Aviation.

Landlord, by its representatives, shall have the right at any reasonable time, and as often as it considers necessary to inspect the Demised Premises and (without any obligation so to do) to enter thereon to direct Tenant to make ordinary repairs to insure a continuing quality.

Article VII

Title to the said Flight Kitchen and related improvements to the Demised Premises and to any and all subsequent alterations, modifications, and enlargements, shall upon completion thereof vest in Landlord.

In the event that the Demised Premises are required for Airport purposes prior to the expiration of this Agreement, the Commissioner of Aviation may, upon sixty (60) days advance written notice to the Tenant direct Tenant to vacate the same provided that Landlord, within sixty (60) days after Tenant's removal therefrom, will pay to Tenant the unamortized portion of the cost of the permanent structures and improvements constructed and installed thereon; such amortization to be computed on a straight-line basis over the period from the completion of said improvements to the expiration date of the term hereof.

Article VIII

Landlord hereby grants to Tenant the right of access and ingress to and egress from the Demised Premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with any and all regulations promulgated by Landlord or the Commissioner of Aviation or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

The operations of Tenant and its employees shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Airport. Landlord shall have the right to complain to Tenant as to the demeanor, conduct, or appearance of Tenant employees, whereupon Tenant will take all steps necessary to remove the cause of the complaint.

Tenant and its employees, invitees, and those doing business with it shall have no right hereunder to park vehicles upon the Airport premises, other than in places demised to Tenant pursuant to this Agreement, or except in regular parking areas upon payment of regular charges therefor.

Article IX

Tenant shall provide a complete and proper arrangement for the adequate sanitary handling and disposal of the Airport of all trash, garbage and other refuse caused as a result of the operation of its business. Tenant shall provide and use suitable covered metal receptacles for all garbage, trash and other refuse on or in connection with the Demised Premises. Piling of boxes, cartons, barrels, or other similar items, in an unsightly or unsafe manner, on or about the Demised Premises, is forbidden. The method of handling and disposing of trash, garbage and other refuse shall at all times be subject to approval of the Commissioner of Aviation.

Article X

Tenant shall not be obligated to operate the Demised Premises or to pay ground rent therefor during any time when all of the Demised Premises shall be untenantable as determined solely by the Commissioner of Aviation, through no fault or negligence of Tenant, its employees and agents. In the event the Demised Premises are partially untenantable, as determined solely by the Commissioner of Aviation, through no fault or negligence of Tenant, its employees and agents, Tenant shall not be obligated to operate such part of the Demised Premises and the minimum rent shall be proportionately and equitably abated. In the event that the Airport shall be closed for any period of time by any order or direction of Landlord or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, the ground rental shall abate for the period of such closing.

Article XI

Tenant, at the expense of Tenant, shall keep in force, during the term of this Agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by Comptroller for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

In event the improvements on the Demised Premises are financed by a loan or loans for that purpose secured by an assignment of Tenant's interest in and to this Agreement, the fire and extended coverage insurance on such improvements shall be payable to such assignee, subject to an agreement (which may be contained in such assignment) that the proceeds thereof shall be applied to the cost of rebuilding, but that if for reasons beyond the control of Tenant and such assignee the said improvements cannot be rebuilt, or if it would be impractical at the time to so rebuild, then the proceeds of such insurance shall be applied first to the payment of any such then outstanding loan and the balance thereof shall be paid over to the Landlord.

Upon determination by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto or certificates showing such insurance to be in effect, to Comptroller which shall be appended hereto as Exhibit C.

In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this Agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of this Agreement.

Tenant shall, before commencing construction of Flight Kitchen, furnish to Comptroller a Performance Bond in form similar to City Form No. P.W.O. 62 in the full amount of the Flight Kitchen contract with sureties satisfactory to said Comptroller.

Article XII

Landlord shall not be liable to Tenant, or to Tenant's agents, representatives or employees for any injury to, or death of any of them or of any other person or for any damage to any of Tenant's property or loss of revenue, caused by any third persons in the maintenance, construction or operation of said O'Hare Airport, its appurtenances, facilities and equipment, or caused by any third person using said Airport or its appurtenances, facilities and equipment, or navigating any aircraft on or over said Airport, whether such injury, death or damage is due to negligence or otherwise. Third persons as used herein shall include the United States of America, State of Illinois or any of their agencies and all persons other than the City of Chicago.

Except as to the Demised Premises the Landlord reserves the right to regulate, police, and further develop improve, reconstruct, modify, or otherwise alter said O'Hare Airport and any portion in such manner as Landlord sees fit, regardless of the desires or views of the Tenant.

The Tenant shall assume all risks incident to or in connection with its business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulations affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Tenant, or any of its agents or employees.

Landlord shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from Landlord's acts, omission or neglect in the maintenance and operation of the Airport facilities.

Article XIII

In the event the building to be constructed upon the Demised Premises shall be damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by Landlord at its expense from, after and only to the extent of insurance proceeds received by Landlord therefor, but Landlord shall not be obliged to repair or rebuild any fixtures, equipment and other personal property installed by Tenant pursuant to this agreement.

In the event of any damage or destruction by fire or other casualty to the Demised Premises Tenant shall immediately, at its expense, replace and repair any and all fixtures, equipment and other personal property, installed by it pursuant to this agreement.

Article XIV

Tenant, its officers, agents, employees, and any other persons over which Tenant has control, shall comply with all lawful rules and regulations and amendments or supplements thereto governing or related to the use of the Airport or of the Demised Premises as may from time to time be promulgated by Landlord in the interests of health, safety, sanitation and good order which are not inconsistent with applicable rules and regulations of

any Federal, State or local governmental body having jurisdiction with respect thereto.

Tenant shall at all times faithfully obey and comply with all lawful present and future laws and ordinances of Federal, State or local governmental bodies and rules and regulations lawfully promulgated thereunder, whether or not of the type enumerated, applicable to, or affecting Tenant and its operations and activities in the Demised Premises or elsewhere at the Airport not inconsistent with the provisions of this Agreement.

Article XV

Tenant covenants not to assign, transfer, nor to sublet, license, or permit the use of the premises or any part thereof, except to a wholly owned affiliated or subsidiary company, without the consent in writing of Landlord first had and obtained, nor permit any transfer by operation of law or its interest created thereby. Any such assignment, transfer, sublease, license or permission when and if approved shall be in writing and promptly upon execution thereof, Tenant shall furnish two (2) copies to Landlord for its files.

It is contemplated that the Tenant will seek to finance the improvements designated herein as the Flight Kitchen by obtaining a loan from a recognized financial lender. It is agreed that the Tenant may, without further approval of the Landlord, assign and set over to such lender all of Tenant's right, title and interest in and to this Agreement for the purpose of securing such loan. Any such assignee-lender shall thereupon acquire no greater interest in the Demised Premises than that of the Tenant as herein provided. In event of any foreclosure under such financing, the assignee-lender shall have the further right to assign its interest in this Agreement to a person or company of good reputation and qualified to operate the type of business herein authorized and who will be subject to the same terms and conditions as herein contained.

In the event an assignment, sublease, license or permit to use the aforesaid premises, or any part thereof, is approved by Landlord, under no circumstances shall the income derived by Tenant therefrom exceed the amount of a proportionate share of Tenant's obligations and expenses, under the terms of this Agreement. Landlord expressly reserves the right to assess an extra charge against any approved assignee, subleassee, licensee or permittee hereunder.

It is expressly understood and agreed that the only activity which Tenant may conduct on or from the Demised Premises, directly or indirectly, alone or through others, is only as authorized under the terms of this Agreement.

This Agreement does not constitute either party the agent or representative of the other for any purpose whatsoever.

Landlord covenants that Tenant shall and may peaceably and quietly have, hold and enjoy the premises or space leased exclusively to it during the term of the letting thereof and any extension of said term, unless such term or extension thereof shall cease, close or expire sooner or shall be terminated as provided in this instrument.

Article XVI

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Tenant further agrees that this article will be incorporated by Tenant in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1967, CH. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

To demonstrate compliance the Tenant and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Article XVII

This Agreement shall not and will not nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook and DuPage Counties, Illinois or in any other public office, by Tenant or any one acting for Tenant and that if the same be so filed, this Agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this Agreement.

Article XVIII

In any of the following events Landlord, at any time hereafter, shall have the right at Landlord's election immediately to terminate this Agreement.

In the event Tenant shall fail to pay the rent in the amounts and at the times and in the manner herein provided and such failure shall continue for fifteen (15) or more days after written notice thereof shall have been given to Tenant.

In the event Tenant shall fail to keep and perform or shall violate the terms, covenants and conditions of this Agreement on its part to be kept and performed, and Tenant shall not have cured or corrected such failure or violation within thirty (30) days after written notice thereof shall have been given to Tenant.

If Tenant shall make an assignment for the benefit of creditors, or shall file a petition in bankruptcy, or shall be adjudged a bankrupt, and such adjudication be not stayed or vacated within 90 days thereafter, or the interest of Tenant under this Agreement shall be levied upon and sold upon execution or shall by operation of law become vested in another person, firm or corporation because of the insolvency of Tenant; or in the event that a Receiver or Trustee shall be appointed for Tenant or the interest of Tenant under this Agreement, and such appointment has not been vacated within 90 days thereafter.

In the event Tenant shall vacate or abandon said premises, or shall permit the same to remain vacant or unoccupied without the consent of Landlord first had and obtained.

Article XIX

Upon the occurrence of any one or more of the events of default herein specified, Tenant's right to possession of the Demised Premises shall terminate and Tenant shall surrender possession thereof immediately. In such event Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof with or without process of law,

and to expel and remove Tenant or any other person who may be occupying the said premises, or any part thereof, and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary; and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause a forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise in said lease contained, to be performed by Tenant. Tenant shall make no claim of any kind against Landlord, its agents and representatives by reason of such termination or any act incident thereto.

In addition to terminating this Agreement Landlord may sue for and recover all damages and rent accrued or accruing under this Agreement or arising out of any breach thereof.

Landlord may, if it so elects, pursue any other remedies provided by law for the breach of this Agreement or any of its terms, covenants, conditions or stipulations. No right or remedy herein conferred upon or reserved to Landlord or Tenant is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder, or now or hereafter existing at law or at equity or by statute.

The acceptance of rent by Landlord, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express waiver in writing, shall not be construed as a waiver of Landlord's right to act or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this Agreement.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, shall not be deemed to be waived, released or terminated by the service of any five (5) day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment of any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the Demised Premises. Landlord may collect and receive any rent due from Tenant, and payment or receipt thereof shall not waive or affect any such notice, demand or suit, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Article XX

In Consideration Thereof, the Parties Covenant and Agree: Rent: Lessee shall pay to Lessor or Halsted Realty Company , in coin or currency which, at the time or times of payment, is legal tender for public and private debts in the United States of America, at 6620 South Halsted, Chicago, Illinois or elsewhere as designated from time to time by Lessor's notice, the sum of One Thousand Two Hundred and 50/100ths Dollars $1,200.00 in installments as follows: Twelve (12) monthly installments of One Hundred and 50/100ths Dollars $100.00 payable one each in advance promptly on the first day of every calendar month of the term and at the current rate for fractions of a month if the term shall be terminated on any day other than the last day of any month. ~~Unpaid rent shall bear interest at 7% per annum from the date due until paid.~~

2. SERVICE: Lessor shall furnish: (a) **Heat** (unless by special provision herein Lessee shall furnish heat) whenever, in Lessor's judgment, necessary for the comfortable use of the premises, in so much thereof as at the date of this Lease is equipped for heating, daily except Sundays and holidays during the customary business hours for Lessee's stated use of the premises in the vicinity, but not earlier than 8 a. m. or later than 6 p. m. on any day unless specifically stated herein. (b) **Water** from city mains through existing pipes, for which Lessee shall pay at rates fixed by Lessor. (c) **Electricity** from existing wiring and connections if and so long as Lessor shall generate or distribute electric current in the building. So long as Lessor furnishes electric current, Lessee shall obtain all current used in or about the premises from Lessor and shall pay Lessor therefor at prevailing public utility rates and charges for similar services as measured by meter; provided, however, that electric current for the operation of air conditioning equipment, if furnished, shall be at reasonable basis; and provided further, that Lessor shall not be obligated to furnish light bulb service. Lessee shall give Lessor written notice of any error of any type whatever in any statement of account for electric current within sixty days from the date of each such statement. Unless such notice is given, the statement of account shall be deemed correct and Lessor shall not be obligated to make refund to Lessee for any error, however, if Lessee gives timely notice, Lessor may cease to furnish electricity to the premises without any responsibility to Lessee except to connect, within the period of notice, the wiring system of the premises with another source of supply of electricity, either direct or alternating current. Lessor may change electrical service and supply, upon at least thirty days' notice, from direct current to alternating current without any liability of Lessor to Lessee.

Lessee shall pay Lessor's charges for water and electricity within ten days after the billing therefor unless otherwise stated in the statements of account. Lessee's failure to pay promptly any such charge shall entitle Lessor, upon not less than five days' notice, to discontinue furnishing the service not paid for, and any such discontinuance shall be deemed an eviction or disturbance of Lessee's use of the premises or render Lessor liable to Lessee for damages or relieve Lessee from performance of Lessee's obligations hereunder. Lessee shall pay for all electricity and water used during any alterations, repairs and decorating made in the premises during the term, or made at any time in consequence of any default by Lessee. Lessor provides no janitor service in the premises and does not warrant that any service will be free from interruptions caused by repairs, renewals, improvements, strikes, lockouts, labor controversies, accidents, inability of Lessor to obtain fuel or supplies, or any cause or causes beyond the reasonable control of Lessor. Any such interruption shall never be deemed an eviction or disturbance of Lessee's use and possession of the premises or any part thereof, or render Lessor liable to Lessee for damages or relieve Lessee from full performance of Lessee's obligations under this lease.

3. LESSOR'S TITLE: Nothing herein contained shall empower Lessee to do any act which can, may or shall cloud or encumber Lessor's title. Lessee's rights are and shall always be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Building or any underlying real estate and to all advances made or hereafter to be made upon the security thereof, and Lessee shall execute such further instruments subordinating this lease to the lien or liens of any such mortgage or mortgages or to any such underlying lease or leases as shall be requested by Lessor. Lessee hereby irrevocably appoints Lessor as attorney-in-fact for Lessee with full authority to execute and deliver in the name of Lessee any such instrument or instruments. Lessor's division, if any, of ownership of any space outside the line of the lot or lots whereon the Building stands, conveys only Lessor's rights thereto. If, at any time during the term, any municipality or public authority shall (a) take possession of all or any part of such space, this lease shall continue without abatement or diminution of rent; (b) require compensation for the use of such space, Lessee will pay Lessor amounts equal thereto during comparable portions of the term hereof. This Lease does not grant any rights to light or air over property except over public streets, alleys or ways kept open by public authority.

4. RESERVED RIGHTS: Lessor reserves the following rights: (a) To change the name or street address of the building without notice or liability of Lessor to Lessee. (b) To install and maintain a sign or signs on the exterior of the building. (c) To exhibit the premises to prospective tenants, purchasers or others. (d) To display during the last ninety days of the term without hindrance or molestation by Lessee "For Rent" and similar signs on windows or elsewhere in or on the premises. (e) During the last ninety days of the term or part thereof, if during or prior to that time Lessee vacates the premises, or at any time after Lessee abandons the premises, to enter and decorate, remodel, repair, alter or otherwise prepare the premises or reoccupancy. (f) To take any and all measures, including inspections, repairs, alterations, additions and improvements to the premises or to the building as may be necessary or desirable for the safety, protection or preservation of the premises or of the building or Lessor's interests, or as may be necessary or desirable in the operation of the building.

Lessor may enter upon the premises and may exercise any or all of the foregoing rights hereby reserved without being deemed guilty of an eviction or disturbance of Lessee's use or possession and without being liable in any manner to Lessee.

5. DEFAULT UNDER OTHER LEASE: If the term of any lease, other than this lease, made by Lessee with Lessor be terminated or terminable after the making of this lease at option of any default by Lessee under such other lease, that fact shall empower Lessor, at Lessor's sole option, (a) to terminate this lease, or (b) to add any sums due to Lessor under the other lease to the Rent payable under this lease. The exercise of above rights becomes effective by Lessor's notice only.

6. WAIVER OF CLAIMS: Lessor and Lessor's agents and servants shall not be liable and Lessee waives all claims for damage to person or property sustained by Lessee or any occupant of the Building or premises resulting from the Building or premises or any part of either or any equipment or appurtenances becoming out of repair, or resulting from any accident in or about the Building, or resulting directly or indirectly from any act or neglect of any tenant or occupant of the Building or of any other person, including Lessor's agents and servants. This Section 6 shall apply especially, but not exclusively, to the flooding of basements or other adjacent areas by rain, storm, snow, sprinkling devices, air conditioning apparatus, water, snow, frost, steam, excessive heat or cold, falling plaster, broken glass, sewage, gas, odors or noise, or the bursting or leaking of pipes or plumbing fixtures, and whether any such damage results from the act or neglect of Lessor or of other tenants, occupants or servants in the Building or of any other person, and whether such damage be caused or result from any circumstance above mentioned or referred to, or any other thing or circumstance whether of a like nature or of a wholly different nature. If any such damage, whether to the demised premises or to the Building or any part thereof, or whether to Lessor or to other tenants in the Building, result from any act or neglect of Lessee, Lessor may, at Lessor's option, repair such damage and Lessee shall, upon demand by Lessor, reimburse Lessor forthwith for the total cost of such repairs. All property belonging to Lessee or any occupant of the premises that is in the Building or the premises shall be there at the risk of Lessee or of such other persons only, and Lessor shall not be liable for damage thereto or theft or misappropriation thereof. Any and all property which may be removed from the premises by Lessor pursuant to the authority of this Lease or of law, to which Lessee is or may be entitled, may be handled or removed by Lessor at the risk, cost and expense of Lessee, and Lessor shall in no event be responsible as warehouseman, bailee or otherwise for any property left in the premises after Lessee, or any occupant of the premises, vacates or abandons the premises. Lessee shall pay to Lessor, upon demand, any and all expenses incurred in any such removal of Lessee's property.

7. HOLDING OVER: If Lessee retains possession of the premises or any part thereof after the termination of the term by lapse of time or otherwise, Lessee shall pay Lessor rent at double the rate and interest thereon, specified in section 1, for the time Lessee thus remains in possession, and in addition thereto, shall pay Lessor all damages sustained by reason of Lessee's retention of possession. If Lessee remains in possession of the premises or any part thereof after termination of the term by lapse of time or otherwise, such holding over shall, at the election of Lessor, expressed in a written notice to Lessee and not otherwise, constitute a renewal of this lease for one year, and/or Lessor's acceptance of any rent after holding over does not renew the lease. The provisions of this section do not waive Lessor's rights of reentry or any other right hereunder.

8. SUBLETTING OR ASSIGNMENT: Lessee shall not allow or permit any transfer of this Lease or any interest under it or any lien upon Lessee's interest by operation of law, or assign or convey this Lease or any interest under it, or sublet the premises or any part thereof, or permit the use of the premises by any parties other than Lessee and Lessee's agents and employees or any part thereof, and from any such transaction obtains a gain or profit, Lessee shall pay promptly to Lessor a sum equal to one half of such gain or profit, and the payment of such sum to Lessor may, at Lessor's option, be made a condition precedent to Lessor's consent to any assignment or sublease.

9. CONDITION OF THE PREMISES: Lessee has examined the premises before signing this Lease and is satisfied with the condition thereof, excepting only such alterations, improvements, repairs, decorating and cleaning, if any, which are specifically provided for herein. Lessee's taking possession of the premises shall be conclusive evidence against Lessee that the premises were in good order and satisfactory condition when Lessee took possession hereunder. No promise of Lessor to alter, remodel, improve, repair, decorate or clean the premises or any part thereof, and no representation respecting the condition of the premises or the Building, has been made by Lessor to Lessee, unless the same is contained herein or made a part hereof. At the termination of this lease, Lessee shall promptly surrender the premises and all equipment and fixtures therein in as good condition as when Lessee took possession, ordinary wear and tear excepted, failing which Lessor may restore the premises, equipment and fixtures to such condition and Lessee shall pay the cost thereof upon request.

10. ALTERATIONS: Lessee shall not make any alterations in or additions to the premises without Lessor's advance written consent in each and every instance. Lessor is designed to refuse such consent shall be conclusive. If Lessor consents to such alterations or additions, before commencement of the work or delivery of any materials onto the premises or into the Building, Lessee shall furnish Lessor with plans and specifications, names and addresses of contractors, copies of contracts, necessary permits and indemnification in form and amount satisfactory to Lessor and waivers of lien upon all work, materials and all claims, costs, damages, liabilities and expenses which may arise in connection with the alterations or additions. Whether Lessee furnishes Lessor the foregoing or not, Lessee hereby agrees to hold Lessor harmless from any and all liabilities of every kind and description which may arise out of or be connected in any way with said alterations or additions. Before commencing any work in connection with alterations or additions, Lessee shall furnish Lessor with certificates of insurance from all contractors performing labor or furnishing materials insuring Lessor against any and all liabilities which may arise out of or be connected in any way with said alterations or additions. Lessee shall pay Lessor all costs of said alterations and additions and also the cost of decorating the premises occasioned by such alterations and additions. Upon completing any alterations or additions, Lessee shall furnish Lessor with contractors' affidavits and full and final waivers of lien and receipted bills covering all labor and materials expended and used. All alterations and additions shall comply with insurance requirements and with all ordinances and regulations of the City of Chicago or any department or agency thereof and with the requirements of all statutes and regulations of the State of Illinois or any department or agency thereof. All alterations and additions shall be constructed in a good and workmanlike manner and only good grades of materials shall be used. Lessee shall permit Lessor to supervise construction work in connection with alterations and additions if Lessor requests to do so. All additions, hardware, non-trade fixtures and all improvements, temporary or permanent, in or upon the premises, whether placed there by Lessee or by Lessor, shall, unless Lessor requests their removal, become Lessor's property and shall remain upon the premises at the termination of this lease by lapse of time or otherwise without compensation or allowance or credit to Lessee. If, upon Lessor's request, Lessee does not remove said additions, hardware, non-trade fixtures and improvements, Lessor may remove the same and Lessee shall pay the cost of such removal to Lessor upon demand. If Lessee does not remove Lessee's furniture, machinery, trade fixtures and all other items of personal property of every kind and description from the premises prior to the end of the term, however ended, Lessee shall be conclusively presumed to have conveyed the same to Lessor under this lease as a bill of sale without further payment or credit by Lessor to Lessee.

11. USE OF PREMISES: (a) Lessee shall occupy and use the premises during the term for the purpose above specified and none other, conducting Lessee's customary business activity therein during all usual days and hours for the business in the vicinity except when prevented by strikes, fire, casualty or other reasons beyond Lessee's reasonable control and except during reasonable periods for the repair, cleaning and decorating the premises; (b) Unless specifically provided herein and then only upon written consent of Lessor, Lessee shall not manufacture, distribute, store, sell or give away any alcholic liquor, as defined in the Illinois Liquor Control Act approved January 31, 1934 as amended; (c) Lessee shall not exhibit, sell or offer for sale, use, rent or exchange on the premises or in the building any article, thing or service except those ordinarily embraced within the business above authorized; (d) Lessee will not do or permit to be made any use of the premises which, directly or indirectly, is forbidden by public law, ordinance or governmental or municipal regulation or order, or which may be dangerous to life, limb or property, or which may increase the premium cost of any policy of insurance carried on the building or covering its operations. (e) Lessee will comply with all requirements for state, municipal or governmental licenses and permits and will procure promptly any and all permits for and charges in connection therewith, failing which Lessor may, but need not, pay any and all such fees and charges for the account of Lessee. (f) Lessee shall keep all first floor street frontage show windows brightly lighted during the term from dusk of each day until ——— P. M., including Sundays and holidays. (g) Lessee will not display, inscribe, paint or affix any sign, picture, advertisement or notice inside or outside the premises or the building except in such place or places and of such color, size, design, style and matter as shall be first approved by Lessor, and, upon expiration of the term, whether by lapse or otherwise, Lessee shall remove all such signs, pictures, advertisements and notices. At the request of Lessor, Lessee shall remove any and all signs, pictures, advertisements and notices which Lessor shall consider objectionable or injurious to the building or premises. (h) Lessee shall not use the name of the building for any purpose other than Lessee's business address and shall never use any picture or likeness of the building or premises in any advertisements, notices or correspondence without Lessor's advance written consent thereto. (i) Lessee shall remove snow and ice from the sidewalks in front of, adjoining and in the rear of the premises, and shall keep all such sidewalks and all entrances, passages, courts, corridors, vestibules, halls, elevators and stairways free from all obstructions of every kind, and from ashes, garbage, litter and refuse of every kind, and in a clean and sanitary condition. (j) Lessee shall keep all windows of the premises clean and shall maintain the front, or fronts of the premises in an attractive condition; (k) Lessee shall not make or permit any noise or odor that is objectionable to the public, to other occupants of the building, or to Lessor, to emanate from the premises, and shall not create or maintain a nuisance thereon, and shall not disturb, solicit or canvas any occupant of the building, and shall not do any act tending to injure the reputation of the building or the premises; (l) Lessee shall not place or permit any radio or television antennae, loud speakers, sound amplifiers or other similar devices on the roof or outside of the building; (m) Lessee shall not waste water by tying, wedging or otherwise fastening open any faucet; (n) Upon termination of the lease or of Lessee's possession, Lessee shall surrender all keys to the premises to Lessor at the place then fixed for the payment of rent and shall make known to Lessor the explanation of all combination locks on safes, cabinets and vaults in the premises; (o) If Lessee desires awnings, shades, Venetian blinds or window or door coverings of any kind, whether inside or outside, Lessee shall furnish and maintain the same in good and attractive condition at Lessee's expense and risk, and all shall be of such shape, color, design and material, quality and make as shall first be approved by Lessor in writing; (p) Lessee shall not overload any floor; Lessor may direct the routing and location of safes and all heavy articles; (q) Unless Lessor gives advance written consent, Lessee shall not use any inflammable fluids or any gasoline or any power for heating accommodations or for lighting or sleeping purposes, and shall not do any cooking thereon and shall not use any illumination other than electric light; (r) Lessee shall not take or permit to be taken any supplies, merchandise, fixtures, equipment or appliances in or out of the premises or the building except through proper service doors. If Lessee furnishes heat, Lessee shall maintain the temperature in the premises high enough to prevent the freezing of water in plumbing fixtures and all other damage caused by low temperatures; (s) Unless Lessor gives advance written consent, neither Lessee, nor any trustee, receiver, assignee or any other person acting for or on behalf of Lessee, Lessee's estate or creditors, shall conduct an auction in the premises; (t) In addition to all other liabilities for breach of any covenant of this section 11, Lessee shall pay to Lessor all damages caused by such breach and shall also pay to Lessor an amount equal to any increase in insurance premium or premiums caused by such breach.

12. REPAIRS AND MAINTENANCE: Subject to the provisions of Section 13, Lessee shall, during the term, at Lessee's own expense, keep the premises in good order, condition and repair, including the replacement of all broken glass with glass of the same size and quality, under the supervision and with the approval of Lessor, by notice. Lessor may require Lessee to maintain and deposit with Lessor policy or policies of insurance in form and issued by carriers satisfactory to Lessor against breakage of all plate glass in the premises, and to furnish to Lessor satisfactory evidence that said policy or policies continue to be in force and effect; and, if Lessee fails to comply with such requirement, Lessor may obtain such insurance and keep the same in force and effect and Lessee shall pay Lessor upon request the premium cost thereof for the term of this lease then unexpired. If Lessee does not make repairs promptly and adequately, Lessor may, but need not, make repairs, and Lessee shall pay promptly the reasonable cost thereof, including overtime and other expense if Lessor, at Lessee's request, makes such repairs, includes decorating, at times other than ordinary business or labor hours. At any time or times, Lessor, either voluntarily or pursuant to Governmental requirement, may, at Lessor's own expense, make repairs, alterations or improvements in or to the Building or any part thereof including the premises, and, during operations, may do all things necessary in connection therewith, all without any liability to Lessee by reason of interference, inconvenience, annoyance or loss of business. Lessor shall not be liable to Lessee for any expense, injury, loss or damage resulting to Lessee from work done in, upon, along, or the use of, any adjacent or nearby building, land, street, alley or way.

13. UNTENANTABILITY: If the premises or the building are made wholly untenantable by fire or other casualty, Lessor may elect (a) to terminate this lease as of the date of the fire or casualty by notice to Lessee within thirty days after that date, or (b) to repair, restore or reinstitute the building or the premises at Lessor's expense within one hundred twenty days after Lessor is enabled to take possession of the injured premises and undertake reconstruction or repairs, in which latter event the lease shall not terminate but rent shall be abated on a per diem basis while the premises are untenantable. If Lessor elects so to repair, restore or rehabilitate the building or premises and does not substantially complete the work within the above-mentioned period, either party may terminate this lease as of the date of the fire or casualty by notice to the other party not later than one hundred thirty days after Lessor is enabled to take possession of the injured premises and to undertake reconstruction or repairs. In the event of termination of this lease pursuant to this section 13, rent shall be apportioned on a per diem basis and be paid to the date of the fire or casualty. If the demised premises shall be partially damaged by fire or other casualty without the fault or negligence of Lessee, Lessee's servants, employees, agents, visitors or licensees, the premises shall be repaired, restored or rehabilitated by and at the expense of Lessor, and rent until the damaged portion of the premises is ready for occupancy by Lessee shall be apportioned according to the part of the demised premises which is usable by Lessee. In all cases, due allowance shall be made for reasonable delay which may be caused by adjustment of insurance, strikes, labor difficulties or any cause beyond Lessor's control.

14. EMINENT DOMAIN: If the building, or any portion thereof which includes a substantial part of the premises, shall be taken or condemned by any competent authority for any public use or purpose, the term of this lease shall end upon, and not before, the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of the award. Current Rent shall be apportioned as of the date of such termination. If any condemnation proceeding shall be instituted in which it is sought to take or damage any part of the building, or the land under it, or if the grade of any street or alley adjacent to the building is changed by any competent authority and such change of grade makes it necessary or desirable to remodel the building to conform to the changed grade, Lessor shall have the right to cancel this lease upon not less than ninety days' notice prior to the date of cancellation designated in the notice. No money or other consideration shall be payable by Lessee to Lessor for the right of cancellation, and Lessee shall have no right to share in the condemnation award or in any judgment for damages cause by the change of grade.

15. REMEDIES: All rights and remedies of Lessor herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law.

(a) If any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy act shall be filed by or against Lessee, or any voluntary or involuntary proceeding in any court or tribunal shall be instituted to declare Lessee insolvent or unable to pay Lessee's debts, then and in any such event Lessor may, if Lessee so elects but not otherwise, and with or without notice of such election and with or without entry or other action by Lessor, forthwith terminate this lease, and, notwithstanding any other provisions of this lease, Lessor shall forthwith upon such termination be entitled to recover damages in an amount equal to the then present value of the Rent specified in Section 1 of this lease for the residue of the stated term hereof, less the fair rental value of the premises for the residue of the stated term.

(b) If Lessee defaults in the payment of Rent and such default continues for ten days after Lessor's notice thereof to Lessee as provided in Section 16, or if Lessee defaults in the prompt and full performance of any provision of this lease, or if the leasehold created hereby is taken upon execution or by attachment by process of law, or if Lessee makes an assignment for the benefit of creditors, or if a Receiver be appointed for any property of Lessee, or if Lessee abandons the premises, then and in any such event Lessor may, if Lessor so elects but not otherwise, and with or without notice of such election and with or without any demand whatsoever, either forthwith terminate this lease and Lessee's right to possession of the premises or, without terminating this lease, forthwith terminate Lessee's right to possession of the premises.

(c) Upon any termination of this lease, whether by lapse of time or otherwise, or upon any termination of Lessee's right to possession without termination of the lease, Lessee shall surrender possession and vacate the premises immediately, and deliver possession thereof to Lessor, and hereby grants to Lessor full and free license to enter into and upon the premises in such event with or without process or any law suit, and to repossess the premises as of Lessor's former estate and to expel or remove Lessee and any others who may be occupying or within the premises and to remove any and all property therefrom, using such force as may be necessary, without being deemed guilty of trespass, eviction or forcible entry or detainer, and without relinquishing Lessor's rights to rent or any other right given to Lessor hereunder or by operation of law. Except as particularly provided in paragraph (b) of this Section 15, Lessee expressly waives the service of any demand for the payment of Rent or for possession and the service of any notice of Lessor's election to terminate this lease or to re-enter the premises, including any and every form of demand and notice prescribed by any statute or other law, and agrees that the simple breach of any provision of this lease by Lessee shall, of itself without the service of any notice or demand whatsoever, constitute a forcible detainer by Lessee of the premises within the meaning of the statutes of the State of Illinois.

(d) If Lessee abandons the premises or otherwise entitles Lessor so to elect, and Lessor elects to terminate Lessee's right to possession only, without terminating the lease, Lessor may at Lessor's option enter into the premises, remove Lessee's property and effects and re-enter, relet and take and hold possession thereof in the manner provided in paragraph (c) of this Section 15 provided, without such entry and possession terminating the lease or relieving Lessee, in whole or in part, from Lessee's obligations to pay the Rent hereunder for the full term, and in any such case Lessee shall pay forthwith to Lessor a sum equal to the entire amount of the rent specified in Section 1 of this lease for the residue of the stated term plus any other sums then due hereunder. Upon and after entry into possession without termination of this lease, Lessor may, but need not, relet the premises or any part thereof for the account of Lessee to any person, firm or corporation other than Lessee for such rent, for such time and upon such terms as Lessor in Lessor's sole discretion shall determine. Lessor shall not be required to accept any tenant offered by Lessee or to observe any instructions given by Lessee about such reletting. In any such case, Lessor may make repairs, alterations and additions in or to the premises, and redecorate the same to the extent deemed by Lessor necessary or desirable, and Lessee shall, upon demand, pay the cost thereof, together with Lessor's expenses of the reletting. If the consideration collected by Lessor upon any such reletting for Lessee's account is not sufficient to pay monthly the full amount of the rent reserved in this lease, together with the costs of repairs, alterations, additions, redecorating and Lessor's expenses, Lessee shall pay to Lessor the amount of each monthly deficiency upon demand, and if the consideration so collected from any such reletting is more than sufficient to pay the full amount of the rent reserved herein, together with the costs of repairs, alterations, additions, redecorating and Lessor's expenses, Lessor, at the end of the stated term of the lease, shall account for the surplus to Lessee.

(e) Lessee hereby irrevocably appoints any attorney of any court to be the true and lawful attorney of Lessee, and, in the name, place and stead of Lessee, to appear for Lessee in any court of record at any time and to waive process thereof and to confess judgment against Lessee in favor of any right hereunder by Lessor, to waive the issuance and service of process and trial by jury, and, from time to time, to confess judgment or judgments in favor of Lessor and against Lessee for rent and interest thereon due hereunder by Lessee for the full term, and in any such case Lessee shall pay reasonable attorney's fee in favor of Lessor to be fixed by the court, and to release all errors that may occur or intervene in such proceedings, including the issuance of execution upon any such judgment, and to stipulate that no action shall be prosecuted from such judgment or judgments, and that no proceedings in discovery or otherwise shall stay or be prosecuted to interfere in any way with the operation of such judgment or judgments or of any execution issued thereon or with any supplemental proceedings taken by Lessor to collect the amount of any such judgment or judgments, and to consent that execution on any judgment or decree in favor of Lessor and against Lessee may issue forthwith.

(f) Lessee shall pay upon demand all Lessor's costs, charges and expenses, including the fees of counsel, agents and others retained by Lessor, incurred in enforcing Lessee's obligations hereunder or incurred by Lessor in any litigation, negotiation or transaction in which Lessee causes Lessor, without Lessee's fault, to become involved or concerned.

(g) If Lessee breaches this lease and Lessor elects to terminate it, Lessor shall have a valid claim against Lessee and shall be entitled within ten days after Lessor's notice to do so, Lessor may remove the lien by paying the full amount thereof or otherwise discharging any claim therefor, and Lessee shall pay Lessor upon request all costs and expenses incurred or paid by Lessor in connection therewith, including reasonable attorney's fees in favor of Lessor to be fixed by the court, and Lessee shall pay Lessor upon request the full amount thereof.

16. NOTICES: In every instance where it shall be necessary or desirable for Lessor to serve any notice or demand upon Lessee, it shall be sufficient for Lessor to serve the same by leaving the same or a duplicate copy thereof, or (b) to send a written or printed copy thereof by United States registered mail, postage prepaid, addressed to Lessee at the demised premises. The time at which event the notice or demand shall be deemed for all purposes to have been served at the time the copy is mailed, or (c) to leave a written or printed copy thereof with some person above the age of ten years residing on or in possession of the premises at the time of such service, or to affix the same upon any door leading into the demised premises, in which event the notice or demand shall be deemed to have been served at the time the copy is so left or affixed.

17. MISCELLANEOUS:

(a) No receipt of money by Lessor from Lessee after the termination of this lease or after the service of any notice or after the commencement of any suit, or after final judgment for possession of the premises, shall renew, reinstate, continue or extend the term of this lease or affect any such notice, demand or suit.

(b) No waiver of any default of Lessee hereunder shall be implied from any omission by Lessor to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and that only for the time and to the extent therein stated. The invalidity or unenforceability of any provision hereof shall not affect or impair any other provision.

(c) In the singular number, the word "Lessee" includes the plural, and the heirs, legal representatives, successors and assigns, respectively, thereof, executing this lease as agent, trustee or in any other representative capacity, shall ever be deemed or held individually liable hereunder for any warranty, indemnity or cause whatsoever.

(d) The words "Lessor" and "Lessee" whenever used in this lease shall be construed to mean Lessors or Lessees in all cases where there is more than one Lessor or Lessee, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, men or women, shall in all cases be assumed as though in each case fully provided.

(e) Provisions printed herein or affixed hereto shall not be valid unless appearing in the duplicate original hereof, held by Lessor. In event of variation or discrepancy, Lessor's duplicate shall control.

(f) Each provision of this lease shall extend to and shall affect and bind and inure to the benefit of Lessor and Lessee and their respective heirs, legal representatives and successors, and shall bind assigns in the event this lease has been assigned with the consent of Lessor.

(g) Submission of this instrument for examination does not constitute a reservation of or option for the premises. This instrument becomes effective as a lease upon execution and delivery both by Lessor and Lessee.

(h) The headings of sections of the lease are for convenience only and do not define, limit or construe the contents of the sections.

(i) All amounts (other than rent) owed by Lessee to Lessor hereunder shall be paid within ten days from the date Lessor renders statements of account therefor and shall bear interest at 7% per annum thereafter until paid.

(j) Provisions typed on the back of this lease and signed by Lessor and Lessee and all riders attached to this lease so signed by Lessor and Lessee are hereby made a part of this lease as though inserted at length in this lease.

(k) If Lessee shall occupy the premises prior to the beginning of the term of this lease, both Lessor's and Lessee's covenants and other obligations for the period of such occupancy shall be subject to all of the provisions of this lease and shall be binding upon Lessee in full force and effect as soon as Lessee occupies the premises. Rent for any period prior to the beginning of the term of this lease shall be fixed by agreement between Lessor and Lessee.

The following is the proposed ordinance transmitted with the foregoing committee report:

AN ORDINANCE

Authorizing the Execution of an Agreement for the Operation and Maintenance of the Dan Ryan Rapid Transit Facility.

Be It Ordained by the City Council of the City of Chicago:

Section 1. That the Mayor, the City Comptroller and the Commissioner of Public Works are authorized to execute, on behalf of the City of Chicago, and the City Clerk to attest, upon approval of the Corporation Counsel as to form and legality, an agreement with the Chicago Transit Authority substantially in the form as follows:

AGREEMENT FOR THE OPERATION AND MAINTENANCE OF THE DAN RYAN RAPID TRANSIT FACILITY

This Agreement made and entered into this ..... day of ....., A.D., 1967, and executed in triplicate originals (each executed copy constituting an original), by and between the City of Chicago, a Municipal Corporation, organized and existing under and by virtue of the laws of the State of Illinois, hereinafter referred to as "City", and the Chicago Transit Authority, a Municipal Corporation, organized and existing under and by virtue of the laws of the State of Illinois, hereinafter referred to as "Authority".

Witnesseth:

Whereas, The Legislature of the State of Illinois approved on April 12, 1945 the Metropolitan Transit Act creating Chicago Transit Authority, a Municipal Corporation, for public ownership and operation of a transportation system in the metropolitan area of Cook County, and

Whereas, City has by ordinance passed by the City Council on April 23, 1945, granted to Authority the exclusive right and authority to establish, construct, reconstruct, maintain and operate the transit

system for the local transportation of passengers within the City; and

Whereas, said ordinance provides under Section 3, Paragraph (b) that Authority shall construct extensions to the transit system from time to time, as may be authorized by the City Council and which the Chicago Transit Board, after hearing, shall find that said extension be required by public convenience and necessity; and

Whereas, Said ordinance provides under Section nance No. 67-4 on January 12, 1967, has found that public convenience and necessity require the extension of Authority's transit system by constructing the Dan Ryan Rapid Transit facility from a terminal at W. 98th Street northward in the Dan Ryan Expressway median to W. 27th Street; thence northward from W. 27th Street to W. 18th Street in the highway known as and referred to for the purposes of this agreement as the "Franklin Street Connector"; thence eastward to a connection with the South Side Elevated Line and thence to the Central Business District loop elevated line in the City of Chicago, County of Cook, State of Illinois; and

Whereas, The City Council by ordinance on June 23, 1967, authorized the extension of the Authority's transit system by construction of a Rapid Transit facility from W. 98th Street in the City of Chicago, County of Cook, State of Illinois, to a connection with the South Side elevated line near E. 16th Street in the City of Chicago, County of Cook, State of Illinois; and

Whereas, The State of Illinois, acting by and through its Department of Public Works and Buildings, has granted City by License and Permit dated December 29, 1967, permission to occupy and use the median of the Dan Ryan Expressway and the "Franklin Street Connector", as described herein, for the construction, operation and maintenance of the Dan Ryan Rapid Transit Facility; and

Whereas, City has obtained funds, in part from a grant under the terms and conditions of the Urban Mass Transportation Act of 1964 and in part from the Public Transportation Bond Issue of the City of Chicago approved by referendum on June 24, 1966, to finance the construction of the rapid transit facility described herein; and

Whereas, The facilities hereinafter described will conform to Authority operating requirements, as approved by Authority; now, therefore,

In Consideration of the premises and mutual promises herein contained, the parties hereto agree as follows:

1. That the definitions, designating terms and interpretation of this agreement shall be governed by the definitions, designating terms and interpretations set forth in the Chicago Transit Authority grant of authority ordinance passed by the City Council on April 23, 1945, insofar as they are applicable to this agreement.
2. City shall acquire, at its sole cost and expense, all necessary right-of-way, including electrical substation sites, and shall construct the transit facility and appurtenances thereto from W. 98th Street to a connection with the South Side Elevated Line at about E. 16th Street as shown on "Exhibit A". Said acquisition of right-of-way and said construction of improvement shall include, but not be limited to, the demolition of existing structures as necessary, construction of temporary facilities and subsequent removal thereof, construction of elevated structures, track, trolley rail, power system, signal system, communications systems, transportation building, inspection shop, passenger stations and platforms, street paving, curbs, sidewalks, transfer facilities, escalators, passenger control and fare collection facilities, identification signs, lighting, landscaping, parking facilities, storage yards, 150 rapid transit cars and modification of existing municipal owned utilities, all in accordance with approved plans and specifications for the project.
3. City, upon final acceptance of the construction of the facility, shall convey to Authority for and in consideration of one dollar ($1.00) and other good and valuable considerations such rights as shall be necessary to allow Authority to maintain and operate said rapid transit facility and appurtenances thereto. In no event shall City convey any property or convey any rights to Authority not necessary for the operation and maintenance of said transit facility and appurtenances thereto.
4. Authority, upon notice from City of completion of the said transit facility and appurtenances hereto, shall operate and maintain same as an integral part of its total system. From the date of the beginning of operation of the Dan Ryan rapid transit facility, Authority shall defend, indemnify and hold the City harmless from any and all claims or liabilities, causes of action, actions and demands of any kind and nature arising out of or in connection with the operation and maintenance of the aforesaid facility and appurtenances thereto.
5. Authority shall maintain the aforesaid rapid transit facility and any and all appurtenances thereto in accord with the highest engineering standards and shall maintain the median between the fences and the fences separating the median to be used for the aforesaid rapid transit facility from the remaining portions of the aforesaid expressway within the limits of actual track construction in a clean and sightly condition and in good repair. Authority shall also maintain all bridges which carry the rapid transit facility over cross streets.
6. City shall maintain, at its sole cost and expense, all landscaping provided in connection with the aforesaid rapid transit facility.
7. Authority shall not display advertising matter of any kind or nature which is prohibited by law or regulation on any fixed portion of the rapid transit facility within the median of the Dan Ryan Expressway.
8. In the event State property is damaged by reason of the operation or maintenance of the aforesaid rapid transit facility, the State will promptly repair same and submit an invoice for the expenses incurred in repairing said damages to City. City will, in turn, submit the invoice for said expenses to Authority, which shall reimburse City within forty-five (45) days after the end of the month in which the invoice for such expense is submitted by City.

9. Authority shall, if necessary, replace at its sole cost and expense, said facility and appurtenances thereto, all in accordance with the terms and provisions of City of Chicago ordinance of April 23, 1945, granting Authority the exclusive right of operation of facilities for local transportation within Chicago.
10. In the event Authority and City determine that the transit facility and appurtenances thereto no longer are required in order to serve the public convenience and necessity, Authority may; upon one year's written notice to City, cease operations on said facility and thereafter shall remove, at its sole cost and expense, said facility, structures and appurtenances thereto and all rights conveyed herein shall be reconveyed to City upon removal of the facility, structures and appurtenances thereto.
11. Authority shall be responsible for all non-transit activities (concessions, leases, etc.) in connection with the operation of the Rapid Transit Facility and any revenue resulting therefrom shall become property of Authority.

In Witness Whereof, the City of Chicago has caused this agreement to be signed in triplicate originals (each signed copy constituting an original) by its Commissioner of Public Works, countersigned by its Comptroller, approved by its Mayor, and its corporate seal to be hereto affixed and duly attested by its Clerk, and the Chicago Transit Authority has caused the same to be signed in triplicate originals (each signed copy constituting an original) by its Chairman of the Transit Board and its corporate seal hereto affixed, duly attested by its Secretary on the day and year first above written.

SECTION 5. The Municipal Code of Chicago, Chapter 17, Section 17-23, is hereby amended by adding certain words, which are in italic below, as follows:

"It shall be unlawful within the City of Chicago and within one mile of the corporate limits for any person, owner, agent, operator, firm or corporation to permit to cause, suffer or allow the emission of any smoke from any source whatever of a density, shade or opacity equal to or greater than that described as #2 on the Ringelmann chart as published by the United States Bureau of Mines provided that the following exceptions to the provisions of this section shall be permitted for fuel burning, *combustion or process* equipment.

"(1) For a period or periods aggregating 4 minutes in any 30 minutes of a density, shade or opacity equal to but not greater than that described as #2 on the Ringelmann Chart.

"[(1) The basic limitation on the average emission into the atmosphere of particulate matter from any single such source of emission shall be 0.35 grains per cubic foot of gas measured at a temperature of 60 degrees Fahrenheit and a pressure of 30 inches of mercury, under steady conditions, provided that for emissions at levels 100 feet or more above grade, the basic limitation shall be increased by the amount of particulate matter of less than 10 microns in size, if any, up to a maximum increase of 0.03 (H/100) grains per scf, where H is the height of discharge in feet above grade.]"

(1) The limitation for all industrial particulate emissions shall be 0.10 grains per standard cubic foot, with the exception of indirect heat exchanger emissions and incinerator emissions."

"[(2) The limitation on the emission of that portion of the particulate matter which is 44 microns in size or larger from any single such source shall be 0.21 grains per scf.

[The foregoing requirements shall be measured by the methods for dust reporting apparatus as in current use as outlined in the Tentative Code for Dust Separating Apparatus of the American Society of Mechanical Engineers, which is hereby made a part of this chapter by reference, or in accordance with modified procedures mutually agreed upon by the director and such person. A copy of said Tentative Code shall be kept on file in the office of the department subject to examination by interested persons.]"

"(2) The emissions from indirect heat exchangers shall be limited as follows:

For equipment over 288,000 and under 10 million BTU's per hour input, the dust emissions shall be limited to 0.5 pounds per million BTU's input. If the capacity rating of the fuel burning equipment is more than 10 million BTU's per hour input, the amounts of particulate matter which may be emitted for each million BTU input shall decrease as the capacity rating of the fuel burning equipment increases as follows:

(a) No more than .50 pounds for each million BTU's input from equipment having a capacity rating of 10 million;

(b) No more than .39 pounds for each million BTU's input from equipment having a capacity rating of 50 million;

(c) No more than .34 pounds for each million BTU's input from equipment having a capacity rating of 100 million;

(d) No more than .29 pounds for each million BTU's input from equipment having a capacity rating of 1,000 million; and,

(e) No more than .18 pounds for each million BTU's input from equipment having a capacity rating of 5,000 million.

The amount of particulate matter which may be emitted from fuel burning equipment having an intermediate capacity rating shall be determined by linear interpolation when plotted on Log-Log Graph Paper. If two or more fuel burning units are connected to a single flue, the total capacity rating of all fuel burning units connected to the flue shall be the capacity rating for the purpose of computing the amount of particulate matter which may be emitted. If a single fuel burning unit is manifolded to two or more flues, the capacity rating of the single fuel burning unit shall be the capacity rating for the purpose of computing the amount of particulate matter which may be emitted. The foregoing requirements shall be measured by the methods of the American Society of Mechanical Engineers

(ASME), Power Test Code 27-1957 (PTC27-1957), Determining Dust Concentration in a Gas Stream, which is hereby made a part of this chapter by reference, or in accordance with modified procedures mutually agreed upon by the Director and such person. A copy of the said Code shall be kept on file in the office of the Department subject to examination by interested persons."

"(3) A specified volume ratio, or other suitable index, or particulate bearing gas shall be established in accordance with section 17-13, subparagraph (11) for various pieces, types or classes of fuel-burning, combustion or process equipment or devices, which constitute potential sources of emission of particulate matter; provided, however, that with respect to coal burning combustion equipment the basic limitations set forth in subparagraph (1) of this section shall be adjusted to a gas volume based upon 50 per cent excess air."

"[(4) All existing coal burning combustion equipment shall meet the limitations set forth in subparagraphs (1), (2) and (3) of this section within five years from the effective date of this chapter.]"

"(4) All existing combustion equipment shall meet the limitations of this section within two years from the effective date of this amendment, and all new equipment shall meet the limitations upon installation."

"[(5) Until such time as definite standards are established and/or are applicable, emissions of particulate matter from all fuel-burning combustion or process equipment or devices shall not exceed emissions which would result from operations in accordance with existing normal good operating practice.]"

"(5) All existing process and control equipment shall meet the limitations set forth in subparagraph (1) of this section within one year of the effective date of this amendment, and all new equipment shall meet the limitations upon installation."

"(6) Emissions of particulate matter from all fuel burning combustion or process equipment or devices shall not exceed emissions which would result from operations in accordance wtih limitations set forth in this chapter."

"(7) The basic limitation on the average emission into the atmosphere of particulate matter from an incinerator shall be 0.20 grains per cubic foot of gas at standard conditions. These calculations are to be made at 50 per cent excess air and are to be the result of tests conducted in the field under field conditions, costs of which shall be assumed by the owners if emissions exceed allowable limits. All existing incinerators shall meet the limitations set forth in this paragraph within three years of the time of the effective date of this amendment, and all new equipment shall meet the limitations upon installation."

"(8) The emissions, other than water vapor, from any sources that are liable to generate or evolve into particulate form through phase change or other transformation shall be deemed to be particulate matter at the emitted point."

SECTION 7. (a) The Municipal Code of Chicago, Chapter 17, Section 17-25, is hereby amended by deleting subsections (1)(a), (b) and (c), which are contained in brackets below, as follows:

"[(1) Railroad Locomotives—Steam

[(a) When a firebox is cleaned or a new fire built in locomotives, smoke of an appearance, density, or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than four minutes in any sixty minute period.

[(b) After a yard or switching locomotive is in service or ready for service, smoke of an appearance, density, or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than one minute in any fifteen minute period.

[(c) After a road or transfer locomotive is in service or ready for service, smoke of an appearance, density, or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than two minutes in any fifteen minute period.]"

(b) The Municipal Code of Chicago, Chapter 17, Section 17-25, is hereby further amended by renumbering subsection (2) thereof as subsection "(1)," with no other change, and by renumbering subsection (6) thereof as subsection "(2)," with no other change.

"(3) Sulfur Dioxide Limitation

(a) No person shall cause or permit the use, or, if intended for use in the City of Chicago, the purchase, sale, offer for sale, storage or transportation, of fuel which, as determined by the methods of the American Society for Testing and Materials, contains more than the following percentages of sulfur by weight:

For a period of two years, beginning one year after the effective date of this amendment:

fuel: 2.5 per cent

For a period of eighteen months, beginning three years after the effective date of this amendment:

fuel: 2.0 per cent

Thereafter:

fuel: 1.5 per cent

(b) Upon the application of any person engaged in the operation of fuel burning equipment, the director with the approval of the appeal board may issue a certificate of operation in accordance with Section 17-61 of this chapter in those cases wherein the applicant shall establish that the fuel burning equipment is operated in such a manner or is equipped with such control apparatus as to continually prevent the emission of any sulfur compound or compounds in amounts greater than those that would be emitted from the burning (in the same fuel burning equipment without such control apparatus) of fuel containing any amount of sulfur by weight not in excess of the maximum amount permitted at the applicable time by this section.

(c) The provisions of subparagraph (3)(a) of this section shall not apply to acts performed with respect to fuel owned or under contract for purchase by a purchaser who uses or intends to use such fuel in any fuel burning equipment for which a certificate of operation has been issued under subparagraph (3)(b), or where a variance has been granted pursuant to the provisions of Section 17-74(3) of this chapter.

(d) When periods of stagnation, for 24 hours or greater, occur, the director shall have the

power to implement a Pollution Incident Control Plan, whereby plants that have an annual fuel consumption of 60,000 tons of coal or 14,500,000 gallons of oil are required either to switch to a low sulfur fuel (less than 1.5% sulfur by weight) or curtail emission of sulfur dioxide pollution during this period until the director determines that the stagnation period no longer exists."

"(2) In determining under what conditions and to what extent a variance from any of said requirements is necessary and will be permitted, the appeal board shall exercise a wide discretion in weighing the equities involved and the advantages and disadvantages to the public health, safety and welfare and to any lawful business, occupation or activity involved, resulting from requiring compliance with any such requirement or resulting from granting a variance.

"(3) The appeal board is further given authority to grant an individual variation for fuel burning equipment from the provisions of Section 17-25(3)(a) hereof under the following conditions:

(a) Said variation shall be limited so that such equipment may be permitted to burn fuel containing percentages of sulfur by weight in excess of the limitations prescribed by said Section 17-25(3)(a) hereof whenever an applicant shall establish before the board that it can and will pursue a bona fide program restricting the quantity of fuel burned in said equipment in the aggregate owned or operated in the City of Chicago by said applicant with the effect that:

(2) Such equipment in the aggregate will not emit sulfur compounds in a percentage greater than sixty-six percent (66%) by weight of the aggregate amounts of sulfur compounds emitted in the year 1967 by said equipment, for a period of one year beginning three years from the effective date of this amendment.

(3) Such equipment in the aggregate will not emit sulfur compounds in a percentage greater than fifty-eight percent (58%) by weight of the aggregate amounts of sulfur compounds emitted in the year 1967 by said equipment, for a period of one year beginning four years from the effective date of this amendment.

(4) Such equipment in the aggregate will not emit sulfur compounds in a percentage greater than fifty percent (50%) by weight of the aggregate amounts of sulfur compounds emitted in the year 1967 by said equipment, for each year thereafter.

(b) The variance shall not permit the applicant, in meeting the percentages set forth in (1), (2), (3) and (4) of this subsection to operate his equipment in any calendar month so that the sulfur compound emissions for that month materially exceed such percentages of such emissions in the corresponding calendar month of 1967."

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Airport.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the non-payment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by

virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

Article XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

Article XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

Article XV

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

Article XVI

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Tenant further agrees that this article will be incorporated by Tenant in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Article I

Tenant shall pay to Landlord at the office of the City Comptroller of the City of Chicago (hereinafter referred to as "Comptroller") for said demised premises rent in equal monthly installments, in advance, on the first day of each month of the term of this Agreement at the rate of Fifteen Thousand Eighty and 63/100 Dollars ($15,080.63) per year for the first five (5) years; Twenty Thousand One Hundred Seven and 50/100 Dollars ($20,107.50) per year for the following five (5) years; Twenty-five Thousand One Hundred Thirty-four and 38/100 Dollars ($25,134.38) per year for the next succeeding five (5) years and Thirty Thousand One Hundred Sixty-one and 25/100 Dollars ($30,161.25) per year for the remaining five (5) years of this Agreement.

Article II

This Agreement shall be subject and subordinate to:

(a) Any existing or future Federal or State statute or any existing or future lease or Agreement between Landlord and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation or maintenance of said Airport.

(e) Any existing Agreements and leases between Landlord and others relating to premises at the Airport.

Article III

Landlord hereby grants to Tenant a non-exclusive privilege, in common with others that Landlord may from time to time so authorize, to operate at the Airport as a domestic and international air freight forwarder and for services related thereto but for no other purpose whatsoever.

In connection therewith Tenant is granted the exclusive use of the demised premises, subject to the terms and provisions hereof and to rules and regulations promulgated by Landlord, for the foregoing privileges and for the operation of related administrative office, parking, loading, unloading

of trucks, automobiles of employees and others having business with Tenant, and for no other purpose whatsoever. It is understood that parking on the demised premises will be at all times without charge and will only be permitted for and in connection with Tenant business.

Landlord covenants that it shall not during the term hereof grant to any other individual, firm, or corporation, occupying space on the Airport, a similar privilege on terms or conditions more favorable than those granted to Tenant by the provisions of this Agreement.

Article IV

Tenant, after securing necessary permits therefor, shall, at its own cost and expense, erect and install on the demised premises structures and improvements (hereinafter referred to as "Building") at a total capital expenditure of not less than One Hundred Seventy-five Thousand and no/100 Dollars ($175,000.00), including architect's and engineer's fees, cost of plans and specifications, and other costs incidental to such erection and installation. Plans and specifications, and changes thereto, for all such structures and improvements shall be subject to the advance approval in writing of the Commissioner of Aviation and Commissioner of Public Works of the City of Chicago.

During the period of construction, all construction work, workmanship, materials and installation involved or incidental to the construction of the Building shall be subject at all times to inspection by Landlord. Tenant shall give or cause to be given to the Commissioner of Aviation and Commissioner of Public Works advance notice before starting any new work, and shall provide and cause the contractors and subcontractors to provide reasonable and necessary facilities for inspection. Tenant shall pay the reasonable costs of review of plans and specifications, of inspections, and of other related engineering services performed by Landlord, upon being billed therefor by Landlord. Tenant shall cause all construction work, workmanship, materials and installations to be in full compliance with plans and specifications.

Landlord has constructed roadways and lines for water, sewage, electricity, gas and storm drainage in the vicinity of the demised premises, and Tenant is granted the right and privilege, at its own expense, to continue the construction of such roadways, lines, and drainage ditches to serve the facility to be constructed on the demised premises, all in accordance with plans and specifications as outlined and approved by the Commissioner of Aviation and the Commissioner of Public Works.

It is understood and agreed that prior to commencement of construction, five copies of FAA Form 117, duly executed, will be furnished to the Commissioner of Aviation for submittal to the Federal Aviation Administration, pursuant to Title 14 CFR Part 77 of the Federal Aviation Regulations. When notice of action by the Federal Aviation Administration on such Form 117 is received by Tenant, one copy of such notice shall be transmitted to the Commissioner of Aviation and one to the Commissioner of Public Works.

Upon completion of Building it shall thereafter not be enlarged without in each case the consent in writing of the Commissioner of Aviation and the Commissioner of Public Works first had and obtained and permits received therefor.

Tenant shall at all times throughout the term hereof maintain the Building and all other portions of the demised premises in good and serviceable condition and repair.

Tenant shall keep the demised premises and the Building, improvements and facilities constructed thereon free and clear of any and all liens in any way arising out of the action, or use thereof, by Tenant; provided, however, that Tenant may in good faith contest the validity of any lien.

Article V

Tenant shall illuminate the apron in front of the Building and shall also install, maintain, and operate such obstruction or warning lights on structures in or constituting part of the demised premises as may from time to time be required to conform to Federal Aviation Administration standards or to conform to standards prescribed by any other governmental agency having jurisdiction.

Tenant shall not install, erect or place, or permit others to so do, any illuminated signs, placards, displays or other advertising media on Building or elsewhere on Airport, without the prior written consent of the Commissioner of Aviation.

Landlord, by its representatives, shall have the right at any reasonable time, and as often as it considers necessary to inspect the demised premises and (without any obligation so to do) to enter thereon to direct Tenant to make ordinary repairs to insure a continuing quality.

Article VI

Title to Building and related improvements to the demised premises and to any and all subsequent alterations, modifications, and enlargements, shall upon completion thereof vest in Landlord.

In the event that the demised premises are required for Airport purposes prior to the expiration of this Agreement, the Commissioner of Aviation may, upon sixty (60) days advance written notice to the Tenant, direct Tenant to vacate the same, provided that Landlord, within sixty (60) days after Tenant's removal therefrom, will pay to Tenant the unamortized portion of the cost of the permanent structures and improvements constructed and installed thereon; such amortization to be computed on a straight-line basis over the period from the completion of said improvements to the expiration date of the term hereof.

Article VII

Landlord hereby grants to Tenant the right of access and ingress to and egress from the demised premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with any and all regulations promulgated by Landlord or the Commissioner of Aviation or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

The operations of Tenant and its employees shall be conducted in an orderly and proper manner so as not to annoy, disturb or be offensive to others at the Airport. Landlord shall have the right to complain to Tenant as to the demeanor, conduct, or appearance of Tenant employees, whereupon Tenant will take all steps necessary to remove the cause of the complaint.

Tenant and its employees, invitees, and those doing business with it shall have no right hereunder to park vehicles upon the Airport premises, other than in places demised to Tenant pursuant to this Agreement, or except in regular parking areas upon payment of regular charges therefor.

Article VIII

Tenant shall not be obligated to operate the demised premises or to pay ground rent therefor during any time when all of the demised premises shall be untenantable as determined solely by the Commissioner of Aviation, through no fault or negligence of Tenant, its employees and agents. In the event the demised premises are partially untenantable, as determined solely by the Commissioner of Aviation, through no fault or negligence of Tenant, its employees and agents, Tenant shall not be obligated to operate such part of the demised premises and the minimum rent shall be proportionately and equitably abated. In the event that the Airport shall be closed for any period of time by any order or direction of Landlord or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, the ground rental shall abate for the period of such closing.

Article IX

Tenant, at the expense of Tenant, shall keep in force, during the term of this Agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by Comptroller for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

Upon determination by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto or certificates showing such insurance to be in effect, to Comptroller which shall be appended hereto as Exhibit "B".

In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this Agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of this Agreement.

Tenant shall, before commencing construction of Building, furnish to Comptroller a Performance Bond in form similar to City Form No. P.W.O. 62 in the full amount of the Building contract with sureties satisfactory to said Comptroller.

Article X

In the event the building to be constructed upon the demised premises shall be damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by Landlord at its expense from, after and only to the extent of insurance proceeds received by Landlord therefor, but Landlord shall not be obligated to repair or rebuild any fixtures, equipment and other personal property installed by Tenant pursuant to this Agreement.

In the event of any damage or destruction by fire or other casualty to the demised premises Tenant shall immediately, at its expense, replace and repair any and all fixtures, equipment and other personal property, installed by it pursuant to this agreement.

Article XI

Landlord shall not be liable to Tenant, or to Tenant's agents, representatives or employees for any injury to, or death of any of them or of any other person or for any damage to any of Tenant's property or loss of revenue, caused by any third persons in the maintenance, construction or operation of said O'Hare Airport, its appurtenances, facilities and equipment, or caused by any third persons using said Airport or its appurtenances, facilities and equipment, or navigating any aircraft on or over said Airport, whether such injury, death, or damage is due to negligence or otherwise. Third persons as used herein shall include the United States of America, State of Illinois or any of their agencies and all persons other than the City of Chicago.

Except as to the demised premises the Landlord reserves the right to regulate, police, and further develop, improve, reconstruct, modify, or otherwise alter said O'Hare Airport and any portion in such manner as Landlord sees fit, regardless of the desires or views of the Tenant.

The Tenant shall assume all risks incident to or in connection with its business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Tenant, or any of its agents or employees.

Landlord shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from Landlord's acts, omission or neglect in the maintenance and operation of the Airport facilities.

Article XII

Tenant, its officers, agents, employees, and any other persons over which Tenant has control, shall comply with all lawful rules and regulations and amendments or supplements thereto governing or related to the use of the Airport or of the demised premises as may from time to time be promulgated by Landlord in the interests of health, safety, sanitation and good order which are not inconsistent with applicable rules and regulations of any Federal, State or local governmental body having jurisdiction with respect thereto.

Tenant shall at all times faithfully obey and comply with all lawful present and future laws and ordinances of Federal, State or local governmental bodies and rules and regulations lawfully promulgated thereunder, whether or not of the type enumerated, applicable to, or affecting Tenant and its operations and activities in the demised premises or elsewhere at the Airport not inconsistent with the provisions of this Agreement.

Article XIII

Tenant covenants not to assign, transfer, mortgage or pledge this Agreement or the leasehold interest created therein, nor to sublet, license, or permit the use of the premises of any part thereof, without the consent in writing of Landlord first

had and obtained, nor permit any transfer by operation of law of its interest created thereby. Any such assignment, transfer, mortgage, pledge, sublease, license or permission when and if approved shall be in writing and promptly upon execution thereof, Tenant shall furnish two (2) copies to Landlord for its files.

In the event an assignment, sublease, license or permit to use the aforesaid premises, or any part thereof, is approved by Landlord, under no circumstances shall the income derived by Tenant therefrom exceed the amount of a proportionate share of Tenant's obligations and expenses, under the terms of this Agreement. Landlord expressly reserves the right to assess an extra charge against any approved assignee, sublessee, licensee or permittee hereunder.

It is expressly understood and agreed that the only activity which Tenant may conduct on or from the demised premises, directly or indirectly, alone or through others, is only as authorized under the terms of this Agreement.

This Agreement does not constitute either party the agent or representative of the other for any reason whatsoever.

Landlord covenants that Tenant shall and may peaceably and quietly have, hold and enjoy the premises or space leased exclusively to it during the term of letting thereof unless such term shall cease, close or expire sooner or shall be terminated as provided in this instrument.

Article XIV

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Tenant further agrees that this article will be incorporated by Tenant in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, Ch. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, Ch. 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1967, Ch. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

To demonstrate compliance the Tenant and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Article XV

This Agreement shall not and will not, nor shall any copy thereof or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois, or in any other public office, by Tenant or any one acting for Tenant and that if the same be so filed, this Agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this Agreement.

Article XVI

In any of the following events Landlord, at any time hereafter, shall have the right at Landlord's election immediately to terminate this Agreement.

In the event Tenant shall fail to pay the rent in the amounts and at the times and in the manner herein provided and such failure shall continue for fifteen (15) or more days after written notice thereof shall have been given to Tenant.

In the event Tenant shall fail to keep and perform or shall violate the terms, covenants and conditions of this Agreement on its part to be kept and performed, and Tenant shall not have cured or corrected such failure or violation within thirty (30) days after written notice thereof shall have been given to Tenant.

If Tenant shall make an assignment for the benefit of creditors, or shall file a petition in bankruptcy, or shall be adjudged a bankrupt, and such adjudication be not stayed or vacated within 90 days thereafter, or the interest of Tenant under this Agreement shall be levied upon and sold upon execution or shall by operation of law become vested in another person, firm or corporation because of the insolvency of Tenant; or in the event that a Receiver or Trustee shall be appointed for Tenant or the interest of Tenant under this Agreement, and such appointment has not been vacated within 90 days thereafter.

In the event Tenant shall vacate or abandon said premises, or shall permit the same to remain vacant or unoccupied without the consent of Landlord first had and obtained.

Article XVII

Upon the occurrence of any one or more of the events of default herein specified, Tenant's right to possession of the demised premises shall terminate and Tenant shall surrender possession thereof immediately. In such event Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof with or without process of law, and to expel and remove Tenant or any other person who may be occupying the said premises, or any part thereof, and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary; and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause a forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise in said lease contained, to be performed by Tenant. Tenant shall make no claim of any kind against Landlord, its agents and representatives by reason of such termination or any act incident thereto.

In addition to terminating this Agreement, Landlord may sue for and recover all damages and rent accrued or accruing under this Agreement or arising out of any breach thereof.

Landlord may, if it so elects, pursue any other remedies provided by law for the breach of this Agreement or any of its terms, covenants, conditions or stipulations. No right or remedy herein conferred upon or reserved to Landlord or Tenant is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder, or now or hereafter existing at law or at equity or by statute.

The acceptance of rent by Landlord, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express

waiver in writing, shall not be construed as a waiver of Landlord's right to act or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this Agreement.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof shall not be deemed to be waived, released or terminated by the service of any five (5) day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the demised premises. Landlord may collect and receive any rent due from Tenant, and payment or receipt thereof shall not waive or affect any such notice, demand or suit, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Article XVIII

Upon termination of this Agreement by lapse of time or otherwise as herein provided, Tenant agrees to surrender the demised premises and the Building and improvements situated thereon in good condition and repair without the receipt of any demand for rent, notice to quit or demand for possession whatsoever.

Tenant shall be entitled during the term of this Agreement and for fifteen (15) calendar days after termination thereof, to remove from the premises any and all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it pursuant to this Agreement, subject, however, to any valid lien Landlord may have thereon for unpaid rentals or other amounts payable by Tenant to Landlord, and provided that Tenant shall have repaired all damage resulting from said removal.

Tenant shall be deemed to have abandoned to Landlord any of said equipment or property of Tenant which it has failed to remove from said premises within the aforesaid fifteen (15) calendar days after the end of the period of this Agreement or effective date of termination thereof, unless Landlord shall grant in writing a further period for this purpose.

Article XIX

This Agreement shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

Notices to the Landlord provided for herein shall be sent by registered or certified United States mail, postage prepaid, addressed to the Commissioner of Aviation of the City of Chicago, City Hall, Chicago, Illinois, 60602, and notices to Tenant provided for herein shall be sent by registered or certified United States mail, postage prepaid, addressed to Tenant, 20 Olney Avenue, Cherry Hill Industrial Park, Cherry Hill, New Jersey 08034, or in either case to such other respective parties and addresses as the parties hereto may designate in writing from time to time, and such notices shall be deemed to have been given when so sent.

Lessor may enter upon the premises and may exercise any or all of the foregoing rights hereby reserved without being deemed guilty of an eviction or disturbance of Lessee's use or possession and without being liable in any manner to Lessee.

5. DEFAULT UNDER OTHER LEASE: If the term of any lease, other than this lease, made by Lessee with Lessor or hereafter entered into, is terminated or terminates for any reason whatsoever under such other lease, then, at the sole option of Lessor, that fact shall empower Lessor, at Lessor's sole option, (a) to terminate this lease, or (b) to add any sums due to Lessor under the other lease to the Rent payable under this lease. If any such damage, whether to the demised premises or to the Building or any part thereof or to any property therein belonging to Lessee, be caused by the act or neglect of Lessee, Lessor may, at Lessor's option, repair such damage and Lessee shall, upon demand by Lessor, reimburse Lessor forthwith for the total cost of such repairs. All property belonging to Lessee or any occupant of the premises that is in the Building or the premises shall be there at the risk of Lessee or other persons only, and Lessor shall not be liable for damage thereto or theft or misappropriation thereof. Any and all property which may be removed from the premises by Lessor pursuant to the authority of this lease or of law, to which Lessee is or may be entitled, may be handled or removed by Lessor at the risk, cost and expense of Lessee, and Lessor shall in no event be responsible as warehouseman, bailee or otherwise for any property left in the premises or in the Building by Lessee, or for the preservation or safekeeping thereof. Lessee shall pay to Lessor, upon demand, any and all expenses incurred in any such removal of Lessee's property.

If Lessee remains in possession of the premises or any part thereof after termination of the term by lapse of time or otherwise and Lessor does not serve a written notice upon Lessee to the contrary, such holding over shall constitute a renewal of this lease for one year. Lessor's acceptance of any rent after holding over does not renew this lease. The provisions of this section do not waive Lessor's rights of reentry or any other right hereunder.

8. SUBLETTING OR ASSIGNMENT: Lessee shall not allow or permit any transfer of this Lease or any interest under it or any lien upon Lessee's interest by operation of law, or assign or encumber this Lease or any interest under it, or sublet the premises or any part thereof, or permit the use or occupancy of the premises or any part thereof by any one other than Lessee. If Lessee, with Lessor's consent, should assign this Lease or any interest or sublet the premises or any part thereof, and from any such transaction obtains a sum or profit, Lessee shall pay promptly to Lessor a sum equal to one-half of such gain or profit, and the payment of such sum to Lessor may, at Lessor's option, be made a condition precedent to Lessor's consent to any such assignment or subletting.

9. CONDITION OF THE PREMISES: Lessee has examined the premises before signing this Lease and is satisfied with the condition thereof, excepting only such defects as may hereinafter appear, decorating and cleaning, if any, which are specifically provided for herein. Lessee's taking possession shall be conclusive evidence as against Lessee that the premises were in good order and satisfactory condition when Lessee took possession hereunder. No promise of Lessor to alter, remodel, improve, repair or decorate the premises or any part thereof, and no representation respecting the condition of the premises or the Building, has been made by Lessor to Lessee, unless the same is contained herein or made a part hereof. At the termination of this lease by lapse of time or otherwise, Lessee shall return the premises and all equipment and fixtures therein in as good condition as when Lessee took possession, ordinary wear and tear excepted, failing which Lessor may restore the premises, equipment and fixtures to such condition and Lessee shall pay the cost thereof upon request.

10. ALTERATIONS: Lessee shall not make any alterations in or additions to the premises without Lessor's advance written consent in each and every instance. Whether Lessee furnishes Lessor the foregoing or not, Lessee hereby agrees to hold Lessor harmless from any and all liabilities of every kind and description which may arise out of or be connected in any way with said alterations or additions. Before commencing any work in connection with any alteration or addition, Lessee shall furnish Lessor with certificates of insurance from all contractors performing labor or furnishing materials insuring Lessor against any and all liabilities which may arise out of or be connected in any way with said alterations or additions. Lessee shall pay the cost of all such work and of all alterations and additions and also the cost of decorating the premises occasioned by such alterations and additions. Upon completing any alterations or additions, Lessee shall furnish Lessor with sworn contractor's affidavits and full and final waivers of lien and receipted bills covering all labor and materials expended and used. Unless Lessee requests Lessor to do so, all additions, hardware, non-trade fixtures and all improvements, temporary or permanent, in or upon the premises, whether placed there by Lessee or by Lessor, unless Lessor requests their removal, shall become Lessor's property and shall remain upon the premises at the termination of this lease by lapse of time or otherwise without compensation or allowance or credit to Lessee. If Lessor does not make such requests, Lessee shall remove all non-trade fixtures and improvements. Lessor may remove the same and the Lessee shall pay the cost of such removal to Lessor upon demand. If Lessee does not remove Lessee's furniture, machinery, trade fixtures and all other items of personal property of every kind and description before the end of the term or before any earlier date on which Lessee shall be constructively presumed to have conveyed the same to Lessor under this lease as a bill of sale without further payment or credit by Lessor to Lessee.

12. REPAIRS AND MAINTENANCE: Subject to the provisions of Section 13, Lessee shall, during the term, at Lessee's own expense, keep the premises in good order, condition and repair, including the replacement of all broken glass with glass of the same size and quality, under the supervision and with the approval of Lessor. By notice, Lessor may require Lessee to maintain and deposit with Lessor policy or policies of insurance in form and issued by carriers satisfactory to Lessor against breakage of all plate glass in the premises, and to furnish to Lessor satisfactory evidence that said policy or policies continue to be in force and effect; and, if Lessee fails to comply with such requirement, Lessor may obtain such insurance and keep the same in force and effect and Lessee shall pay Lessor upon request the premium cost thereof for the term of this lease then remaining. If Lessee does not make repairs promptly and adequately, Lessor may, but need not, make repairs, and Lessee shall pay promptly the reasonable cost thereof, including overtime and other expense if Lessor, at Lessee's request, makes such repairs, including decorating, at times other than ordinary business or labor hours. At any time or times, Lessee, either voluntarily or pursuant to Governmental requirement, may, at Lessee's own expense, make repairs, alterations or improvements in or to the Building or any part thereof including the premises, and, during operations, may do all things necessary in connection therewith, all without any liability to Lessee by reason of interference, inconvenience, annoyance or loss of business. Lessee shall not be liable to Lessee for any expense, injury, loss or damage resulting to Lessee from work done in, upon, above or under the use of, any adjacent or nearby building, land, street, alley or way.

13. UNTENANTABILITY: If the premises or the building are made wholly untenantable by fire or other casualty, Lessor may elect (a) to terminate this lease as of the date of the fire or casualty by notice to Lessee within thirty days after that date, or (b) to repair, restore or rehabilitate the building or the premises at Lessor's expense within one hundred twenty days after Lessor is enabled to take possession of the damaged premises and undertake reconstruction or repairs, in which latter event the lease shall not terminate but rent shall be abated on a per diem basis while the premises are untenantable. If Lessor elects so to repair, restore or rehabilitate the building or premises and does not substantially complete the work within one hundred twenty days from the date Lessor is enabled to take possession, either party may terminate this lease as of the date of the fire or casualty by notice to the other party not later than one hundred thirty days after Lessor is enabled to take possession of the damaged premises and to undertake reconstruction or repairs. In the event of termination of the lease pursuant to this section 13, rent shall be apportioned on a per diem basis and be paid to the date of the fire or casualty. If the demised premises shall be partially damaged by fire or other casualty without the fault or negligence of Lessee, Lessee's servants, employees, agents, visitors or licensees, the premises shall be repaired, restored or rehabilitated by and at the expense of Lessor, and rent until the damaged portion of the premises is ready for occupancy by Lessee shall be apportioned according to the part of the demised premises which is usable by Lessee. In all cases, the allowance shall be made for reasonable delay which may be caused by adjustment of insurance, strikes, labor difficulties or any cause beyond Lessee's control.

14. EMINENT DOMAIN: If the building, or any portion thereof which includes a substantial part of the premises, shall be taken or condemned by any competent authority for any public use or purpose, the term of this lease shall end upon, and not before, the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of the award. Current Rent shall be apportioned as of the date of such termination. If any condemnation proceeding shall be instituted in which it is sought to take or damage any part of the building, or the land under it, or if the grade of any street or other adjacent way is changed by any competent authority and such change of grade makes it necessary or desirable to remodel the building to conform to the changed grade, Lessor shall have the right to cancel this lease upon not less than ninety days' notice prior to the date of cancellation designated in the notice. No money or other consideration shall be payable by Lessor to Lessee for the right of cancellation, and Lessee shall have no right to share in the condemnation award or in any judgment for damages caused by the change of grade.

15. REMEDIES: All rights and remedies of Lessor herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law.

(a) If any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy act shall be filed by or against Lessee, or any voluntary or involuntary proceeding in any court or tribunal shall be instituted to declare Lessee insolvent or unable to pay Lessee's debts, then and in any such event, Lessee shall be in default, but not otherwise, and with or without notice of any such election, and with or without entry or other action by Lessor, forthwith terminate the lease, and, notwithstanding any other provisions of this lease, Lessor shall forthwith upon such termination be entitled to recover damages in an amount equal to the then present value of the Rent attributed to section 1 of this lease for the residue of the stated term hereof, less the fair rental value of the premises for the residue of the stated term.

(b) If Lessee defaults in the payment of Rent and such default continues for ten days after Lessor's notice thereof to Lessee as provided in Section 16, or if Lessee defaults in the prompt and full performance of any provision of this lease, or if the leasehold interest of Lessee be levied upon under execution or be attached by process of law, or if Lessee makes an assignment for the benefit of creditors, or if a petition be filed by Lessee for an appointment of a receiver to take possession of the premises, then and in any such event Lessor may, if Lessor so elects but not otherwise, and with or without notice of such election and with or without any demand whatsoever, either forthwith terminate this lease and Lessee's right to possession of the premises or, without terminating this lease, forthwith terminate Lessee's right to possession of the premises.

(c) Upon any termination of this lease, whether by lapse of time or otherwise, or upon any termination of Lessee's right to possession without termination of the lease, Lessee shall surrender possession and vacate the premises immediately, and deliver possession thereof to Lessor, and hereby grants to Lessor full and free license to enter into and upon the premises in such event with or without process of law and to repossess the premises as of Lessor's former estate and to expel or remove Lessee and any others who may be occupying or within the premises and to remove any and all property therefrom, using such force as may be necessary, without being deemed guilty of trespass, eviction or forcible entry or detainer, and without relinquishing Lessor's rights to rent or any other right given to Lessor hereunder or by operation of law. Except as particularly provided in section 13, Lessee expressly waives the service of any notice of intention or demand for payment of Rent or for possession and the service of any notice of Lessor's election to terminate this lease or to reenter the premises, including notice and every form of demand and notice prescribed by any statute or other law, and agrees that the simple breach of any provision of this lease by Lessee shall, of itself without the service of any notice or demand whatsoever, constitute a forcible detainer by Lessee of the premises within the meaning of the statutes of the State of Illinois.

(d) If Lessor abandons the premises or otherwise entitles Lessee so to elect, and Lessor elects to terminate Lessee's right to possession only, without terminating the lease, Lessor may at Lessor's option enter into the premises, remove Lessee's property and, without terminating the lease, relet the premises and receive the rent therefor as in paragraph (c) of this section 15 provided, without such entry and possession terminating the lease or releasing Lessee, in whole or in part, from Lessee's obligation to pay the rent hereunder for the full term, and in any such case Lessee shall pay forthwith to Lessor a sum equal to the entire amount of the rent specified in Section 1 of this lease for the residue of the stated term plus any other sums then due hereunder. Upon and after entry into possession without termination of the lease, Lessor may, but need not, relet the premises or any part thereof for the account of Lessee to any person, firm or corporation other than Lessee for such rent, for such time and upon such terms as Lessor in Lessor's sole discretion shall determine. Lessor shall not be required to accept any tenant offered by Lessee or to observe any instructions given by Lessee about such reletting. In any such case, Lessor may make repairs, alterations and additions in or to the premises, and redecorate the same to the extent deemed by Lessor necessary or desirable, and Lessee shall, upon demand, pay the cost thereof, together with Lessor's expenses of the reletting. If the consideration collected by Lessor upon any such reletting for Lessee's account is not sufficient to pay monthly the full amount of the rent reserved in this lease, together with the costs of repairs, alterations, additions, redecorating and Lessor's expenses, Lessee shall pay to Lessor the amount of each monthly deficiency upon demand of the moment such deficiency is collected. Any such reletting in more than sufficient to pay the full amount of the rent reserved herein, together with the costs and expenses of Lessor, Lessor, at the end of the stated term of the lease, shall account for the surplus to Lessee.

(e) Lessee hereby irrevocably appoints any attorney of any court to be the true and lawful attorney of Lessee, and, in the name, place and stead of Lessee, to appear for Lessee in any court of record at any time hereafter and confess judgment against Lessee for the enforcement of any right hereunder by Lessor, in such the suit or proceeding or process of process and trial by jury, and, from time to time, to confess judgment or judgments in favor of Lessor and against Lessee for rent and interest thereon due hereunder by Lessee to Lessor and for costs of suit and [illegible] reasonable attorney's fee in favor of Lessor to be fixed by the court, and to release all errors that may occur or intervene in such proceedings, including the issuance of execution and any proceedings thereunder, and to waive all rights of appeal from any such judgment or judgments, and that no proceedings in chancery or otherwise shall be instituted or prosecuted to interfere in any way with the operation of such judgment or judgments or of any execution issued thereon or with any supplemental proceedings taken by Lessor in connection therewith. Upon and after any such judgment or judgments, and to collect the amounts due or accrued in favor of Lessor and against Lessee may issue forthwith.

(f) Lessee shall pay upon demand all Lessor's costs, charges and expenses, including the fees of counsel, agents and others retained by Lessor, incurred in enforcing Lessee's obligations hereunder or incurred by Lessor in any litigation, negotiation or transaction in which Lessee causes Lessor, without Lessor's fault, to become involved or concerned.

(g) In event any one upon Lessor's title results from any act or neglect of Lessee, and Lessee fails to remove said lien within ten days after Lessor's notice to do so, Lessor may remove the lien by paying the full amount thereof or otherwise and without investigation as to the validity thereof, and Lessee shall pay Lessor upon request the amount paid on behalf of Lessee, including costs and expenses, or damages.

16. NOTICES: In every instance where it shall be necessary or Lessee to serve any notice or demand upon Lessee, it shall be sufficient (a) to deliver or cause to be delivered to Lessee a written or printed copy thereof, or (b) to send a written or printed copy thereof by United States registered mail, postage prepaid, addressed to Lessee at the premises herein or which Lessee may designate in writing, and shall be deemed to have been served at the time the copy is mailed, or (c) to leave a written or printed copy thereof with some person above the age of ten years residing at or in charge of the premises, and shall be deemed to have been served at the time the copy is left or affixed. (b) No waiver of any default of Lessee hereunder shall be implied from any omission by Lessor to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and that only for the time and to the extent therein stated. The invalidity, unenforceability of any provision hereof shall not affect or impair any other provision.

Witnesseth:

Whereas, The Legislature of the State of Illinois approved on April 12, 1945 the Metropolitan Transit Act creating Chicago Transit Authority, a Municipal Corporation, for public ownership and operation of a transportation system in the metropolitan area of Cook County; and

Whereas, City has by ordinance passed by the City Council on April 23, 1945, granted to Authority the exclusive right and authority to establish, construct, reconstruct, maintain and operate the transit system for the local transportation of passengers within the City; and

Whereas, Said ordinance provides under Section 3, Paragraph (b) that Authority shall construct extensions to the transit system from time to time, as may be authorized by the City Council and which the Chicago Transit Board, after hearing, shall find that said extension be required by public convenience and necessity; and

Whereas, The Chicago Transit Board by Ordinance No. 67-4 on January 12, 1967, has found that public convenience and necessity require the extension of Authority's transit system by constructing the Dan Ryan Rapid Transit facility from a terminal at W. 98th Street northward in the Dan Ryan Expressway median to W. 27th Street; thence northward from W. 27th Street to W. 18th Street in the highway known as and referred to for the purposes of this agreement as the "Franklin Street Connector"; thence eastward to a connection with the South Side Elevated Line and thence to the Central Business District loop elevated line in the City of Chicago, County of Cook, State of Illinois; and

Whereas, The State of Illinois, acting by and through its Department of Public Works and Buildings, has granted City by License and Permit dated December 29, 1967, permission to occupy and use the median of the Dan Ryan Expressway and the "Franklin Street Connector", as described herein, for the construction, operation and maintenance of the Dan Ryan Rapid Transit Facility; and

Whereas, City has obtained funds, in part from a grant under the terms and conditions of the Urban Mass Transportation Act of 1964 and in part from the Public Transportation Bond Issue of the City of Chicago approved by referendum on June 24, 1966, to finance the construction of the rapid transit facility described herein; and

Whereas, The facilities hereinafter described will conform to Authority operating requirements, as approved by Authority; now, therefore,

In Consideration of the premises and mutual

promises herein contained, the parties hereto agree as follows:

1. Authority shall also maintain all bridges which carry the rapid transit facility over cross streets.
6. City shall maintain, at its sole cost and expense, all landscaping provided in connection with the aforesaid rapid transit facility.
7. Authority shall not display advertising matter of any kind or nature which is prohibited by law or regulation on any fixed portion of the rapid transit facility within the median of the Dan Ryan Expressway.
8. In the event State property is damaged by reason of the operation or maintenance of the aforesaid rapid transit facility, the State will promptly repair same and submit an invoice for the expenses incurred in repairing said damages to City. City will, in turn, submit the invoice for said expenses to Authority, which shall reimburse City within forty-five (45) days after the end of the month in which the invoice for such expense is submitted by City.

10. In the event Authority and City determine that the transit facility and appurtenances thereto no longer are required in order to serve the public convenience and necessity, Authority may; upon one year's written notice to City, cease operations on said facility and thereafter shall remove, at its sole cost and expense, said facility, structures and appurtenances thereto and all rights conveyed herein shall be reconveyed to City upon removal of the facility, structures and appurtenances thereto.
11. Authority shall be responsible for all non-transit activities (concessions, leases, etc.) in connection with the operation of the Rapid Transit Facility and any revenue resulting therefrom shall become property of Authority.

In Witness Whereof, the City of Chicago has caused this agreement to be signed in triplicate originals (each signed copy constituting an original) by its Commissioner of Public Works, countersigned by its Comptroller, approved by its Mayor, and its corporate seal to be hereto affixed and duly attested by its Clerk, and the Chicago Transit Authority has caused the same to be signed in triplicate originals (each signed copy constituting an original) by its Chairman of the Transit Board and its corporate seal hereto affixed, duly attested by its Secretary on the day and year first above written.

Failure to submit plans and specifications to the Commissioner within ten (10) days, or failure to commence such restoration work within five (5) days after the Operator has received the approved plans and specifications from the Commissioner, or failure to complete such restoration work within a reasonable time, will constitute an abandonment by the Operator. The cost of such repairs or restoration shall be paid over from the funds received by the City under insurance policies insofar as they will cover the damage or loss insured. 50% of the balance of such cost shall be paid by the City. 50% shall be paid by the Operator.

Section 14. The Operator agrees to keep accurate records, books, and accounts in a manner directed by the Commissioner and authorized personnel shall have the right to examine said records, books, and accounts at any reasonable time.

Section 15. The Operator agrees to deliver to the City at the time of execution of this agreement, an approved government bond payable to bearer or the City of Chicago or an approved performance bond in the amount of $30,000.00 and conditioned upon the full and faithful performance by the Operator of each and all of the covenants and agreements and undertakings as set forth in this Agreement. Such bond to be approved by the Comptroller.

Section 16. Upon termination of this Agreement by lapse of time or otherwise, the Operator shall surrender and turn over possession of the premises to the City in the same manner and con-

dition as it received the premises, excepting reasonable wear and tear.

Section 17. No signs, billboards, posters or similar devices shall be erected, displayed or mounted in view of the general public or about the parking facility without the prior written approval of the Commissioner and any such signs, billboards, posters or similar devices not approved by him may be removed by the City at the expense of the Operator. The City may from time to time erect and maintain on the premises such signs as it may deem advisable.

Section 18. Compensation to Operator—Definitions.

Basic Gross Revenue Level

The Basic Gross Revenue Level is that average level of performance, actually attained by Facility No. 1 during selected series of consecutive prior years, which in the opinion of the Commissioner best represents that average level of yearly gross revenue against which the essential growth of the Facility may reasonably be measured. The Basic Gross Revenue Level of Facility No. 1, which shall apply to the year covered by this contract (1968), is hereby stated at $300,000.

Basic Fees

The Basic (or minimum) Fee is that amount of compensation which, in the judgment of the Commissioner, represents reasonable base payment for achieving (in the year 1968) the stipulated Basic Gross Revenue Level.

Actual Gross Revenue Level

The Actual Gross Revenue Level (for the year 1968) shall be the actual dollar amount of gross revenue from parking fees for that year (covered by this contract), actually or constructively received by the City of Chicago from this Facility in 1968 as shall be determined by an examination of such actual revenues by the City of Chicago or its appointed public accountant after the close of such year.

Additional (Incremental) Fees

The Additional (Incremental) Fees shall be that compensation to the Operator over and above the Basic Fee, and shall apply to that amount of gross revenues represented by the difference between the Basic Gross Revenue Level (to which the Basic Fee applies) and the Actual Gross Revenue of the Facility for the year 1968. Such additional incremental fees shall apply to each separate (and progressive) "block" of gross revenue of $25,000.00 (or residual part thereof) over and above the Basic Gross Revenue Level, and shall be at progressively greater rates (percents) on each such successive "block" (or part thereof).

Compensation to Operator

For his faithful performance as Operator of Facility No. 1, in accordance with all the provisions of the contract, the Operator shall be paid as Operator's Fees in settlement for the year 1968 under this contract as follows:

(a) A Basic (or minimum) Fee of $12,000, being 4% of a stipulated Basic Gross Revenue Level of $300,000.

(b) Additional (and progressively greater) Fees on successive "blocks" of gross revenue of $25,000 each over and above the stipulated Basic Gross Revenue Level of $300,000.

(c) Combined Total Fees as reflected on the following Exhibit "A" which embodies the intent and purpose of the two preceding stipulations.

[Exhibit "A" printed on page 3207 of this Journal]

Yearly Settlement with Operator

Final settlement with the Operator of Facility No. 1 for both fees and reimbursement of expenses and costs shall be made on the basis of the Calendar Year, and on the basis of actual results of operations for that year, as determined by an examination of the accounts of the Operator by the City or by its designated public accountants, after the close of such year.

Reimbursement to Operator for all Allowable Expenses and Costs Incurred

It is hereby stipulated that the City will reimburse the Operator for all allowable expenses and costs incurred by the Operator in the operation of the Facility in the year covered by this contract (1968). The City's final and total obligation in this respect shall be determined by an examination of the Operator's accounts by the City after the close of the calendar year 1968.

Monthly Payments to Operator for Operator's Fees and Expense Reimbursements

It is hereby agreed that, although the Operator's Total Yearly Fee and Total Expense Reimbursement shall be computed, finalized, and in due course settled on a Yearly basis, and specifically on the basis of actual results of operations for the year covered by this contract (1968), there shall be made each month by the City to the Operator a Monthly Payment intended to cover substantially the Operator's fees and budgeted expenses for each such month, under a method that shall conform essentially to the formula for annual settlement of such fees, expenses and costs.

For the purpose of this contract, it is estimated at this time that the Operator's total allowable expenses and costs for the calendar year 1968 should approximate $189,282. It is hereby stipulated, therefore, that for the purposes of a Monthly Reimbursement to the Operator for allowable costs and expenses of operation, the City shall pay to the Operator for each month of operation a Monthly Standard Budgeted Expense and Cost Reimbursement of $15,776, subject, however, to adjustment at the end of each quarter of the year, as explained forthwith.

As soon as practicable after the end of each quarter of the year 1968, the Operator shall determine the actual expenses of the Facility for the quarter just ended; and payment by the City for the third month of that quarter shall be in an amount which, when added to the two Standard payments that shall already have been made for that quarter, will approximate the Operator's actual allowable expenses and costs for that quarter, according to the Operator's books of account.

Such Monthly payments shall be made by the City to the Operator within 15 days after the close of the Operator's month of operation.

Schedule of Fees and Expense Reimbursements

In order to show clearly the Monthly amounts due Operator for both fees and budgeted expense reimbursements attaching to various Monthly levels of Gross Revenue, the following Exhibit "B" (which reflects this information) is hereby made a part of this contract.

Compensation to Operator—Miscellaneous Provisions

In the event that the rate for parking at Facility No. 1 are increased at any time during the calendar year 1968, the percent effect of such rate increases on the aggregate gross dollar revenue of the Facility *(for that proportion of the year for which effective)* shall be determined; and the net rate of increase (as so determined) shall be applied to be stipulated Basic Gross Revenue Level in order to arrive at an Adjusted Basic Gross Revenue Level.

Thus, if the effect of the rate increase is to increase the Aggregate gross revenue by 10%, the Basic Gross Revenue Level, stated on a Yearly basis on $300,000 (or on an adjusted Monthly basis of $25,000) shall be increased to an Adjusted Basic Gross Revenue Level, stated on a Yearly basis on $330,000 (or on an adjusted Monthly basis of $27,500).

Effect of Increase in Parking Rates on Basic Fee

In the event that the rates for parking at Facility No. 1 are increased at any time during the calendar year 1968, the Operator shall be paid his stipulated yearly Basic Fee of $12,000, plus an amount that shall represent 4% of the difference between the Basic Gross Revenue Level ($300,000) and the Adjusted Basic Gross Revenue Level (as defined above) for that proportion of the year 1968 during which the increase in rates shall be effective.

Effect of Increase in Parking Rates on Additional (or Incremental) Fees

In the event that the rates for parking at Facility No. 1 are increased during the calendar year 1968, the Basic Gross Revenue Level shall be increased (as indicated above) to an Adjusted Basic Gross Revenue Level, and the additional fees shall apply without change *(for that proportion of the year for which increases are effective)* to that amount of gross revenue represented by the difference between the Adjusted Basic Gross Revenue Level and the Actual Gross Revenue (which shall reflect the increased dollars). Thus, to illustrate, if without rate increases the Actual Gross Revenue is $400,000 and the Basic Gross Revenue Level is $300,000 (as stipulated), additional fees would apply (to "blocks" of $25,000.00 each) to an aggregate amount of $100,000. If, however, there is a rate increase of 10%, the actual gross revenues and Basic Revenue Level would (placed on a Yearly basis) become, respectively, $440,000 and $330,000, and additional fees would apply to an aggregate amount of $110,000.

Section 19. Operator agrees that in performing under this contract it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color or national origin, nor otherwise commit an unfair labor practice. the issuance of process and service thereof to waive trial by jury, to confess judgment in favor of the City and against the Operator for the amount of the sums which may be then due, by virtue of the terms hereof, or by virtue of any held over after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings, and for such purposes to file in said cause its cognovit thereof, and to make an Agreement in said cognovit or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right of writ of error, and consenting to an immediate execution upon such judgment, and the Operator hereby confirms all that said attorney may lawfully do by virtue hereof.
